President's Message

Dear Students,

It gives me immense pleasure to interact with you through this brochure. It is said that education is what stays with a person when everything else is gone. In today's competitive world, good education is not only a must but also an opportunity to excel in different spheres of life. In my belief, education along with a sharp mind capable of understanding and possessing a sense of being a responsible individual is an antidote to ignorance.

At the Dr. D. Y. Patil Vidyapeeth, Pune it is firmly believed that we, as a University, have to contribute towards the social and economic development of the nation. It is only possible by imparting higher education to its students so that they become competent, professional and liberal minded individuals. The Vidyapeeth is providing high quality education ensuring the pursuit of knowledge and creation of new ideas. Vidyapeeth is **Re-accredited** by **NAAC** with a **CGPA** of **3.62** on a four point scale at '**A**' Grade.

The Medical Council of India has sanctioned an intake of 250 for the MBBS course, 140 seats for the post graduate medical course (MD and MS) in as many as 20 subjects, 24 diploma seats and 5 seats for super-specialty (M.Ch.) Course in Neuro-surgery, Urology and DM (Nephrology) to the Medical College. The MBBS degree of the Vidyapeeth has been recognized by the Malaysian Government and Malaysian Medical Council.

The Dental College has highly specialized units and equipment managed by empathetic staff, renowned specialist and highly skilled technicians. It was then only 2nd Institute in India so graded. The college has a sanctioned intake of 100 students for the BDS course and 49 students for MDS course in nine dental specialities. We have established a Clinical Research Centre in the Dental College that will undertake teaching and research programmes in collaboration with Goldman school of Dental Medicine, Boston University, Boston, USA. The BDS degree of the University has been recognized by the Malaysian Government and Malaysian Dental Council.

In keeping with our commitment to excellence, a large hi-tech hospital is under construction on the campus, which will have an area of 7, 25,000 sq. ft. and provision for 1480 beds. This hospital will have 12 basic OPD's, 10 Super-speciality OPDs and 21 Operation Theatres.

I extend to you my best wishes for a successful performance at the ensuing entrance test AIPGMET-2016 and for admission to a professional course of your choice.

Dr. P. D. Patil
President

Vice-Chairperson's Message

Dear Students,

It is my privilege to share my views through this brochure, the best media to connect the young minds of the Nation- “The future “,as aptly said by Robert Maynard Hutchins “ the objective of education is to prepare the YOUNG to educate themselves throughout their lives.

Keeping with the Mission of Academic Excellence, DPU - Dr. D. Y. Patil Vidyapeeth, Pune, is always continuing its date with inexorable developmental activities in all the fronts, in a bid to create a world class University.

This is reflected by the consistent expansion of Infrastructure, Faculty Research contributions & National and International Linkages & Collaborative Initiatives, signaling out globally that DPU is focused with its thrust area in Research & Scientific developmental Activities.

Visualizing to see an enlightened, cultured, and economically vibrant INDIA, developed through education in diverse disciplines, we at DPU keep up the commitment to contribute towards the GROWTH of our Nation, the PURPOSE of our Vidyapeeth and also our DREAM to make DPU a global hub for academic excellence in the field of higher education.

Mrs. Bhagyashree P. Patil

Vice-Chairperson

Chancellor's Message

Dear Students,

Dr. D. Y. Patil Vidyapeeth, Pune has achieved an important position in the educational landscape of Maharashtra and India. This is a matter of gratification for the faculty, students, staff and other stakeholders of the Vidyapeeth. It will motivate them to take this institution to greater heights of excellence and accomplishments.

Our Vidyapeeth is dedicated to the triple mission of education, research and community service. It is committed to maintaining a conducive educational environment which prepares students for a career of excellence in the practice of medicine and dentistry and service to their communities.

Committed to fulfilling our responsibilities, it is our mission to educate students to become caring, compassionate, ethical and proficient health care professionals. We believe that they will be creative biomedical students, capable of conducting research in the health sciences and encouraging new responses to health care needs including providing excellence in patient care.

We believe that the students will be able to study in an environment that is respectful of others, adaptive to change, accountable for outcomes and attentive to the needs of the under privileged.

We remain committed to providing the doctors, dentists, scientists and those in public health with an outstanding education in both science and humanism. With this message, I welcome you all to this Vidyapeeth for pursuing a course of your choice and I wish you all the best !

Prof. K. B. Powar
Chancellor

Vice Chancellor's Message

Dear Students,

It gives me great pleasure in introducing to you one of the premier institutions in the field of health sciences in the country. I believe the success of a premier University lies in the perfect combination of having dedicated and knowledgeable faculty, state of the art infrastructure and students having an urge to learn and create something new everyday. Dr. D. Y. Patil Vidyapeeth, Pune has always been combination of these three essential requirements, which is why it has touched the pinnacle in the field of education, particularly health sciences.

The Medical College has received several recognitions by the various agencies. The MBBS degree of the Vidyapeeth has been recognized by the Malaysian Government and Malaysian Medical Council. This international Recognition will offer the students a unique opportunity to have international exposure.

With an aim of providing the latest inputs in their respective fields and ensuring the students to be at par with their international counterparts, regular interactions with internationally acclaimed guests faculty are organized. In this regard, a regular online programme Clinical Global Health Education in collaboration with John Hopkins University School of Medicine has been initiated in the University.

At our colleges, we provide opportunities for involvement in innovative research projects and life enhancing community service thriving on our campuses. We believe that complete education is what makes a student self-educated. To ensure this, greater emphasis is given on problem solving capabilities of students.

Both, Medical and Dental College under the aegis of Dr. D. Y. Patil Vidyapeeth, Pune have world class infrastructure, virtual classrooms, highly qualified and dedicated faculty, adequate co-curricular facilities, spacious museums, laboratories, and libraries having sufficient number of books and journals. The college has the right blend of ambience to promote the highest level of academic and personality development of each student.

Dr. D. Y. Patil Vidyapeeth, Pune is accredited by the National Assessment and Accreditation Council with A grade, is providing high quality education ensuring the pursuit of knowledge and the creation of new ideas.

What we have achieved so far is definitely commendable. But, I believe that there is still scope for us to become better and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculties of various institutions, which include experienced, knowledgeable and caring mentors.

Lastly, I congratulate you for having chosen this college to pursue and attain you future dreams and professional objectives in the area of health sciences and wish to extend my heartiest welcome on behalf of the entire Vidyapeeth fraternity. I wish you All the Best for a successful performance at the AIPGMET-2016.

Dr. P. N. Razdan

Vice Chancellor

Dean's Message

My Dear Students

At the outset, let me wish you the best of luck for the All India Post Graduate Medical Entrance Test (AIPGMET-16) to be conducted by Dr. D. Y. Patil Vidyapeeth, Pune.

Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pimpri, Pune, is a constituent unit of Dr. D. Y. Patil Vidyapeeth deemed to be University by the Government of India.

It is one of the best teaching and research institutions in the country, recognized by the Medical Council of India. It is one of the jewels in the crown that glitters among other prestigious Institutions of our University.

Our strength lies in a team of highly qualified and experienced faculty, ably supported by an equally dedicated staff. This is taking the College to new heights and putting it on the world map. Whether it is winning best paper awards in conferences, holding workshops with International faculty or teleconferencing with top Universities worldwide, laurels and awards are being bestowed upon us from all quarters. Our students are even being chosen to present scientific papers at the national level. We, in fact, pursue the old tradition of Guru and Shishya in our prestigious Medical College.

Our excellent infrastructure includes museums, spacious lecture halls, a well stocked library, auditorium, laboratories, CT scan, MRI, Colour Doppler, Dialysis units besides the usual Operation Theaters, ICUs, and a very well-equipped Laboratory. Facilities exist for specialized investigations like Mammography, various Endoscopies, Blood gas analysis and a host of other sophisticated tests. Specialized investigations like, U.V. visual spectrophotometric analysis, etc. are carried out in the hospital attached to the College.

Our library boasts of the latest Journals and Periodicals, Internet facilities and an air- conditioned environment conducive to learning. Modern teaching aids like Close Circuit T.V., LCD Projection, Power Point Presentation, Tele Conferencing and Video Conferencing, etc. are routinely used.

Dr. D. Y. Patil Medical College, Hospital and Research Centre, is backed by a powerful research centre, which is recognized by the Government of India. CSMA beneficiaries. Medical Council of India has permitted the College to run Post Graduate Courses in 20 subjects and Super-speciality Courses in M.Ch (Neurosurgery), M.Ch (Urology) and D. M. (Nephrology).

I am sure that you will be inspired and motivated by the devotion and commitment of the creator of this University - Dr. P. D. Patil, whose tremendous efforts and services to humanity have made this Medical College extraordinary.

Wishing you Best of Luck for successful performance at the entrance test of AIPGMET-2016 and look forward to meet you in the college campus. Also, wishing you good luck and success in your professional career.

Dr. D. Y. Patil Medical College, Hospital & Research Centre

Dr. D. Y. Patil Medical College, Hospital and Research Centre established in 1996, received recognition of the Medical Council of India (MCI), for the award of MBBS degree from its very first batch. The Dr. D. Y. Patil Vidyapeeth comprising of Dr. D. Y. Patil Medical College, Hospital & Research Centre, has been accorded the status of University under section 3 of the UGC Act, 1956, vide Notification No. F. 9-39/2001-U.3 dated 11th Jan. 2003 of the Government of India.

In 2003, the college was permitted to conduct postgraduate courses in a some subjects. In June 2005, the college was allowed an intake of 81 students in post graduate degree and diploma courses. Presently there are 250 intake for MBBS and 126 PG-students in the following 20 subjects : General Surgery, Obstetrics & Gynaecology, Orthopaedics, Ophthalmology, Otorhinolaryngology (ENT), General Medicine, Paediatrics, Anaesthesiology, Psychiatry, Radiodiagnosis, Respiratory Medicine, Dermatology, Venerology and Leprosy, Pathology,

Community Medicine, Pharmacology, Microbiology, Anatomy, Physiology, Biochemistry and Emergency Medicine. The college also conducts super-specialty courses in Neuro Surgery, Urology and Nephrology. The Ph.D. Programme is also available in all subjects in Medical College.

These recognitions and expansions granted by the MCI, UGC, MHRD and by the Ministry of Health & Family Welfare, Government of India are the result of visionary guidance and whole hearted support of our President, the efforts put in by the faculty and the excellent facilities such as spacious buildings, measuring 1,03,671 sq. mtrs. large lecture halls, well-equipped laboratories, well-stocked library, a hospital with super speciality facilities, such as MRI, whole body CT Scan, ICUs with ventilators, and the equipment required for Neuro Surgery, Plastic Surgery, etc.

Besides regular lectures and practicals, the college gives importance to research. Several research proposals of post-graduate students and of the faculty members have been approved and funded by bodies, such as, Indian Council of Medical Research (ICMR), DST and the Dr. D.Y. Patil Vidyapeeth, Pune. etc.

THE COLLEGE CAMPUS

Learning with Spirit

Dr. D. Y. Patil Vidyapeeth, Pune Administrative Building and Dr. D. Y. Patil Medical College, Hospital and Research Centre are located in the same sprawling campus at Pimpri. The college building is a masterpiece of architecture and has state-of-the-art facilities that are in tune with the best in the world. The college building basks in fine aesthetics and is impressive. It has a mural of Lord Dhanvantari on its facade and the magnificent fibre glass dome that can be seen from miles around. The college has a comprehensive set of 24 departments that make a complete learning.

■ Vidyapeeth Campus

LECTURE HALLS-

Empowering with Knowledge

The college has five well laid-out lecture halls; six with seating capacity of 300 each and three examination halls with seating capacity of 250 each. The desks are well spaced out and halls are airy, well-lit and have fine acoustics. Each hall also has the latest audio visual teaching aids. All other aspects pertaining to medical learning have been taken into account in planning and making of these lecture halls.

■ Lecture Hall

The Facilities

AUDITORIUM - Inculcating Versatility

The Auditorium is centrally air-conditioned and is fully equipped with audio-visual facilities. It is extensively used for seminars, symposia, lectures of eminent speakers, etc.

■ Auditorium

LIBRARY - A Resource & Information Centre

The college has an excellent central library facility. It has a total floor area of 4000 sq. meter, with a provision for a separate reading room for the teaching staff and spacious reading halls to accommodate over 750 students. The total collection of the library is more than 22,060 volumes. The Library subscribes to most of the National and International Journals required for the undergraduate and post-graduate students and faculty. Apart from 1747 online journals, in addition to the central library facility, each Department has its own Departmental Library. The Reading Room of the central library is kept open from 7 a.m. to midnight for the students to use it according to their convenience, need and habit.

The central library has been provided with Wi-Fi internet facility and students and the faculty have open access to this facility. As the College and hostels are 'Wi-Fi' enabled, the students can access information from any point any where.

■ Library - Reference Section

■ Library - Reading Hall

HOSTELS

Home Away from Home

The college has three well-furnished, self-contained hostels on the campus. The hostel rooms are airy. Round the clock security is provided. There is a cafeteria attached to each hostel. The mess facility is also provided to hostilities. The hostels have reading rooms, recreational areas with T.V. and indoor game facilities such as carom, table tennis, etc. The hostels have a well-equipped gymnasium under the supervision of a physical trainer.

■ Hostels

STUDENT COUNSELLING

Parental Care

Students admitted to the first year MBBS are from 10+2 stream from other different states of India and there is a structural difference between the school and college education. Therefore, for the smooth integration of students in the new environment, regular counseling sessions are arranged for the students. Senior members of the faculty look after this activity as mentors. Every attempt is made to see that students feel confident and fully secure and the changeover is smooth.

PARENT TEACHER ORGANIZATION

Teaming Up

Parent Teacher Organisation is a unique feature of our college. Parents and teachers interact with each other regularly to ensure the well being of their wards. This is another step towards helping the student adjust to a new environment.

THE FACULTY

The Cutting Edge

The college has a team of dedicated and highly qualified faculty in all specialities with a vast teaching experience both at undergraduate and post graduate levels. The faculty involved in continuous, relevant and innovative research programmes. They are also invited as guest speakers at many well known institutions in the country. Senior members of the teaching staff are invited as paper setters, examiners and moderators by various universities all over India. The college encourages its faculty to attend workshops, seminars, conferences, symposia, etc., frequently. The quality of teaching is evident from the excellent results of the college.

Special Features

- Highly qualified and experienced staff as per the norms laid down by the Medical Council of India (MCI).
- Museums with multitude of specimens for student study and reference.
- Well-stocked departmental libraries with latest reference books and journals.
- OHP, LCD projectors, Slide projector, Computers and CD-ROMs.
- Well planned laboratories with all modern equipment.

■ Internet Section & e-Library

THE HOSPITAL

Learning skills and Healing

A good hospital gives any medical college a fine learning reputation. The hospital provides ample and varied clinical material to the students, enabling them to be conversant with multitudes of ailments, infirmities and diseases and treatments thereon. Dr. D. Y. Patil Medical College has a 1290 bed hospital with all modern amenities and equipments from the learning point of view. It caters to all the specialities and is manned by highly qualified, successful and experienced faculty members. The hospital is well equipped with modern amenities required for treatment including C.T. Scan, Colour Doppler, MRI, Sonography, Endoscopy, Colposcopy, Lithotripsy Machine, 100 watt Holmium Laser Unit with C-Arm and Image Intensifier, latest models of anaesthetic machines, Bactec Systems, Real Time PCR. The hospital has excellent backup of the supporting departments and ultra modern laboratories.

■ Anatomy Museum

■ Pathology Museum

■ Community Medicine Museum

INTENSIVE CARE UNIT (I.C.U. - 22 beds)

- ICUs with 12 bed capacity for Medicine, 10 bed capacity for Surgery, 08 bed capacity for Pediatrics and 10 bed capacity for Neonatal under the charge of highly qualified and experienced doctors.
- Ultramodern ventilators and multi parametric monitors with central monitoring system.
- ICUs with trained and experienced staff and nurses.
- Fully equipped Central Laboratory Facilities in the premises of ICU.
- Arterial Blood Gas Analyzer.
- Stress test, pulmonary functions tests, etc.

■ I.C.U.

HOSPITAL - MEDICAL SERVICES AT A GLANCE

Other supportive services:

- Well equipped clinical departments
- Modern supportive diagnostic services
- Pediatrics and neonatology
- Emergency and trauma care
- 24 hour blood bank
- 24 hour casualty medical services
- 24 hour ambulance services
- Pharmacy
- Geriatric centre

■ Operation Theatre

Central Clinical Laboratory

Laboratory facility for various investigations under Pathology, Biochemistry, Microbiology are equipped with Culture Automatic Cell Counter, Blood Gas Analyzer, Electrolytes Analyzer, Auto-Analyzer, Histopathology diagnosis, Culture Sensitivity, Hormonal assays etc. The facility is run on 24×7 basis under supervision of experts.

State-of-the-Art MRI Machine installed at the Dr. D. Y. Patil Medical College, Hospital & Research Centre

In a bid to provide better health care facilities to its patients and society, a new state-of-the-art, Siemens Avanto 1.5 Tesla Magnetic Resonance Imaging (MRI) machine, with matrix technology was installed at the Dr. D. Y. Patil Medical College, Hospital and the Research Centre, Pimpri. With this addition, the institute has two MRI machines and 30-40 MRI examinations are daily provided immediately to the needy patients.

RADIOLOGY

The department of Radio Diagnosis and Imaging is very well equipped and is one of the best center in Pune.

The department incorporating the newer ideas and most up-to-date features, has facilities, such as Two MRI Machines, DSA and Multi Slice CT Scanners. An excellent Mammography unit helps in early diagnosis and management of breast diseases. The department also has High Resolution Colour Doppler and Ultrasonography units with all the latest probes. Digital Radiography, Conventional X-ray units and Image Intensifier provide the basic radiography set up.

The machine uses Total Imaging Matrix (TIM) technology. The MRI is capable of imaging the whole body with applications for brain, spine, abdomen, heart, musculo-skeletal, breast etc. In addition to routine studies, advanced applications in neurology, orthopaedics, whole body diffusion, non-contrast perfusion and high resolution peripheral imaging are possible. Also, in case of non-cooperative and paediatric patients it is possible to correct motion artifacts. Imaging of abdomen without holding of breath by the patient can also be done with the help of this machine.

Other advanced applications like colour mapping of tracts of brain, functional brain imaging, brain perfusion studies without contrast injection along with whole body diffusion imaging are possible on this equipment. Three dimensional (3D) acquisitions with sub-millimeter resolution of body, high resolution breast imaging, early detection of degeneration of cartilage and spectroscopy are other available tools. Angiographies of limbs are possible without patient repositioning adding to the patients comfort and speed of examination throughout.

Definitions:

1. **Competent Authority** means the Officer so designated by the Vice Chancellor of Dr. D.Y. Patil Vidyapeeth, Pimpri, Pune - 18.
2. **Internship** means 12 months compulsory rotating internship after passing the MBBS examination as per the norms laid down by the Medical Council of India (“MCI”).
3. **Co-ordination Committee** means a Committee constituted by the Hon'ble Vice Chancellor of Dr. D.Y. Patil Vidyapeeth for conducting the Entrance Test for the selection of students for admission to Postgraduate Courses.
4. **Recognized Qualification** means the Degree of MBBS obtained from any Medical College or Institution in India, recognized by the Medical Council of India.
5. **Registration** means registration of MBBS qualification with the State Medical Council/MCI after completion of internship.
6. **Postgraduate Teacher** means the Medical Teacher recognized as a Post Graduate Teacher by the University/Medical Council of India.
7. The bona-fide NRI, PIOs and Foreign Nationals are defined as follows :
 - (a) An NRI is a person who is 'not a resident' or who is 'not ordinarily resident'. A person is treated as 'not ordinarily resident'
 - (i) If he / she has been resident in India for less than 182 days in the year preceding the date of application.
 - (ii) If he/she has been in India for less than 365 days during the four years immediately preceding the date of application.
 - (b) A PIO is a person having foreign citizenship (except Pakistan and Bangladesh) within NRI status, but who holds a foreign passport at the time of application or at the time of consideration of admission and during the period of his / her study and whose one/both parents or anyone/both grandparent (s) is/are (or was/were), citizen (s), of India by virtue of the provisions of the Constitution of India or Section 2 (b) of the Citizenship Ac 1955 (Ac. No. 5 of 1955)
 - (c) An FN is a person having Citizenship of a foreign country (an country other than India) and not having the status 'NRI' and/or 'PIO'.

Important : Under NRI, PIO & FN categories, "Only those non-resident Indian students, who have studied and passed the qualifying examination from colleges located in foreign countries, will be included as international students. This will include the students studying in colleges situated in foreign countries, even if affiliated to the Universities located in India. They will not include students studying in colleges, situated in India and affiliated to Universities located in foreign countries. Students passing the qualifying examination from universities

located in foreign country as external students and dependents of NRI studying in India and ward of NRI who has the qualifying degree from the college located in India will not be considered as international students".

Eligibility Criteria:

1. The candidate, who possesses Indian Nationality, with a proof in the form of Nationality Certificate /valid passport, is eligible to appear for AIPGMET - 2016.
2. The candidate who has passed final MBBS examination from a recognized Medical College, included in the schedule of the Indian Medical Council Act, 1956, is eligible.
3. The candidate who has obtained registration either from the MCI or from authorized State Medical Council after completing one-year compulsory rotating internship.
4. **The candidate who is still undergoing one-year compulsory rotating internship and is likely to complete it by 31st March, 2016, will be permitted to appear at the AIPGMET - 2016. His / Her selection will**

be subject to completion of compulsory rotating internship of one year and registration before 15th April, 2016. He/she will have to submit documentary evidence from the Principal/Dean of the College regarding the anticipated date of completion of internship along with the application, failing which, his/her application shall be rejected.

5. If a candidate who does not fulfill any or all the above requirements or fails to pay the fees at the time of counseling he/she will not be considered eligible for admission irrespective of his/her appearing for AIPGMET - 2016 examination & securing a rank in the merit list.
6. A NRI/PIO/FN candidate, who has passed the MBBS or equivalent examination from a College outside India, shall be eligible for the admission, provided he/she obtains registration from the Medical Council of India (MCI). Candidate under this category is not required to appear for AIPGMET-2016. Admissions will be made on the basis of inter-se merit as determined by admission committee appointed for the purpose by the Competent Authority.

The Annual Fee shall be increased by 3% each year.

All Postgraduate Degree/Diploma students shall have to execute a one year bond, in the prescribed format, to serve in the Institute. The conditions may be relaxed in case vacancy is not available in the concerned department.

This will not be applicable to NRI/PIO/FN Category.

Students selected for various disciplines will be entitled for stipend.

The Annual Fee is to be paid by the student at the time of Counselling by a Demand Draft (DD) drawn in favour of “**Dean, Dr. D. Y. Patil Medical College**”, payable at Pune.

(Note: Annual fees include tuition fees and development fees.)

Vidyapeeth Eligibility & Registration Fee (One-time Fee)

Ten Percent (10%) of the Annual Fee, payable for the first year only, shall be paid by the student separately at the time of filling in the Eligibility Application, as Vidyapeeth Eligibility & Registration Fee. This fee shall be paid by a Demand Draft (DD) drawn in favour of “**Registrar, Dr. D. Y. Patil Vidyapeeth**” payable at Pune.

(Note: - The Vidyapeeth Eligibility & Registration Fee is non-refundable)

Vidyapeeth Examination Fee:-

In addition to the above fees the student shall pay the Vidyapeeth Examination Fee as prescribed by the Vidyapeeth from time to time. Other conditions and formalities shall be as per the bye Laws of the Vidyapeeth.

Rules for refund of Fees

Admission to the course can be cancelled at the request of the student on submission of an application in the prescribed format. Refund of the fees in such case shall be done as under :

1. In case, the seat remaining vacant, due to leaving of any student, if consequently filled-up by the institution, by the last date of the admission, then the student, leaving the course shall be eligible for the refund of fees, after deduction of the processing fees of Rs. 1000/- (One Thousand only)
2. If such vacant seat is filled up by the Institution, by the another candidate by last date of admission, it will return the fees collected with the proportionate deduction of monthly fees and proportionate hostel fees, where applicable.
3. If the seat after due efforts still remains vacant after last date of admission the student shall not be entitled to get any refund.

Subsequent Selection Round:

The notification will be published on the Vidyapeeth website and displayed on the Notice Board of Dr. D.Y. Patil Vidyapeeth for the subsequent selection round, to be conducted by the Competent Authority for vacant seats, where candidate has not joined or cancelled his/her admission.

Warning

The candidates seeking admission to the course of the Vidyapeeth is warned against possible cheating by unscrupulous person(s), who may promise and assure seat by extracting large sums of money, from the parents/candidates. The Vidyapeeth has not appointed any such agent(s). The Vidyapeeth shall not, in any way be responsible for the misdeeds of such persons.

Ragging

Ragging in any form is a punishable offence in accordance with the “**UGC REGULATIONS ON CURBING THE MENACE OF RAGGING IN HIGHER EDUCATIONAL INSTITUTIONS, 2009**” and committing this act of indiscipline shall result in – PUNISHMENT UNDER THE PROVISION OF ANY PENAL LAW FOR THE TIME BEING IN FORCE.

Candidates, on admission, will be provided with detailed guidelines related to ragging.

Hostel Accommodation

Comfortable and Sufficient Hostel accommodation with Telephone, Internet & Mess facilities is available for Boys & Girls Separately.

Hostel Fee per year per student is Rs. 1.50 Lakh including food. (3 seater)

Courts Jurisdiction

Any legal dispute arising out of the admission procedure of the course and refund of fees of the Vidyapeeth shall be under Pimpri jurisdiction only.

Disputes

Difference of opinion and any dispute arising in the interpretation and implementation of the clauses in the brochure, if any, shall be referred to the Vice chancellor of Dr. D.Y. Patil Vidyapeeth, Pune and his/her decision shall be final and binding on all the concerned.

Undertaking and Bond

Selected Candidate for the Postgraduate Course will be required to submit a bond for payment of fees for a total of three years, even if the course is not completed by him/her.

Discipline

If any, candidate/authorized representative or accompanying person is found obstructing the admission process/trying to influence it in an unlawful manner/creating nuisance, he/she shall be liable for disqualification from the process of selection. The decision taken by the Vice-Chancellor in this respect shall be final and binding. The selected candidate shall abide by the disciplinary rules of the Institution & Vidyapeeth.

Conduct of the Entrance Test (AIPGMET - 2016)

1. The candidate shall attend AIPGMET - 2016 at his/her own cost.
2. Use of technology based calculating and communication devices like mobile, pager, watches, calculator, etc. is strictly prohibited in the Examination Hall.

Biophysics	05
Ophthalmology	10
Anesthesiology	07
Psychiatry	10
Medicine	25
Total	300

Result & Merit List

1. The result and the Merit List will be displayed on the Vidyapeeth website www.dpu.edu.in
2. i) Individual result will be available on the Vidyapeeth website.
ii) Results of the individual candidate will not be communicated on telephone or by post.
3. There will be no rechecking/revaluation of answer sheets and verification of marks of AIPGMET - 2016.

Tie-Break for Equal Marks

In case two or more students obtain an equal number of marks at the entrance test AIPGMET - 2016, i.e., in case of a tie, the following procedure shall be adopted for deciding the final merit: If there is a tie between two or more candidates having equal number of marks at the entrance test –

First Level: - The candidate, having more marks in the final year of MBBS examination shall be preferred. If the tie still persists, then -

Second Level: The candidate, having higher aggregate marks in all the University examinations of MBBS course shall be preferred. If the tie still persists, then -

Third Level: - The candidate, having more marks in the subject of his/her choice (for PG) at the University examination of the MBBS course shall be preferred.

Counseling and Admissions

A reasonable number of qualified candidates, as per the merit list, shall be called for Counseling and Admissions by the Competent Authority.

The candidate shall produce all the originals of the required Certificates at the time of counseling and admission.

The selection to the course shall be done on the basis of merit-cum-preference given by the candidate.

The selected candidate will have to join the course on or before **01/04/2016**. The admission will be made on provisional basis. The candidate has to give an undertaking for completion of the Course.

Student shall submit the Eligibility form to the Vidyapeeth at the time of joining the course and the admission confirmation shall be subject to grant of eligibility by the Vidyapeeth.
