President's Message

Dear Students,

It gives me immense pleasure to interact with you through this brochure. It is said that education is what stays with a person when everything else is gone. In today's competitive world, good education is not only a must but also an opportunity to excel in different spheres of life. In my belief, education along with a sharp mind capable of understanding and possessing a sense of being a responsible individual is an antidote to ignorance.

At the Dr. D. Y. Patil Vidyapeeth, Pune it is firmly believed that we, as a University, have to contribute towards the social and economic development of the nation. It is only possible by imparting higher education to its students so that they become competent, professional and liberal minded individuals. The Vidyapeeth is providing high quality education ensuring the pursuit of knowledge and creation of new ideas. Vidyapeeth is **Re-accredited** by NAAC with a CGPA of **3.62** on a four point scale at '**A**' Grade.

The Medical Council of India has sanctioned an intake of 250 for the MBBS course, 140 seats for the post graduate medical course (MD and MS) in as many as 20 subjects, 24 Diploma seats and 5 seats for super-specialty (M.Ch.) Course in Neuro-surgery, Urology and DM (Nephrology) to the Medical College. The MBBS degree of the Vidyapeeth has also been recognized by the Malaysian Government and Malaysian Medical Council.

The Dental College has highly specialized units and equipment managed by empathetic staff, renowned specialist and highly skilled technicians. It was then only 2nd Institute in India so graded. The college has a sanctioned intake of 100 students for the BDS course and 49 students for MDS course in nine dental specialities. We have established a Clinical Research Centre and sophisticated Implant Center in the Dental College that will undertake teaching and research programmes in collaboration with Goldman school of Dental Medicine, Boston University, Boston, USA. The BDS degree of the Vidyapeeth has also been recognized by the Malaysian Government and Malaysian Dental Council.

In keeping with our commitment to excellence, a large hi-tech hospital is under construction on the campus, which will have 12 basic OPDs, 10 Super-speciality OPDs and 21 Operation Theaters.

Besides regular lectures and practicals, the college gives importance to research. Several research proposals of post-graduate students and of the faculty members and approved and funded by bodies, such as Indian Council of Medical Research (ICMR), Department of Science and Technology (DST) and the Dr. D. Y. Patil Vidyapeeth, Pune.

I extend to you my best wishes for a successful performance at the ensuing entrance test AIPGDET-2016 and for admission to a professional course of your choice.

Dr. P. D. Patil
President

Vice-Chairperson's Message

Dear Students,

It is my privilege to share my views through this brochure, the best media to connect the young minds of the Nation-“ The future “,as aptly said by Robert Maynard Hutchins “ the objective of education is to prepare the YOUNG to educate themselves throughout their lives.

Keeping with the Mission of Academic Excellence, DPU-Dr.D.Y.Patil Vidyapeeth, Pune, is always continuing its date with inexorable developmental activities in all the fronts, in a bid to create a world class University.

This is reflected by the consistent expansion of Infrastructure, Faculty Research contributions & National and International Linkages & Collaborative Initiatives, signaling out globally that DPU is focused with its thrust area in Research & Scientific developmental Activities.

Visualizing to see an enlightened, cultured, and economically vibrant INDIA, developed through education in diverse disciplines, we at DPU keep up the commitment to contribute towards the GROWTH of our Nation, the PURPOSE of our Vidyapeeth and also our DREAM to make DPU a global hub for academic excellence in the field of higher education.

Mrs. Bhagyashree P. Patil

Vice-Chairperson

Chancellor's Message

Dear Students,

Dr. D. Y. Patil Vidyapeeth, Pune has achieved an important position in the educational landscape of Maharashtra and India. This is a matter of gratification for the faculty, students, staff and other stakeholders of the Vidyapeeth. It will motivate them to take this institution to greater heights of excellence and accomplishments.

Our Vidyapeeth is dedicated to the triple mission of education, research and community service. It is committed to maintaining a conducive educational environment which prepares students for a career of excellence in the practice of medicine and dentistry and service to their communities.

Committed to fulfilling our responsibilities, it is our mission to educate students to become caring, compassionate, ethical and proficient health care professionals. We believe that they will be creative biomedical students, capable of conducting research in the health sciences and encouraging new responses to health care needs including providing excellence in patient care.

We believe that the students will be able to study in an environment that is respectful of others, adaptive to change, accountable for outcomes and attentive to the needs of the under privileged.

We remain committed to providing the doctors, dentists, scientists and those in public health with an outstanding education in both science and humanism. With this message, I welcome you all to this Vidyapeeth for pursuing a course of your choice and I wish you all the best !

Prof. K. B. Powar
Chancellor

Vice Chancellor's Message

Dear Students,

It gives me great pleasure in introducing to you one of the premier institutions in the field of health sciences in the country. I believe the success of a premier University lies in the perfect combination of having dedicated and knowledgeable faculty, state of the art infrastructure and students having an urge to learn and create something new everyday. Dr. D. Y. Patil Vidyapeeth, Pune has always been combination of these three essential requirements, which is why it has touched the pinnacle in the field of education, particularly health sciences.

The Medical College has received several recognitions by the various agencies. The MBBS degree of the Vidyapeeth has been recognized by the Malaysian Government and Malaysian Medical Council. This international Recognition will offer the students a unique opportunity to have international exposure.

With an aim of providing the latest inputs in their respective fields and ensuring the students to be at par with their international counterparts, regular interactions with internationally acclaimed guests faculty are organized. In this regard, a regular online programme Clinical Global Health Education in collaboration with John Hopkins University School of Medicine has been initiated in the University.

At our colleges, we provide opportunities for involvement in innovative research projects and life enhancing community service thriving on our campuses. We believe that complete education is what makes a student self-educated. To ensure this, greater emphasis is given on problem solving capabilities of students.

Both, Medical and Dental College under the aegis of Dr. D. Y. Patil Vidyapeeth, Pune have world class infrastructure, virtual classrooms, highly qualified and dedicated faculty, adequate co-curricular facilities, spacious museums, laboratories, and libraries having sufficient number of books and journals. The college has the right blend of ambience to promote the highest level of academic and personality development of each student.

Dr. D. Y. Patil Vidyapeeth, Pune is accredited by the National Assessment and Accreditation Council with A grade, is providing high quality education ensuring the pursuit of knowledge and the creation of new ideas.

What we have achieved so far is definitely commendable. But, I believe that there is still scope for us to become better and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculties of various institutions, which include experienced, knowledgeable and caring mentors.

Lastly, I congratulate you for having chosen this college to pursue and attain you future dreams and professional objectives in the area of health sciences and wish to extend my heartiest welcome on behalf of the entire Vidyapeeth fraternity. I wish you All the Best for a successful performance at the AIPGDET-2016.

Dr. P. N. Razdan
Vice Chancellor

Dean's Message

Dear Students,

Over the last two decades, dentistry has advanced as a science, matured as an art, and gained the society's respect as a vocation. Today, we sit at the cusp of a scientific revolution in technologies that could change the very nature of this field. Advances in material science, digital printing, manufacturing, and genetics, coupled with innovative techniques, increased collaboration due to rapid advances in information technology, and out-of-the-box thinkers in our area of expertise have created vast opportunities and challenges to the future of this vocation.

You are going to be the super specialists of the future, the next generation of practitioners of an age-old craft, and the representatives of the generation of your teachers and seniors. At D.Y Patil Dental College, we intend to prepare you for your role as all of these in such a way that you will not just do us proud, but outshine the previous generation.

We have some of the best teachers in the country, the most modern equipment and machinery, and fantastic facilities for your benefit. We are involved in research projects assisted by organisations such as the Indian Council of Medical Research (ICMR), Dr D.Y Patil University, and other equally reputed institutions. We have continuing dental education initiatives in every department, PhD programmes in all subjects, excellent patient material, (with over 900 patients per day visiting our hospital), an enviable collection of books in our library, multi-disciplinary training for patient management, and value-added classes on various other topics. We also provide for cultural and sport facilities and programmes for your all-rounded development.

At this hallowed institute, you are expected not just to learn about the science and the art of dentistry, but also about being a better human being, through discipline, good conduct, and productive use of your time and energies. I would have great pleasure to see you as post graduates from here, but I would have greater satisfaction if you also become good human beings at the same time.

Once again, welcome, and all the very best!

Dr. Deepak Kulkarni

Dean

About Vidyapeeth

Vision

To help build an enlightened, culturally and economically vibrant India, developed through education in diverse disciplines.

Mission

To contribute to the socio-economic and ethical development of the nation, by providing high quality education through institutions that have dedicated faculty and state-of-the-art infrastructure, and are capable of developing competent professionals and liberal-minded citizens.

Vision 2025

To develop a knowledge centre which will be recognised for its academic pursue not only in India but also globally

Objectives

The principal objectives of the Vidyapeeth are to :

- Establish institutions for learning and research.
- Raise academic standards in the constituent units of the Vidyapeeth.
- Develop evaluation methods that rest students objectively.
- Bring about capacity development of teachers.
- Encourage both teachers and students to undertake research.
- Enter into collaboration with higher educational institutions.
- Undertake extension activities for the development of the community.
- Develop and enter into collaborative programmes with Indian and foreign Universities and other academic institutions, scientific organizations and other agencies.
- Carry out instructions and training, distinguishable from programmes of ordinary nature, for making distinctive contributions in the areas of specializations.
- Provide for special training or coaching for competitive examinations, for recruitment to the Public Services, Public Undertakings and other competitive employment opportunities
- Develop students personalities as informed and objective critics, identify and cultivate their talents, train right kind of leadership, develop right kind of attitudes, interests and values.

Constituent Colleges and Institutes :

Dr. D. Y. Patil Medical College, Hospital & Research Centre, Pimpri, Pune.

Dr. D. Y. Patil Dental College & Hospital, Pimpri, Pune.

Dr. D. Y. Patil College of Physiotherapy, Pimpri, Pune.

Dr. D. Y. Patil College of Nursing, Pimpri, Pune.

Dr. D. Y. Patil Biotechnology and Bioinformatics Institute, Tathawade, Pune.

Dr. D. Y. Patil Institute of Optometry and Visual Sciences, Pimpri, Pune.

Global Business School & Research Centre, Tathwade, Pune.

Establishment

Dr. D. Y. Patil Vidyapeeth, Pune was granted Deemed-to-be University status under section 3 of the University Grants Commission Act 1956 by the Government of India, Ministry of Human Resource Development, vide their Notification No. F.9 3 9/2001-U.3 dated 11/01/2003 on the recommendation of the University Grants Commission, New Delhi.

Though the Vidyapeeth started with one constituent unit, i.e, the medical college, in January 2003 it has now seven constituent colleges / institutions offering a variety of programmes.

This status was accorded in recognition of high quality of education imparted through the state-of-the-art infrastructure and dedicated faculty of the medical college, dental college and ascertaining the potential of the institute for excellence.

Membership National and International Bodies

- Association of Indian Universities (AIU), New Delhi.
- Association of Commonwealth Universities (ACU), UK.
- International Association of University Presidents (IAUP), US.
- All India Management Association (AIMA), New Delhi.
- Institutional Membership of the Current Science Association, Bangalore

Recognitions

- Dental Council of India (DCI), New Delhi. Ministry of Health and Family Welfare, Government of India.
- Re-accredited by National Assessment and Accreditation Council (NAAC) with a CGPA of 3.62 on a four point scale of "A" Grade.

- Highly qualified and experienced Faculty
- Oral Health care services
- An additional evening Dental Clinic to accommodate more of Industrial workers
- Dental Museum
- Well equipped state-of-the-art laboratories
- Implantology Centre
- PG in all the nine dental specialities
- Sophisticated & Modern Equipment
- Mobile dental Van
- Separate well equipped hostels for boys and girls.
- Internal Quality Assurance Cell
- Sports Department
- Behavioral Science Cell
- Smart card enabled premises for greater efficiency
- ATM & STD facility
- Endomicroscopic Unit
- Hard & Soft Tissue Laser Unit
- Excellent Clinical Material

The college has a comprehensive set of departments that make the learning complete.

The Nine Departments of the college are :

- Department of Oral Medicine & Radiology
- Department of Oral & Maxillofacial surgery
- Department of Paedodontics and Preventive Dentistry
- Department of Prosthodontics and Crown & Bridge
- Department of Periodontology and Implantology
- Department of Orthodontics and Dentofacial Orthopedics
- Department of Conservative Dentistry and Endodontics
- Department of Oral Pathology and Microbiology
- Department of Public Health Dentistry

■ Council Hall

Department of Oral Medicine & Radiology

- Well equipped outpatient department.
- Separate UG/PG Section
- Panoramic Radiograph Machines-conventional.
- Radio visiography.
- Whole body x-ray Machine.
- Fully equipped seminar room for teaching UG/PG.
- Cephalometric Radiographs.
- Digital O.P.G.
- Expertise training in diagnostic and radiologic procedures like :
 - a) Detection of Malignant and Pre-malignant lesions.
 - b) Biopsy.
 - c) Treatment Plan.
 - d) Differential Diagnosis.
 - e) Various types of radiographic techniques.
- Facilities for research activities.
- **Cone Beam Computed Tomography (CBCT)**

■ Digital OPG Machine

■ OPD Clinic

Department of Oral Maxillofacial Surgery

■ P. G. Clinic

- Reciprocating & Oscillating saw
- Advanced Electro-cautery Units
- Well equipped minor and major operation theatres
- Titanium plating system
- Implant system including zygomatic implants
- Fibreoptic laryngoscope
- Special training in various surgical procedures such as:
 - a) Temporomandibular joint Diseases
 - b) Orthognathic Surgery
 - c) Onco Surgery
 - d) Traumatology
- Cancer Detection Center
- Cleft lip & Palate Treatment Centre
- Piero Unit Soft Lasers
- Facilities for research activities.

■ Minor Operation Theatre

Department of Pedodontics Preventive Dentistry

- Toy room, feeding room, demonstration room and recovery room.
- Specially made chairs for pediatric patients with necessary attachments
- Radio Visiography (RVG)
- Special training in various pediatric procedures such as:
 - a) Pediatric Endodontics
 - b) Pediatric Minor Oral Surgical procedures
 - c) Conscious Sedation
 - d) Pediatric Prosthodontics Rehabilitation
 - e) Preventive and interceptive orthodontics
 - f) Behavioral Management therapies
- Facilities for research activities

■ Minor OT (Pedo)

■ P. G. Clinic

Department of Prosthodontics and Crown & Bridge

■ P. G. Clinic

- Well equipped pre-clinical laboratory.
- Modern and sophisticated casting lab.
- Specialty Ceramic Laboratory.
- Expert training in various prosthetic procedures such as :
 - a) Complete Dentures.
 - b) Removable Cast Partial Dentures.
 - c) Fixed Partial Dentures.
 - d) Maxillofacial Prosthesis.
 - e) Implants & Implant supported prosthesis.
- Facilities for research activities.

■ Pre-Clinical Laboratory

Department of Periodontology

- Modern equipments & instruments:
 - 1) Floride Probe
 - 2) Diode Laser
 - 3) Ultrasonic Bone Surgery Unit (UBS)
 - 4) Digital x-ray
 - 5) Radio Visiography (RVG)
- Expert training in various Periodontal procedures like:
 - a) Flap Surgeries
 - b) Treatment of Mobile teeth and grafting
 - c) Oral prophylaxis
 - d) Implantology
 - e) Mucogingival surgeries.
 - f) Depigmentation of gingiva
 - g) Laser procedure
 - h) Bone grafting for implants
 - i) Periodontal microsurgery.
 - j) Ozone Therapy
- Facilities for research activities

■ P. G. Clinic

■ U. G. Clinic

Department of Orthodontics & Dentofacial Orthopaedics

■ Pre-clinical Orthodontics

- Spacious pre-clinical laboratory
- Modern instruments and equipment for latest orthodontic techniques.
- Nemoceph orthodontic Diagnostic Software
- Cephalometric analysis room.
- Training by expert in various orthodontic procedures like:
 - a) Fix Appliances
 - b) Removable Appliances
- Pre & post surgical orthodontic treatment.
- Pre & post cleft lip and palate treatment.
- Adjunctive orthodontic treatment
- Use of contemporary such as “PBL-Problem based learning” to enhance understanding.
- Orthodontics for TMJ disorders
- Orthodontic Implants
- Orthodontic Research
- Surgical Orthodontics

■ P. G. Clinic

Department of Conservative Dentistry and Endodontics

- State-of-the-art preclinical Laboratory (UG & PG) Clinics, Museum, UG & PG special surgery
Modern equipment such as :-
 1. Endodontics Operating Microscope
 2. Soft and Hard Tissue Laser
 3. Radivisiography (RVG)
 4. Power Bleaching unit
 5. Sophisticated Casting Lab Equipment
 6. Ceramic Furnace and indirect composite curing furnace
 7. Indirect composite curing furnace
 8. Thermoplasticized obturating units
- Expert training in various restorative, endodontic & esthetic procedures such as :-
 1. Modern Direct and Indirect Restoration
 2. Endodontic Procedures using Newer Techniques
 3. Endodontic Surgery
 4. Retreatment
 5. Asthetic and Cosmetic Dental Treatment
 6. Laser Dentistry
 7. Full Mouth Rehabilitation
 8. Micro Dentistry
- Facilities for research activities

■ Laboratory

■ P. G. Clinic

Department of Oral Pathology & Microbiology

■ Pathology Laboratory

- Well-equipped histopathology lab.
- Research Microscope with Fluorescent & Polarized attachment & image analysis
- Decahead Microscope
- Spacious dental anatomy lab
- Haematology and Clinical Pathology laboratory
- Dental Histology & Oral Pathology lab
- Automatic Tissue Processor
- Expert training in various histopathological procedures such as:
 - a) Histotechniques
 - b) Slide reading/reporting
 - c) Sectioning
 - d) Special staining
 - e) Exfoliative cytology
 - f) Biopsy
 - g) Hematology
 - h) Use of special microscopes, polarized & fluorescent microscope.
- Immunohisto Chemistry Laboratory
- Facilities for research activities

■ Decahead Microscope

Department of Public Health Dentistry

- Fully-equipped Mobile Dental Van
- Museum in the Department
- Regular Dental treatment camps and School dental health education programmes.
- Satellite centers in Alandi Kamshet Yerwada Jail & Remand Home.
- Visit to primary health centers to render oral care to the underprivileged
- Special training in various community oral health services such as:
 - a) Comprehensive dental care.
 - b) Dental health education
 - c) School dental education & preventive treatment.
 - d) Dental health surveys
 - e) Tobacco cessation programme
- Facilities for research activities

■ Clinic

■ Patients Education & Treatment Camp

Learning Resource Centre

■ Learning Resource Centre

■ Reading Room

- Spacious library measuring about 10,000 sq.ft.
- Well stocked with more than 8,000 books and 91 National & International journals. Back volumes for last 30-50 years of several periodicals are also available.
- Spacious reading halls.
- Separate Journal Section
- Timing: 8 am to 11 pm on working days and 8 am to 6 pm on Sundays and holidays.
- Book Bank facility
- On line issue of Journals with Smart Cards.
- Internet facility with Wi-Fi system.
- Audio visual room
- Xerox Print out facility in Library
- In addition to the central library, each Department has its own departmental library

DPU Dental Implant Centre

- Total Area 9000 sqft.
- Six Surgical Cubicals with 6 American Dental Chairs
- Modern Skill Lab
- Multiple Implant Systems
- Implant Related procedures like Direct / Indirect simes Lift, Ridge augmentation, Ridge Split

7.7 Candidates selected for the course will not be allowed to change the subject on mutual basis.

7.8 In case of dispute in the matter of allotment of seat/course or any other matter, provisional selection or cancellation of admission, the decision of the Vice Chancellor shall be final and binding.

8. Fee Structure

8.1. Annual Fee

Course	General Category	NRI/PIO/FN Category
MDS in Oral Pathology and Microbiology & MDS in Oral Medicine and Radiology	Rs. 6 lacs	
MDS in remaining specializations	Rs. 10 lacs	

The Annual Fee is to be paid by the student at the time of Counseling by a Demand Draft (DD) drawn in favour of “**Dean, Dr. D. Y. Patil Dental College**” payable at Pune.

(Note: Annual fees include tuition fees and development fees.)

The Annual Fee shall be increased by 3% each year.

University Eligibility & Registration Fee (One-time Fee):-

Ten Percent (10%) of the Annual Fee, payable for the first year only, shall be paid by the student separately at the time of filling in the Eligibility Application, as Vidyapeeth Eligibility & Registration Fee. This fee shall be paid by a Demand Draft (DD) drawn in favour of “**Registrar, Dr. D. Y. Patil Vidyapeeth**” payable at Pune. (Note: The Vidyapeeth Eligibility & Registration Fee is non-refundable).

Vidyapeeth Examination Fee:-

In addition to the above fees, the student shall pay the Vidyapeeth Examination Fee as prescribed by the Vidyapeeth from time to time. Other conditions and formalities shall be as per the by-Laws of the Vidyapeeth.

Subsequent Selection Round:

The notification will be published on the Vidyapeeth website and displayed on the Notice Board of Dr. D.Y. Patil Vidyapeeth for the subsequent selection round, to be conducted by the Competent Authority for vacant seats, where candidate has not joined or cancelled his/her admission.

9. Rules for Refund of Fee:

Admission to the course can be cancelled at the request of the student on submission of an application in the prescribed format.

Refund of the fees in such case shall be done as under :

1. In case, the seat remaining vacant, due to leaving of any student, if consequently filled-up by the institution, by the last date of the admission, then the student, leaving the course shall be eligible for the refund of fees, after deduction of the processing fees of Rs. 1000/- (One Thousand only)
2. If such vacant seat is filled up by the Institution, by the another candidate by last date of admission, it will return the fees collected with the proportionate deduction of monthly fees and proportionate hostel fees, where applicable.
3. If the seat after due efforts still remains vacant after last date of admission the student shall not be entitled to get any refund.

Hostel with Telephone, Internet & Mess facilities are available . Information regarding No of Seats & Rooms is as Under

Category	Seats	Rooms
i) Girls	200	75
ii) Boys	200	75

Hostel Fee per year per student Rs. 1.50 Lakh including food.

Ragging:-

Ragging in any form is a punishable offence in accordance with the “UGC REGULATIONS ON CURBING THE MENACE OF RAGGING IN HIGHER EDUCATIONAL INSTITUTIONS, 2009” , and committing this act of indiscipline shall result in – PUNISHMENT UNDER THE PROVISIONS OF ANY PENAL LAW FOR THE TIME BEING IN FORCE.

Candidates, on admission, will be provided with detailed guidelines related to ragging.

Disputes:-

Difference of opinion and any dispute arising in the interpretation and implementation of the clauses in the brochure, if any, shall be referred to the Vice chancellor of Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune and his decision shall be final and binding on all the concerned.

Courts Jurisdiction:-

Any legal dispute arising out of the admission procedure of the course and refund of fees of the University shall be under Pimpri jurisdiction only.

Warning:-

The candidates seeking admission to the course of the Vidyapeeth are warned against possible cheating by unscrupulous persons, who may promise and assure seats by extracting large sums of money, from the parents/candidates. The Vidyapeeth has not appointed any such agents. The Vidyapeeth shall not, in any way be responsible for the misdeeds of such persons.

Discipline:-

If any, candidate/authorized representative or accompanying person is found obstructing the admission process/trying to influence it in a unlawful manner/creating nuisance, he/she be liable for disqualification from the process of selection. The decision taken by the Vice-Chancellor in this respect shall be final and binding.

The candidate selected shall abide by the disciplinary rules of the Institution & Vidyapeeth.

Undertaking and Bond:-

Candidate selected for the postgraduate course will be required to submit a bond for payment of fees for a total of three years, even if the course is not completed by him/her.

3. Candidate should occupy the seat in the Examination Hall at least thirty minutes before the commencement of the test.
4. Details such as seat number, etc. must be entered carefully on the answer sheet and the test booklet.
5. No candidate will be allowed to leave the Examination Hall till the end of the test.
6. Please note that the issue of Admit Card is just an enabling provision for appearing the AIPGDET – 2016 and does not imply that the candidates satisfies all the requirements of eligibility conditions of admission.
7. Please quote your application number in further correspondence.
8. The admit card will be made available on the Vidyapeeth website one week before Entrance Test.
9. Candidates should enter their “Fourth BDS” marks in the block meant for “Fourth BDS”, combine the marks of part -I & Part - II if in semester pattern.

Discipline and Conduct Rules

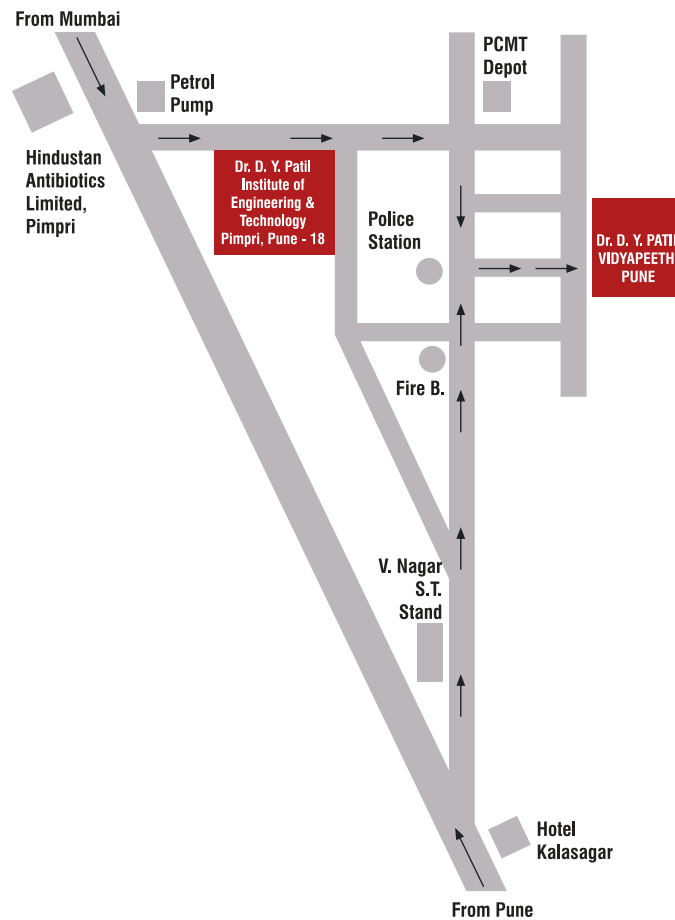

Dr. D. Y. Patil Dental College &
Hospital, Pune - 411 018

1. It is imperative that, the Students strictly adhere to the days of opening and closing of each term during the academic year.
2. As per the rules and regulations of the Dr. D.Y. Patil Vidyapeeth, Pune and the Dental Council of India, 75% attendance in a subject for appearing in the examination is compulsory inclusive of attendance in non-lecture teaching i.e. seminars, group discussion, tutorials, demonstrations, practicals, hospitals (Tertiary, Secondary, Primary) posting and bed side clinics, etc.
If the students attendance is less than 75% in theory and 80% in practical, he / she will not be considered for appearing the final Examination even in case of Medical grounds.
3. The student must be present for all the Class Tests, Mid Term Tests, Terminal and Preliminary Examinations. Strict disciplinary action will be taken against those students, who fail to attend the Test Practical, Dissections, Tutorials, Demonstrations and Theory classes etc. For those students who remain absent for more than two Internal Assessment Examinations, even on Medical grounds, the College Authority will take only one Re-examination, and make of other examinations will be counted as Zero.
4. The students should complete all the Term work such as journals, charts or any other assignments as per schedule.
5. The student is required to take prior permission of the Dean/Head of the Department if he/she wants to remain absent for genuine reason for lectures, practicals or class tests, examinations etc.
6. If the student remains absent from the Institute for continuous period of ten days without prior permission of the Dean, the Management reserves the right to cancel his/her admission from the Institute and strike out his/her name from the roll. Such student will not be entitled for any refund of fees.
7. The authorized media of communication with the student is the College Notice Board. As such the students are expected to read the notices put up on the Notice Board of the College. The college shall not accept any responsibility for loss due to the students' failure to read the Notice in time.
8. Tuition Fee must be paid in full in the first month of every academic year.
9. The Dean reserves the right to remove the name from the rolls, for failure to pay the College/Hostel dues in time.
