About University

Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune was granted the status of Deemed-to-be University in 2003 by the erstwhile Ministry of Human Resource Development (MHRD)

Development and currently known as Ministry of Education (MoE), Government of India based on the recommendations of University Grants Commission(UGC), New Delhi.

About Institute

School of Design (SOD) has been added to Dr. D.Y. Patil Vidyapeeth's renowned legacy of providing excellent academic experiences.

At DPUSOD, Programmes like Bachelor of Design (B.Des) are designed keeping in mind the new National Education Policies. DPUSOD is determined to guide its students to achieve academic excellence and become professional creators in the world of design catering to

Product, Communication, Interior, Fashion .

At DPUSOD, students are exposed and trained to do Research, Plan, Organize and Execute the entire project from the client's perspective. Students may experience the transforming journey of academics; driving its shift from Foundation to Specialization and adapting new skills, qualities and traits to be a Technician, Manager or an Entrepreneur.

Vision

Empowering creative minds to shape a transformative future through design excellence.

Mission

Dr. D.Y. Patil school of design's mission is to empower our students to become catalysts of positive change, pushing the boundaries of design and making meaningful contributions to society, culture and the built environment.

Highlights

Career Development and Placement Opportunities

100 % training and assistance for placement is offered.

Summer Internship

Summer Internship is an integral part of B. Sc. Programme during the summer vacation of penultimate year. The interns should undergo two months rigorous training at industry into their field of interest. Internship at industry will be helpful for the interns to acquire firsthand knowledge and information about the organization in general and about the functioning of various departments, working ambience and corporate environment in particular. The interns also get opportunity to learn many out of the box things pertaining to the organization during the internship period through the guidance of their deputed project guide. In addition to that internship provides great opportunity to the interns to exhibit their potential to the industry which may turn into a possible placement.

Career Guidance and Placement Assistance

Sessions on communication skills, soft skills, presentation skills and overall personality development.

Emphasis on consistent practical exposure, training, and skill development.
