Chancellor's Message

Dear Students,

Welcome to Dr. D. Y. Patil Dental College & Hospital, Pune !

To cater to the needs of dental students in Maharashtra and across the country Dr. D. Y. Patil Dental College & Hospital was established in the year 2000.

The main mission of the College is to excel globally in dental education and oral health care. In fact, we are committed to exploring new frontiers in these areas. The College is located at the heart of the sprawling world-class campus with state-of-the art infrastructure such as new age classrooms, head lab, health sciences library, and world-class hostels and sports facilities. All our hospitals viz Medical, Dental, Ayurved and Homeopathy are NABH accredited and laboratories are NABL accredited.

To complement this, the dental clinics are equipped with ultramodern dental chairs, cutting edge diagnostic gadgets and top-class oral health care facilities. There is a Dental Implant Center and the Regenerative Medicine Laboratory. The idea behind setting up this laboratory is to offer the best stem cell therapy at a reasonable price not only in India but across the world.

Research and innovation are at the crux of academics and health care here. In fact, the College has won several accolades in the field of research and publications. The BDS & MDS degrees of the Vidyapeeth has been recognized by the Dental Council of India. The Vidyapeeth prides itself in having highly competent oral health professionals who are also erudite and dedicated teachers. We are committed to community service. We organize regular school dental health checkups and out-reach dental camps thus taking dental care to the doorsteps of the needy.

As for the students, we encourage, inspire and stimulate them to develop academic, professional and personal skills and capabilities to perform well in the competitive environment of today marked by new challenges with rising expectations. We are sure you will assist us in accomplishing our dream and vision of making this college the best in oral health care.

I extend a warm welcome to all the future students....

Dr. P. D. Patil
Chancellor

Pro Chancellor's Message

Dear Students,

It is my privilege to share my views through this Brochure, the best media to connect the YOUNG minds of the Nation .The future, as aptly said by Robert Hutchins “The objective of education is to prepare the YOUNG to educate themselves throughout their lives”.

Vice Chancellor's Message

Dear Students,

It gives me immense pleasure in introducing to you one of the premier institutions in the field of health sciences in the country. I believe the success of the University lies in the perfect combination of having dedicated and knowledgeable faculty, state-of-the-art infrastructure and students having an urge to learn and create something new. Dr. D. Y. Patil Vidyapeeth (DPU), Pune has always been a combination of these three essential requirements, which is why it has touched the pinnacle in the field of education, particularly health sciences. All our hospitals viz Medical, Dental, Ayurved and Homeopathy are NABH accredited and laboratories are NABL accredited. The Vidyapeeth has constituted APEX Committee for preparing vision and plan of action for implementing the provision made and NEP 2020 by UGC, accordingly course curriculum is designed.

The Dental College has received several recognitions by various agencies. This International recognitions will give the students a unique opportunity to have international exposure. With the aim of providing the latest inputs in their respective fields and ensuring the students to be at par with their international counterparts, regular interactions with internationally acclaimed guest faculty are organized.

In our Institute, we provide students with opportunities for involvement in innovative research projects and life-enhancing community service. We believe that complete education is what makes a student self-educated. To ensure this, greater emphasis is given on problem-solving capabilities of students. Both, Medical and Dental College under the aegis of Dr. D. Y. Patil Vidyapeeth, Pune has world-class infrastructure, virtual classrooms, highly qualified and dedicated faculty, adequate co-curricular facilities, spacious museums, laboratories and libraries with sufficient number of books and journals. The College has the right blend of ambience to promote the highest level of academic and personality development of each student.

Dr. D. Y. Patil Vidyapeeth, Pune is Accredited by the National Assessment and Accreditation Council with a CGPA of 3.64 on a four point scale at 'A++' grade, and providing high-quality education ensuring the pursuit of knowledge and the creation of new ideas. At national level NIRF-2023 ranking, DPU is placed at the 46th rank in Universities, 3rd rank in Dental Category and 15th rank in Medical Category and also UGC has accorded Category - I University Status.

What we have achieved so far is definitely commendable. However, I believe that there is still scope for us to become better and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculty from various institutions, which include experienced, knowledgeable and caring mentors.

I wish you good luck for a successful performance at the NEET-PG-2023. Lastly, I congratulate you for having chosen this college to pursue and achieve your future dreams and professional objectives in the area of health sciences.

Welcome on behalf of the entire Vidyapeeth fraternity.

Dr. D. Y. Patil Vidyapeeth, Pune

Dr. D. Y. Patil Vidyapeeth, Pune was established in 2003. It is situated in Pimpri, in the city of Pune.

The city is steeped in cultural, educational and political history. Pune was the cultural capital of the Marathas and rightly it has earned the sobriquet as the 'Queen of the Deccan'. It is situated at the height of 575 meters above the sea level, on the Deccan plateau in the Sahyadri ranges. The city is surrounded by verdant hills and the pristine lakes. Due to the picturesque setting of the city coupled with its salubrious climate, it has become a home for many after their retirement! That is why the city is also known as the 'Pensioner's Paradise.'

The city has a rich legacy in education. It is called the "Oxford of the East," as it has the highest number of Colleges and Universities compared to any other city in India. About 25,000 foreign students from over 99 countries are pursuing their education in Pune.

It has a large number of reputed educational and research institutes, such as Savitribai Phule Pune University, Pune, Deccan College, College of Military Engineering (CME), Armed Forces Medical College (AFMC), Bhandarkar Oriental Research Institute, National Chemical Laboratory (NCL), National Defence Academy (NDA) National Center for Cell science (NCCS), National Institute of Virology (NIV), National AIDS Research Institute (NARI) and Information Technology park at Hinjewadi, etc.

Dr. D. Y. Patil Vidyapeeth, Pune is located at a distance of 13 km. from the Pune Railway Station and the Airport. The city is well connected to Mumbai and the entire country through rail, air and by road. The city also has an International airport!

Highlights

The Post-Graduate Program at Dr. D. Y. Patil Dental College and Hospital is designed to inspire and create a true master in dental surgery. At National level, Dental college is ranked no. 3 in the NIRF ranking 2023 in Dental category

The MDS program at Dr. D. Y. Patil Dental College and Hospital is of 3 years duration and is a mix of Academics with ample clinical applications.

The students are trained for clinical proficiency, knowledge and skills and at the same time they are taught to inculcate human values, ethical practice communication abilities and other soft skills.

Each student is motivated to carry out a short research and participate in Speciality Conferences. Many of our Alumni and present students have achieved laurels and bagged prizes at National & State level scientific deliberations.

At Dr. D. Y. Patil Dental College and Hospital, the students are trained to carry out literature research in a scientific and systematic manner.

Periodic tests are conducted apart from exams after the end of the term to enhance learning and writing skills.

In the 3-year MDS course, continuous evaluation system is implemented for periodic assessment of PG students, in order to identify, assess and monitor the areas of strength and weakness of a particular student.

The Implant Centre offers a good platform for clinical exposure to Implant placement and allied procedures for post graduate students in the Department of Oral Surgery, Periodontology and Prosthodontics

Research Activities

In the last 5 years Faculty and Students from our Institution has published a remarkable number of publications in International and National Peer reviewed indexed journals.

The post graduates in various extra mural funded projects by Indian Council of Medical Research, Colgate as well as International agencies like ITI. The main thrust areas of research are : Oral Cancer, Implants, Use of Herbal Medicines, Lasers & Biomaterial research.

Our College regularly conducts Continuing Dental Education Programs to improve skill development. Post graduates are encouraged to participate in various extracurricular activities like Sports, Educational Film making, Elocution & Essay competitions etc

Regenerative Medicine Laboratory for Cell based therapy

A new dimension has been added to the research environment by starting Regenerative Medicine Laboratory or Cell Based Therapy in our College. It is a novel and unique Laboratory well equipped to harness dental pulp stem cells. These were further characterized and differentiated for their role in various bony defects and soft tissue lesions in the head and neck region. There is a proper Stem Cell research committee and staff in place when students are carrying out research in various Cell based application studies.

Ph.D. Program

The College offers Ph.D. in all nine subjects of Dentistry. Students from all over India aspire to pursue their post doctoral studies (Ph.D.) from our Vidyapeeth. We have the necessary high end equipment available as well as vastly experienced faculty.
