## *From the Chancellor's Desk*

DPU is a culmination of significant ideas and thoughts! During my travels abroad, I had visited a number of institutions and universities and had taken note of the various educational practices and teaching methodologies prevalent over there. The very best practices and methodologies are put into usage at DPU. It is because when it comes to Dr. D. Y. Patil Vidyapeeth, Pune, we settle for the very best!

Today, the Vidyapeeth offers a range of academic programmes which aids in the professional as well as the holistic development of the students.

It has established practices and teaching methodologies that are unique and are comparable to the best available in the world. Here, besides academics, students also gain intellectual wisdom and insight that gives power to their wings of thought and imagination.

Swami Vivekananda had said, "Education is a harmonious combination of head, heart and hands." Keeping these objectives in mind, Dr. D. Y. Patil Vidyapeeth, Pune, has forged its path ahead in the field of education.

All the constituent colleges/institutions have dedicated faculty, state-of-the-art infrastructure, well-stocked libraries and well-equipped laboratories. Our devoted faculty members have walked the extra mile for the promotion of quality education.

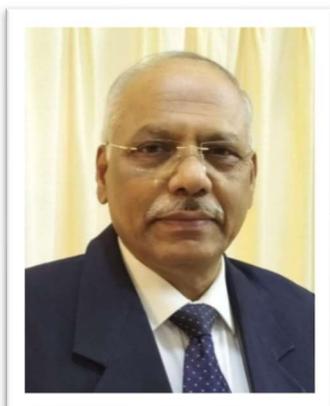

Our endeavour towards excellence has finally borne results! Today, the Vidyapeeth has attained recognition at the national level and globally for the different aspects of teaching-learning and research. This stride towards perfection has boosted our confidence and has channelized the path for realizing advance goals of scholastic accomplishments in the years to come.

This Annual Report of 2019-20, gives glimpses of the excellent infrastructure and high academic standards maintained by the Vidyapeeth and its constituent colleges/institutions.

We have also chronicled the achievements and efforts of the administrative, academic, and co-curricular activities of the Vidyapeeth here.

Wishing you all the very best....

**Dr. P. D. Patil**  
Chancellor

## *From the Vice Chancellor's Desk*

It is my profound pleasure to present the 17<sup>th</sup> Annual Report of the Dr. D. Y. Patil Vidyapeeth, Pune (DPU) for the year 2019-20. The report records the administrative, academic and co-curricular activities of the University and its constituent Colleges / Institutions from 1<sup>st</sup> July, 2019 to 30<sup>th</sup> June, 2020. The Dr. D. Y. Patil Vidyapeeth, Pune has always given prime importance to understand the essence of education. We believe in the educational philosophy of the great philosopher 'Swami Vivekananda', who says that Education is reflection of perfection in a man / woman. Based on this, we at DPU through the team of competent and very skilled faculty try to bring out the best in the students in order to make them capable and knowledgeable professionals, who will serve the society. Hence, we believe that learning should not be limited only to physical and worldly aspects but along with it, moral, ethical and spiritual aspects should also be incorporated into it.

In today's fast-paced world, where everything is changing at a rapid pace, changes are taking place in various sectors and they should be brought in the education system too. We at Dr. D. Y. Patil Vidyapeeth, Pune, believe that education is being globalized in big way and the modern society lives and interacts increasingly in this globalised world. This provides them an opportunity to reflect and share their views in an interconnected society. This experience serves as an eyeopener and helps students to deal with the realities of the globalised world. It further helps them to usher about a world of greater opportunity, justice and equality for all.

Therefore, the Dr. D. Y. Patil Vidyapeeth tries to provide this global platform to the students by way of various collaborations of the Vidyapeeth with international institutions of repute offering these stage for the interactions with internationally acclaimed guests, share their knowledge, skills and experience that helps to widen the outlook and scope for the students.

The programs offered by the Vidyapeeth are developed in consultation with experts from respective fields. Besides whatever is offered in the curriculum, we also offer value added courses along with it. The Vidyapeeth has been thus contributing towards enhancement of student's communication skills, help them follow professional ethics and understand and respect cross cultural ideas by way of inculcating human values. The Vidyapeeth encourages its teachers and students to undertake innovative research programs for the generation of new knowledge.

Dr. D. Y. Patil Vidyapeeth has been re-accredited by National Assessment and Accreditation Council (NAAC) with a CGPA of 3.62 on a four point scale at 'A' Grade. Based on this UGC has accorded Category – I Status to DPU. The Vidyapeeth has also attained a higher position in the National Institutional Ranking Framework (NIRF) conducted by Ministry of Human Resource Development (MHRD), New Delhi and achieved 3<sup>rd</sup> rank in Dental Category, 24<sup>th</sup> rank in Medical Category, 46<sup>th</sup> rank in University Category and 75<sup>th</sup> rank in Overall Category in India in NIRF - 2020.

At the end, I wish you all a successful year filled with achievements and professional fulfillment!

**Dr. N. J. Pawar**  
Vice Chancellor

Under the National Institutional Ranking Framework (NIRF-2020), conducted by the Ministry of Human Resource Development (MHRD), New Delhi, Dr. D. Y. Patil Vidyapeeth, Pune) has secured the 3<sup>rd</sup> rank in Dental category, 24<sup>th</sup> rank in Medical category, 46<sup>th</sup> rank in University category and 75<sup>th</sup> rank in Overall category in India.

Under Swachh Campus Ranking 2019 of Higher Educational Institutions, conducted by Ministry of Human Resource Development (MHRD), New Delhi, the Dr. D. Y. Patil Vidyapeeth, Pune has achieved as 9<sup>th</sup> rank amongst the Cleanest Higher Educational Institutions in the Country in the category 'Residential Universities – UGC'.

Dr. D. Y. Patil Vidyapeeth mainly focuses on health care related courses such as Medicine, Dentistry, Physiotherapy, Nursing, Optometry, allied integrated healthcare teaching, learning and research between modern medicines with alternative medicine, development of education and Research in Yoga and Naturopathy, Innovation in Teaching & Learning and Research, Bioethics, Oral Implantology, Oral Oncology, Dental Material Testing, Biomarkers, Advance Centre for Molecular Diagnostics for human Diseases, etc.

The Vidyapeeth has state-of-the-art library facilities in each constituent college and has a total of about 77,425 books along with journals, e-books and e-journals. The library of the Medical College is aesthetically built with spacious reading rooms for students and faculty members.

The Central Research Facility has the latest types of equipment like (Flow Cytometer, Confocal Microscope with software for Karyotyping & FISM and Trinocular microscope). The Vidyapeeth has also established a **Regenerative Medicine Lab** in the Dental College and **Molecular Diagnostic Lab** in the Medical College.

- **Regenerative Medicine Lab:** The Regenerative Medicine lab forms a nodal reference centre for dental research across India. It is GMP certified and offers a platform in vitro screening of drugs, pharmaceuticals and dental materials. This has opened a new era for medical and dental surgeons where they can refine their skills and think of upcoming novel therapeutic applications of stem cells for unmet medical needs. The banking of oral epithelial cells from oral cancer patients will assist in permitting bio-banking of precious material.

- 
- **Molecular Diagnostic Lab:** The Molecular Diagnostic Lab has been also established at DPU to provide a platform for ongoing and proposed research theme areas. The laboratory is NABL accredited and also engaged in providing Covid-19 testing facility. It also helps to create awareness and sensitize the community about the importance of detection and diagnosis of rare genetic diseases. It also supports teaching-learning activities of UG / PG / MD / MS programmes and Certificate / Diploma courses in molecular diagnostics.

Recently, the Biotechnology Institute has received the prestigious DST-FIST funding for the development of infrastructure and equipment for teaching and research.

The Vidyapeeth has entered into collaborations with a large number of national and international institutions/industries for its academic growth, development as well as for its contribution to health care and professional education towards national development. It has enhanced the quality of the teaching-learning process, research activities and upgradation of facilities and services. It has contributed to the enhancement of quality of services and publications in leading national and international journals and has also acquired financial assistance for collaborative research projects. The MoUs have provided opportunities for clinical trials like WHO, Industry and Institute sponsored projects, Training and hands-on experience to students, Faculty and Student Exchange, Webinars, Video-conferencing and sharing of resources. The Biotechnology Institute has research-based collaboration with the University of Skövde, Sweden in the field of environment and health protection. The collaborative research projects were funded by the Swedish International Development Cooperation Agency (SIDA) which gave scope for meaningful interactions that have led to technology development. This collaboration has resulted in the generation of five national patents.

DPU and Praj Industries had collaborated for a research project to develop microbes and microbial processes for the production of compounds of industrial significance. The Importance of this the research project can be gauged by the fact that the Department of Biotechnology (DBT), a wing of Ministry of Science & Technology, Government of India had sanctioned a grant of Rs 7.13 Crore for the same.

The Linnaeus-Palme Teachers' exchange programme between DPU and University of Skövde, was funded by the Swedish Council of Higher Education, under which two faculty members from DPU (Biotechnology Institute) visited the University of Skövde, Sweden for a duration of one month. On the other hand, two teachers, Dr. Abul Mandal and Dr. Helena Enroth from the University of Skövde visited the Biotechnology Institute between 2017-18. Also, under a bilateral agreement signed between DPU and the University of Skövde, Sweden, four students of M.Tech. Biotechnology had completed their one year project at Sweden between 2016-17 and four more students of M. Tech Biotechnology had done their project dissertation at Karolinska Institute (popular for conferring the Nobel Prize) and Lund University, Sweden between 2017-18. In continuation to bilateral agreement signed between DPU and University of Skövde, Sweden three students are pursuing their final year of M.Tech (Integrated) Biotechnology at University of Skövde. Also two faculty members from University of Skövde visited Biotechnology Institute from 19<sup>th</sup> to 21<sup>st</sup> November 2019 under the Prestigious Erasmus Plus International Faculty Exchange Programme.

## A Resource and Information Centre - Library

Central Library has good collection of printed rare books and manuscripts. They subscribe to e-journals, databases and periodicals. Services include reference, lending, e- into retrieval, browsing, photocopying, books on demand, book exhibition, new arrival counter, readers' awareness etc.

Every constituent unit has ensured the best library resources which follows open access system. In the last 5 years, collection of national and international books, manuscripts, magazines, and digitalized collection has increased. The library has a total collection of 70278 books, 25686 reference books, 80 ancient books and 16 manuscripts from universally reputed publishers.

The ancient books include books that are of vintage publication year, special editions, first editions, out of print books, original manuscripts and books related to traditional Indian medical systems. The ancient and traditional books useful for the students and faculty members are made available by providing important links on the library portal of DPU. The search for procuring knowledge resources for enrichment of the library is continuous and on-going. In addition to this every department of the constituent units has its own discipline specific library resources.

DPU has ensured best library resources at every constitute unit. Each department has its own departmental library. Libraries are automated using DPU- Enterprise Resource Planning (ERP) as ILMS to facilitate speedy access of documents, journals and other operations of library.

Data of the library is digitalized based on relevant library software. OPAC (Online Public Access Catalog) facility is available for data search based on individual password by the user anytime, anywhere or through the systems at respective libraries. The library transactions have been computerized (bar-coding). All the libraries subscribe to both print and e-journals of repute. They also subscribe to standard databases that include EBSCO HOST, SCOPUS, J-GATE, KNOWLEDGE HUB and ELSIEVER / CLINICALKEY / FLEX. The databases facilitate search for title, subject, author, publisher and keywords. All libraries of DPU and sister institutions are also connected by DPU-ERP software thus enabling students of DPU to access the books of other disciplines like Engineering, Pharmacy, Law etc.

The Medical and Dental Colleges publish peer-reviewed journals which are included in the UGC-CARE list Group 1 (UGC-CARE ID:101002752 and 101026423) and also indexed in Directory of Open Access Journals (DOAJ).

Every constitute unit has its own Library Committee. This committee is renewed and reconstituted at regular intervals. It meets at least twice in a year and makes recommendations regarding new purchases, library organization, facilities and so on.

Each library has a spacious hall, dedicated collection and display section, reading rooms and IT zone/e-library/computerized library sections. Each library has also ensured the facilities - Individual Reading Carrels, Lounge Area for Browsing and Relaxed Reading, IT Zone for accessing e-resources.

**Biometric attendance system:** Entry and exit for all users from the library register their attendance in the library through biometric attendance system. It documents the number of visitors and the time both being incorporated into Enterprise Resource Planning (ERP). Log-in report can be generated and tracked.

Working hours of the library for the Medical and Dental colleges ranges from 15 to 17 hours on working days / holidays / vacations and 24 hours during examination days. The libraries of other constituent units remain open for 9 to 12 hours on working days.

The library arranges training and orientation programmes for staff and students on OPAC, e-library access, e-browsing, searching internet and other free or paid databases.

Average annual expenditure for purchase of books and journals is 247.52 Lakh during the last five years. The libraries have separate annual budgets for their enhancement of the resources.

### **IT Infrastructure and Services:**

The DPU has state-of-the-art Data Centre with separate IT and Software Development Cell (SDC) units. IT and SDC are managed separately by respective Heads and supported by 40 well trained staff. Data Centre provides comprehensive technical IT support including software development, procurement and maintenance of hardware and liaising with software providers. Wi-Fi facility is provided throughout the campus with optic fibre network and Internet broadband connectivity through 1000 Mbps 1:1 lease line of Tata Communications Ltd. Further 1 GBPS is through NKN, BSNL-150 Mbps through P2P connectivity from Tata; 1-10 GBPS ring shape OFC from DPU Data centre to the Institutes is made available and well appreciated use of the facilities are going on in the campus.

The DPU has about 1669 computers of which 1071 have been utilized exclusively for academic purpose by the students and the faculty members and the remaining are used for administrative work.

- **Establishment of AV studio for preparation of e-content:**

Dr. D. Y. Patil Vidyapeeth has its own e-content development facility for learning innovations. This caters to the needs of students in providing access to the digital contents. The video recording studio is available to the faculty to create and disseminate digital contents such as high-end audio and video, high profile lectures and live broadcasts. Studio and on-location video shoots, editing, postproduction, video transcoding, podcast production and archiving are available.

- **Lecture Capturing System (LCS):**

DPU makes use of Lecture Capturing System (LCS) where all classes are recorded in real time and made available on the Vidyapeeth online platform. This is the best methodology for conducting a systematic review. It adds value to courses – as more and more students are demanding the flexibility and control that recorded lectures provide over their learning. It works especially well in subject areas where students benefit from repeated viewing of content.

## Research

Dr. D. Y. Patil Vidyapeeth offers state of the art facility for Research . It has been recognized by Scientific and Industrial Research Organization (SIRO). The campus is spread over 42.5 acres at Pimpri and Tathawade with 95 laboratories for research and student training. Regenerative Medicine Laboratory, Molecular Diagnostic Facility and Microbial Diversity Centre are the three main research and development centres where research is carried out in the field of stem cells, molecular biology and microbiology respectively. Research, is a part and parcel of all the ten constituent colleges under DPU and are governed by the rules of the Scientific and Ethics Committee.

In the year 2020, there are 362 research projects that have been conducted by the faculty, Ph.D. scholars, postgraduate and undergraduate students. There are 36 projects funded by National and International external agencies like DBT, BIRAC, BIG, AYUSH, DST, CSIR, SERB, ICMR JHU, HARVARD and ITI. DPU has provided seed money of Rs. 80,23,500/- for faculty research projects. 12 patents have been filled and 23 MOU have been signed with the National and International Organizations. The total publications reported are 687 in indexed journals like SCOPUS, Web of Science, PubMed and UGC-Care List. The Regenerative Medicine Laboratory has been granted GMP approval and henceforth clinical trials and commercialization of the stem cells will be carried out at the laboratory.

DPU celebrates Annual Research Day called UNMESH for the UG, PG, Ph.D. scholars and young budding faculty. There are several activities conducted which involve paper presentation, posters and patent booth, 1-minute video presentation, quiz and pedagogue with clips from movie and web series. Dr. D. Y. Patil Dental College received the UNMESH rolling trophy for the year 2020.

DPU promotes interdisciplinary research and conducts yearly conference for Interdisciplinary Research in Health Sciences. The research work done by the faculty is appreciated and Research Awards are given to the most deserving candidates under four categories (Research Award, Consistent Performance Award, Dr. P. D. Patil Young Researcher Award and Innovative Teaching Award). A Bibliometric Cell is established at DPU to centralize the research publications at one point.

From 2020, DPU has offered 25 full time Ph.D. and Post-doctoral scholarships. Also, Ph.D. is offered in Interdisciplinary Sciences.

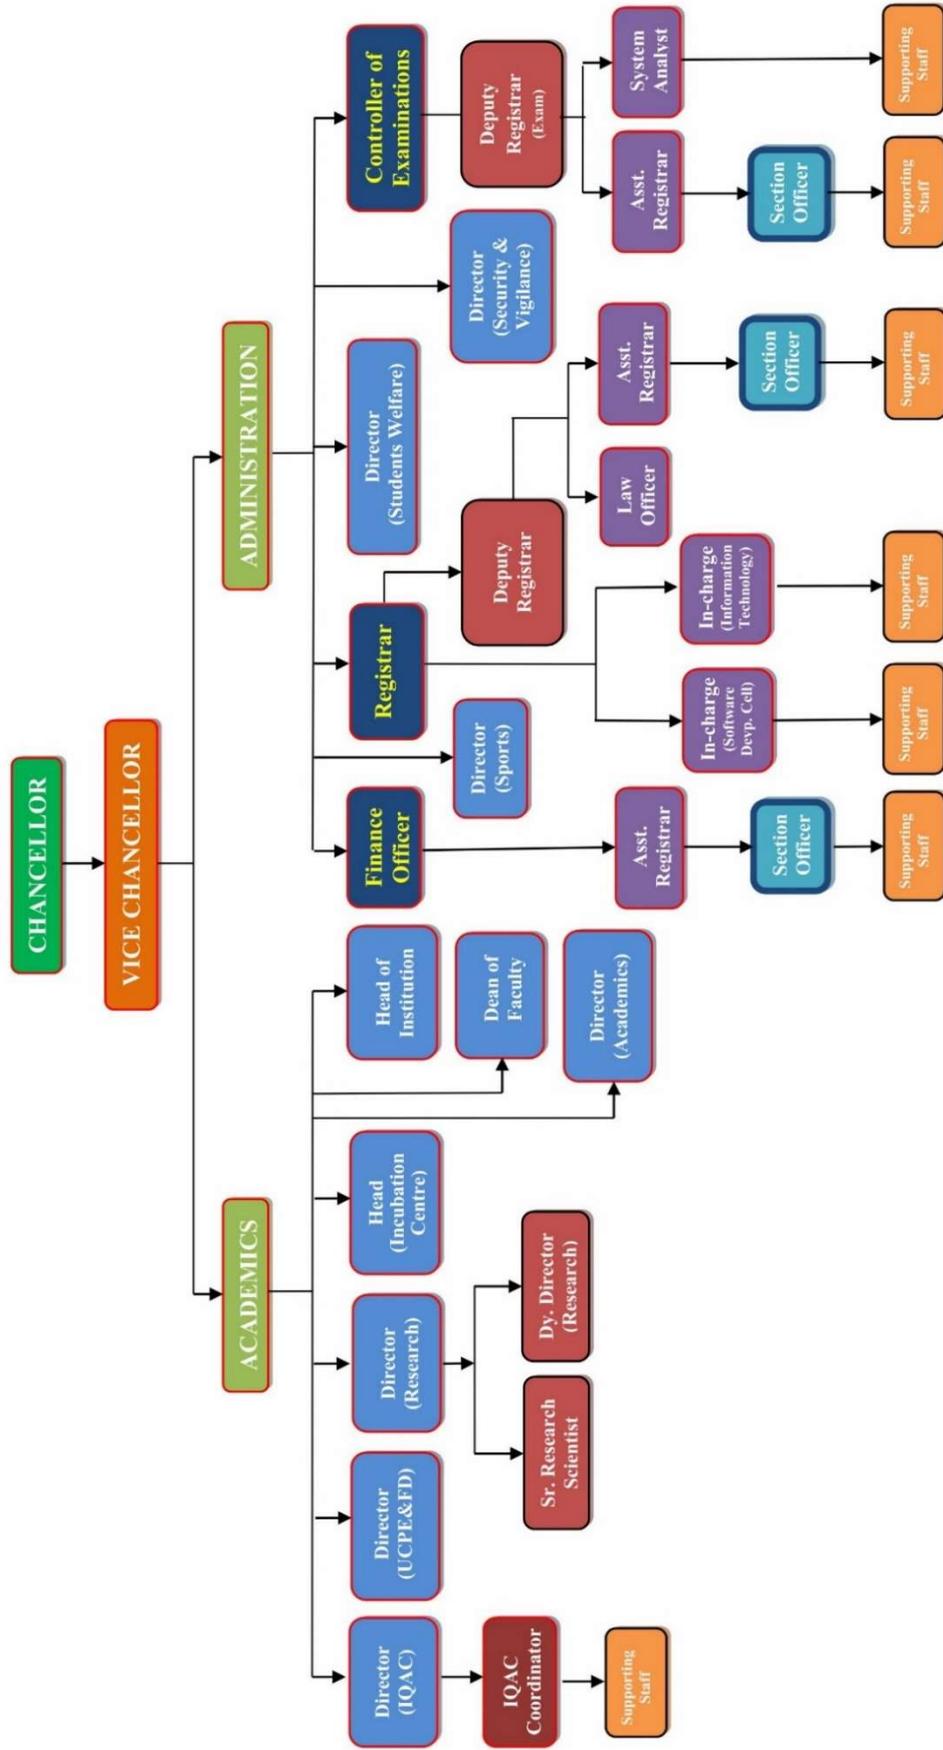

The Vidyapeeth has set a benchmark, offering conducive learning environment and research culture among the students and the faculty.
