Pro Chancellor's Message

Dear Students,

It is my privilege to share my views through this brochure, the best media to connect the YOUNG minds of the Nation .The future, as aptly said by Robert Hutchins “The objective of education is to prepare the YOUNG to educate themselves throughout their lives”.

Dr. D. Y. Patil Vidyapeeth, Pune is a NAAC accredited with 3.64 CGPA with ‘A++’ grade and ISO 9001: 2015 accredited Deemed to be University. The National Institutional Ranking Framework (NIRF-2024) is ranking Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pune 11th rank in the Medical category.

The cradle of this college started in 1996 and here we are today with magnanimous 2011 bedded hospital with the state-of-the-art infrastructure and latest technologies like 4th generation Da Vinci xi Robot for Robotic Surgery, Twin Cath Lab, 128 Slice CT Scan machine, Asia's first 3 Tesla MRI with artificial intelligence and functional MRI VIDA system, which not only gives all of you budding doctors hands on work experience, but dynamic scope to learn and grow. Our University Hospital stood First among 653 private hospitals in the Country in “Swachh Bharat Initiative - Kayakalp” by Ministry of Health and Family Welfare, Government of India in October 2019. The College scored 100/100 in the large-scale hospital category.

Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pune is conferred with National Award in Green Hospital Category by Association of Health Care Providers, New Delhi in February 2020. This national status is possible because of academic excellence, reputed trained medical faculty, brand reputation in medical profession and world class infrastructure.

I feel proud in sharing that this exceptional institution, founded by Dr. D. Y. Patil in the year 1983 and thereafter with his blessings, our Chancellor Dr. P. D. Patil constantly worked for 24 x 7 with a great vision, dedication, determination and developed 32 colleges --from KG to P. G. Nearly, 26000 students are studying every year. The hi-tech hospital has procured 170 Intensive Care beds, 25 Operating Theatres with advanced technology, 80 specialized outpatient consultation suites, multi organ transplant facilities like Kidney, liver. We started the renal transplant facility. Till date, we performed more than 90 successful renal & Kidney transplants. The facilities for angiography, angioplasty, cardiovascular surgery, etc. have been incorporated.

We have “Yashoda” Milk Bank to promote breast feeding practices and to provide safe donor human milk for needy and sick newborn. We have got more than 11567 Donor mother and we feel proud to say that we have feed more than 16814 newborn. Our Collection of milk is approx. 2400 liters! Keeping the Mission of Academics Excellence, DPU - Dr. D. Y. Patil Vidyapeeth, Pune, is always continuing its date with inexorable development activities in all the fronts ,in a bid to create a world class University. This is reflected by the consistent expansion of Infrastructure, Faculty Research contributions & National Inter National Linkages & Collaborative Initiatives, signaling out globally that DPU is focused with its thrust area in Research & Scientific development Activities.

Visualizing to see an enlighted, cultured and economically vibrant INDIA, developed through education in diverse disciplines, we at DPU keep up the commitment to contribute towards the growth of our Nation, the purpose of our Vidyapeeth and also our dream to make DPU global hub for Academic Excellence in the field of higher education.

Wish you Good Luck in your future endeavor!!!

Vice Chancellor's Message

Dear Students,

I am extremely happy to interact with you through this brochure. Dr. D. Y. Patil Vidyapeeth has been recognized as an institution that has been delivering a very high-quality education with emphasis on interactive teaching methods and focused research in diverse fields. DPU is known for Academic Heritage, World Class Faculty, State-of-the-art Infrastructure, International Teaching Pedagogies, Excellent Learning Environment, Dynamic Research Culture and Emphasis on Overall Personality Development. Our curriculum innovations include enhancement of integrated modules, case based & rapid cycle learning methods, inclusion of patient safety & health care quality concepts at all levels, to name a few.

At our colleges, we provide opportunities for involvement in innovative research projects and life enhancing community service thriving on our campuses. We believe that complete education is what makes a student self-educated. To ensure this, greater emphasis is given on what students have learned and not necessarily what they were taught. All our hospitals viz Medical, Dental, Ayurved and Homeopathy are NABH accredited and laboratories are NABL accredited. The Vidyapeeth has constituted APEX Committee for preparing vision and plan of action for implementing the provision made and NEP 2020 by UGC, accordingly course curriculum is designed.

With these commendable achievements, I believe that there is still scope for us to become the best and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculties of various institutions, which include experienced, knowledgeable and caring mentors.

I assure to all Parents and Students that we will continue to strive hard to provide quality education to the youth and live through the processes and systems that are of global standards.

Lastly, I congratulate you for having chosen Dr. D. Y. Patil Vidyapeeth, Pune to pursue and attain your future dreams and professional objectives in the area of health sciences and wish to extend my heartiest welcome on behalf of the entire Vidyapeeth fraternity. I wish you all the best.

Dr. N. J. Pawar

Pro Vice Chancellor's Message

Dear Students,

Welcome to Dr. D.Y. Patil College of Ayurveda & Research Centre, where the ancient wisdom of Ayurveda meets modern science to create a transformative learning experience. Just as Lord Dhanvantari imparted the knowledge of Ayurveda for the well-being of humanity, you too are embarking on a journey that will allow you to become a beacon of healing and health.

At our institution, we strive to maintain a balance between the traditional roots of Ayurveda and contemporary healthcare practices. Our mission is not only to educate but also to inspire. We prepare our students to become thought leaders, healers, and innovators who can navigate the complexities of today's healthcare landscape with a deep sense of responsibility and compassion.

The vision of our college is to provide an academic environment that nurtures excellence in education, research, and clinical practice. We are committed to cultivate professionals who will contribute to the advancement of Ayurveda and healthcare, both in India and around the world. Our programs are designed to enhance your knowledge, sharpen your skills, and instil in you the values of empathy, ethics, and lifelong learning.

We are also deeply committed to foster diversity and inclusion. Every student, faculty, and staff member are a vital part of our community, and we celebrate the diverse perspectives and ideas that enrich our institution. Together, we will create an environment where innovation thrives, and every individual feels empowered to make meaningful contributions to the field of Ayurveda.

I encourage you to fully engage with the opportunities here- whether it is through your academic studies, clinical training, or research endeavours. Our faculty and staff are dedicated to support your journey, and I am confident that with their guidance, you will emerge as leaders in the healthcare field, embodying the principles of Ayurveda in both your professional and personal lives.

Explore our resources, connect with your peers, and make the most of this vibrant learning community at DPU, Pune. Together, we will build a healthier and more harmonious world.

"Sarve bhavantu sukhinaha, sarve santu niraamaya, sarve bhadrani pashyantu, ma kaschit duhkha bhag bhavet"

May all be happy. May all enjoy health and freedom from disease. May all enjoy prosperity. May none suffer.

Dr. D. Y. Patil Vidyapeeth, Pune

Dr. D. Y. Patil Vidyapeeth, Pune was established in 2003. It is situated in Pimpri, in the city of Pune.

The city is steeped in cultural, educational and political history. Pune was the cultural capital of the Marathas and rightly it has earned the sobriquet as the 'Queen of the Deccan'. It is situated at the height of 575 meters above the sea level, on the Deccan plateau in the Sahyadri ranges. The city is surrounded by verdant hills and the pristine lakes. Due to the picturesque setting of the city coupled with its salubrious climate, it has become a home for many after their retirement! That is why the city is also known as the 'Pensioner's Paradise.'

The city has a rich legacy in education. It is called the "Oxford of the East," as it has the highest number of Colleges and Universities compared to any other city in India. About 25,000 foreign students from over 99 countries are pursuing their education in Pune.

It has a large number of reputed educational and research institutes, such as Savitribai Phule Pune University, Pune, Deccan College, College of Military Engineering (CME), Armed Forces Medical College (AFMC), Bhandarkar Oriental Research Institute, National Chemical Laboratory (NCL), National Defence Academy (NDA) National Center for Cell science (NCCS), National Institute of Virology (NIV), National AIDS Research Institute (NARI) and Information Technology park at Hinjewadi, etc.

Dr. D. Y. Patil Vidyapeeth, Pune is located at a distance of 13 km. from the Pune Railway Station and the Airport. The city is well connected to Mumbai and the entire country through rail, air and by road. The city also has an International airport!

Principal's Message

Dear Students,

Very warm and Hearty greetings to all of you. I welcome all the aspiring students to join our esteemed institution for undergraduate and post graduate studies. Learning is an ongoing process since childhood. Mother is our first teacher in this world, eventually on every phase of our life we learn to excell ourselves. It requires complete involvement as well as commitment from both the teacher as well as students.

Ayurveda is a science of life and it is aimed at the preservation of health and prevention of diseases by establishing balance and harmony through nutrition, herbs, meditation and daily regimen. Ayurvedic science provides knowledge to unfold the reality beyond the physical body and to achieve harmony of Body, Mind and spirit.

Dr. D. Y. Patil college of Ayurveda and Research Centre is a renowned institute at creation and dissemination of knowledge, skills and values, fostering of a spirit in intellectual journey.

Our purpose is two-fold one, to develop the best human resourse in the field of Ayurved education, second to provide the best Ayurvedic healthcare facilities to the needy.

We have highly qualified and experienced faculty, state of the art infrastructure of college and hospital and panchakarma centre.

Besides academic and clinical activities we are very much involved in corporate social responsibilities. We organise health checkup and diagnostic camps in rural as well as urban areas serving the needy. Simultaneously our students get opportunity of community education through these camps. We believe in all round development of our students, our students get opportunity to involve in research, scientific as well as social/community welfare activities.

This fulfills the dream of our Chancellor, Dr. P. D. Patil who with his dynamic personality, enthusiasm and encouragement is always a pillar of strength for us.

We look forward to have you as a part of our esteemed institution and wish you all the success ahead !
