(An ISO 9001:2015 Certified University and 14001:2015 Green Education Campus)

Newsletter

Vol. II - July 2020 to December 2020

Chancellor's Message

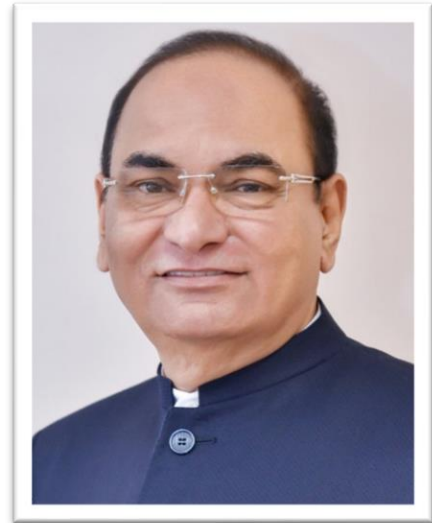

Dr. P. D. Patil

Season's Greetings!

Welcome to the latest edition of DPU Newsletter!

New Year, New beginning! It's that time of the year when we set new goals and make resolutions that we try to achieve in the following months. It's also that time of the year when we need to take stock of our accomplishments and triumphs, our shortcomings, try to rectify it and never rerun it.

At DPU, collectively, we have scored many goals and crossed many milestones. No doubt, in the last couple of months, we have all been traumatized and terrified and have huddled ourselves due to the COVID-19 lockdown. But, I believe every dark cloud has a silver lining. We had found a way and have proven it. And it has been feasible only because of the unified efforts of our faculty and students.

Kudos for their achievements! This Newsletter issue highlights that span of expertise. It captures a vibrant mix of intellectual prowess in the stream of humanities, natural sciences, social sciences and so on. It also details the various achievements in a wide range of creative pursuits like visual and performing arts. We have chronicled all these achievements and more in this Newsletter as we wanted each write-up and picture to instil and enkindle you so that you can easily achieve your own vision, goals and dreams. Coming to Dr. D. Y. Patil Vidyapeeth (DPU), Pune, we have always encouraged our students to reach for the stars. We endeavour to bring out the inherent qualities quiescent in each and every one of you. We believe that formal and informal, tangible and intangible activities together prepare our students for real-life, and the future and we try to strengthen and enhance their personal skills. For this, we have left no stone unturned.

All this is done keeping in mind the values and ideals of the Vidyapeeth like being compassionate, self-reliant, to be a leader amongst others etc. We try to ingrain in our students to be indifferent to success and failure and to possess the mental strength to bear with any situation in life. My years of experience have taught me that in the long run, ideals and values maketh a man! In this context, the lines of the poem "IF" written by the Nobel Laureate Rudyard Kipling crops into my mind.

*If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build'em up with worn-out tools:*

It expounds about specific values to live by in life. The central idea is that success comes from self-control and a true sense of the values of things. One must not languish because of doubts or opposition, yet put in his/her very best to see the grounds for both. We should live not only for ourselves but also for others. If these principles are practiced, everyone can live in peace and harmony. Moreover, to achieve your goals, one must balance their Life.

Wishing you all the very best!

Vice Chancellor's Message **Prof. (Dr.) N. J. Pawar**

The cultural activities have always been an integral part of students' academic pursuit. For, every activity Dr. D. Y. Patil Vidyapeeth, Pune (DPU) plays a significant role in overall development of the student.

The Vidyapeeth plans cultural and social activities that are aligned with the educational objectives of the institution and also according to requirements of the students. Whether the activities focus on sports, arts, music, science or other areas and co-curricular activities.... they play a significant role in students' overall development, as well as screening talents and giftedness among students.

These activities assist students in adapting to real life scenarios and enhance their personal skills. It also helps them in bettering organizational, presentation, leadership and interpersonal communication skills. Not only that, these activities play a compelling role in enriching students on an emotional, cognitive, physical and social level. It also acts as a catalyst for the promotion of national integration, coexistence, cultural values, and general health and well-being of the society. Hence, organizing these activities is a must. The coordinators of these events at DPU spend considerable time in organizing, managing, and balancing these activities so that it is attuned properly with the academic curriculum.

All these activities provide every student get the opportunity to learn beyond subjects and the mere confines of a classroom. In today's times, the importance of these activities cannot be undermined.

Editor's Desk

Dr. (Mrs.) Smita Jadhav

Dear Students,

Welcome to this edition of DPU's newsletter.

The mind is not a vessel to be filled, but a fire to be kindled," said Plutarch. And this newsletter is a testament to some of the brilliant ideas put forth by the student and faculty members of the Vidyapeeth. It promises to kindle the imagination of our readers.

At DPU, collectively, we have scored many goals and crossed many milestones. And it has been feasible only because of the unified efforts of our faculty and students. Kudos for their achievements!

The Newsletter chronicles and highlights academic and co-curricular activities, achievements and progress made by the students, staff and the various institutes of Dr. D. Y. Patil Vidyapeeth, Pune. It captures a vibrant mix of intellectual prowess in the stream of humanities, natural sciences, social sciences and so on. It also details the various achievements in a wide range of creative pursuits like visual and performing arts. We have profiled all these achievements and more in this Newsletter as we wanted each write-up and picture to instil and enkindle you so that you can easily achieve your own vision, goals and dreams. As our Prime Minister, Narendra Modiji said, "Everyone has the power to dream. But dreams should be turned into resolutions. Never allow any idea to die."

At DPU, we believe that each one of you have great potential. But to reach the zenith, you have to work towards it with unwavering determination and tenacity. Moreover, you should also know how to balance your life and spent time fittingly so that you can benefit from it. You can do it by pursuing whatever interests you the most! As our Late President, A. P. J. Abdul Kalam said, "You want to shine like the sun. First, burn like the sun."

Some Significant Research Presentations

Dr. D. Y. Patil Vidyapeeth, Pune

Sr. No.	Title of Scientific Papers / Posters	Presented by	Event
1	Future of Regenerative Medicine	Dr. Ramesh Bhone	2nd Conference in Interdisciplinary Research in Health Sciences. 27 th - 28 th Oct. 2020
2	Writing case report using CARE checklist.	Dr. Pradnya Kakodkar	Orientation for Homeopathy Faculty 16 th Sep. 2020
3	Evidence based Practice / Systematic Review.		Gurukool, IPS, Pune Branch 11 th Oct. 2020
4	Authorship in Interdisciplinary Research: Who should be the First author.		2 nd Conference in Interdisciplinary Research in Health Sciences. 27 th – 28 th Oct. 2020
5	Study designs for research in homeopathy	Dr. Sarika Chaturvedi	Basic Research Methodology Workshop for Postgraduate Students, Dr. D. Y. Patil college of Homeopathy 17 th Sep. 2020
6	Observational studies		Workshop on Scientific Writing for the Investigators of Research Projects on COVID-19, Ministry of AYUSH. 20 th Oct. 2020

Dr. D. Y. Patil Medical College, Hospital and Research Centre

Sr. No.	Title of Scientific Papers / Posters	Presented by	Event
Department of Physiology			
1	Oral paper titled 'Assisted Venous Drainage by Periodic Leg Elevation: An Useful Physiological Intervention in Varicose Veins'	Dr. R. S. Sood	BMS International e-conference on Emerging Trends in Research – Emphasis on Basic Medical Sciences Organized online by the Departments of Anatomy, Biochemistry, Physiology and Center for Biomedical Research, AVMCH, Puducherry. 17 th to 19 th Sep. 2020.

NEWS LETTER

Sr. No.	Title of Scientific Papers / Posters	Presented by	Event
Department of Pathology			
1	DNA Flow cytometry and immunohistochemical evaluation of effusion specimens.	Dr. Aishwarya Desai	“Diagnostic Week” National Conference 2020 Virtual Platform 21 st to 27 th Sept. 2020
Department of Microbiology			
1	Hi-Touch areas: A source of infection? (Hi-Touch areas: A source of infection?) (Oral Paper)	Dr. Shahzad Mirza	First Virtual Annual Congress of Indian Association of Medical Microbiologists E-MICROCON 2020 8 th to 11 th Dec. 2020
2	Can GeneXpert by itself take the diagnostic burden alone? (Oral Paper)	Dr. Sriram Kannuri (P.G Student)	
Department of General Surgery			
1	Paper - A comparative study of desarda technique versus Lichtenstein tension free meshplasty technique for inguinal hernia	Dr. Kuldip Patil JR III	VIRTUAL ASICON 2020 17 th – 19 th Dec. 2020
2	Paper - A Comparative study between recombinant human epidermal growth factor vs conventional dressings in diabetic ulcers	Dr. Srilikhitha K.	
Department of Community Medicine			
1	E- paper SARS CoV-2 Seroprevalance study in Pimpri-Chinchwad, Maharashtra, India coinciding with falling trend.	Dr. Johnson S. Dr. Vallari Jadav Dr. Nirankush Dr. Prerna Dr. Kavita Dr. Gracia Sohkhlet	Oral Research paper presentation by Faculty in International Conference on Covid-19 on 18 th to 19 th Dec. 2020.
Department of Orthopaedics			
1	To Study the efficacy of absorbable calcium sulphate (Stimulan) in cases of chronics osteomyelitis and associated dead space management	Dr. Abhishek Nair Dr. Parth Yadav	Midterm Clinical Conference of West Bengal Orthopaedics Association, Virtual MIDCON 2020 11 th Oct. 2020
2	Comparative study of hamstring graft healing time after Anterior cruciate ligament reconstruction with Augmentation of Platelet-Rich	Dr. A. M. Anzar	
Department of Ophthalmology			
1	Ocular trauma cases due to household injury reporting to tertiary care hospital during lockdown period due To Novel Corona Virus.	Dr. Sonal Erole	India International Science Festival 2020 Health Research conclave as on 23 rd Dec. 2020
2	Etiological factors and microbiological characteristics of infectious keratitis of western Maharashtra	Dr. Madhuvanathi Mohan	India International Science Festival 2020 Health Research conclave as on 23 rd Dec. 2020
Department of Pediatrics			
1	Outcome of neurodevelopment and BERA in neonatal hyperbilirubinemia	Dr. Manvanthar M.	ENCDP on 28 th Dec. 2020
2	Case of neuro development in CKD (Joubaet Syndrome)	Dr. Pooja Motwani	
Department of Radiodiagnosis			
1	MR Elastography and its role in studying changes in liver stiffness	Dr. Nikhith Soman – JR III	19 th MRI Teaching Course (Online)- 9 th to 16 th Aug. 2020
2	Quantification of liver fat using chemical shift MRI	Dr. Samanta Dhulipala – JR II	

NEWS LETTER

Sr. No.	Title of Scientific Papers / Posters	Presented by	Event
Department of Anesthesiology			
1	Efficacy of erector spinae block during laparoscopic Surgeries	Dr. Cherukuri Kaushik, JR-III	Paper Presentation Category In The Yuva ISACON Conference 5 th to 6 th Sep. 2020
2	Effect of education level and previous Anaesthesia exposure on knowledge and perception about Anaesthesia and Anesthesiologist	Dr. Chaitanya U Gaidhani, JR-III	
Department of Neurology			
1	Stroke as a presenting feature of COVID - 19	Dr. Furqan Khan	ESO-WSO 2020 VIRTUAL CONFERENCE 7 th to 9 th Nov. 2020
Department of Emergency Medicine			
1	Surviving serpentine sufferings-a case series	Dr. Arjun H. M.	Toxocon-14 - Annual National Conference of The Indian Society of Toxicology (Zoom Webinar) held at Amrita Institute of Medical Sciences, Cochin, Kerala. 21 st Dec. 2020
Department of Emergency Medicine			
1	Study of Knee Anatomical variables as Risk factors Predisposing to Anterior Cruciate Ligament Injury using MRI Morphometry.	Dr. Sagar Maheshwari Dr. Rajesh Kuber Dr. Amit Kharat Dr. Rahul Arkar	British Institute of Radiology Annual Congress 2020 4 th to 6 th Nov. 2020
2	Diffusion Imaging with Background Suppression (DWIBS) in detection of breast cancer; a Promising Technique Comparable to DCE-MRI.	Dr. Pratiksha Yadav	ECR 2020 in Vienna, Austria and Online 15 th to 19 th July 2020

(Deemed to be University)

Dr. Randoll Institut
Gemeinnützige Gesellschaft für
Matrix-Forschung und -Lehre mbH

**International Webinar on
Understanding Pain & Restricted Mobility
According to Matrix Concept**

Speaker

Dr. Ulrich Randoll
Researcher, Inventor of
Matrix Rhythm Therapy,
Dr. Randoll Institute, Germany

Matrix Rhythm Therapy

- Harmonizes the body rhythmically.
- Stimulates the body's natural self-healing powers.
- Developed from clinically-linked fundamental research carried out by Dr. Ulrich Randoll at University of Erlangen, Germany.
- Works on extra cellular Matrix and Rhythm of cells and muscle.
- Delivers Alpha rhythm in the physiological frequency range between 8-12 Hz.
- Delivers variable frequency according to the tissue characteristics.
- Increases body coherence.
