NEWSLETTER

July to December 2023

Vol. II

Chancellor's Message

Dr. P. D. Patil

Dear Students,

Faculty, and Esteemed Members of the Vidyapeeth Community....

As we embark on the second half of our academic year, I am brimming with anticipation for the thrilling adventures that await us. Our institution stands as a luminous beacon of knowledge, resilience, and innovation. Together, we have cultivated a vibrant environment that not only champions academic excellence but also inspires creativity, sharpens critical thinking, and nurtures a profound sense of social responsibility.

This newsletter is a vibrant canvas to celebrate our collective achievements, share invaluable insights, and highlight the myriad opportunities that lie ahead. In the coming months, let us fully embrace

collaboration and open dialogue, drawing on our diverse perspectives to enrich our shared learning experience. Each of you is an essential architect of our community, and I encourage you to seize every opportunity to share your unique insights and talents.

This year, we have had the privilege of hosting a distinguished array of international entrepreneurs and speakers, igniting your passion and equipping you with the vital skills needed for the future. Within these pages, you will discover a wealth of information about exciting discoveries, significant events, recent publications, educational research updates, grants, and more—each celebrating the remarkable achievements of our faculty and students, as well as the dynamic educational programs flourishing daily at DPU.

As Ralph Waldo Emerson wisely stated, “The only person you are destined to become is the person you decide to be.” Let us choose to be pioneers of knowledge and champions of change, forging paths that inspire not only ourselves but also those around us.

Your presence is an essential part of our journey. Together, we will continue to transform our Vidyapeeth into a place where dreams thrive and futures are built..

Wishing all the staff and students the very best!

Dr. P. D. Patil

Chancellor

Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune.

Pro Chancellor's Message Dr. (Mrs.) Bhagyashree P. Patil

Dear Staff and Students,

I am pleased to share with you the newsletter for the second quarter of this academic year. I would like to take a moment to celebrate our shared accomplishments and outline our vision for the future.

The past quarter has been marked by innovation and resilience. Our students have shown exceptional commitment to their studies, engaging in meaningful research and community initiatives that reflect our university's core values. From groundbreaking projects to impactful outreach efforts, your dedication to making a difference has been truly inspiring. I am particularly proud of our faculty, whose unwavering commitment to excellence continues to nurture and shape the minds of future leaders. Your mentorship and passion for teaching are invaluable to our students' growth.

Looking ahead, we are excited to launch several new programs designed to enhance our academic offerings and support student success. These initiatives will promote interdisciplinary collaboration and equip our students with the skills necessary to thrive in an ever-evolving world. By integrating diverse fields of study, we can prepare you to tackle complex challenges and seize emerging opportunities.

In the words of Nelson Mandela, "Education is the most powerful weapon which you can use to change the world." Let us harness this power together, utilizing our collective knowledge and creativity to drive positive change both within and beyond our university.

As we navigate the challenges ahead, let us prioritize inclusivity and support one another. Every contribution—whether in the classroom, lab, or community—plays a vital role in advancing our university's mission. By fostering an environment of respect and collaboration, we can ensure that everyone feels valued and empowered to make their mark.

Your hard work and dedication are truly appreciated. Together, we will continue to cultivate an atmosphere of growth, innovation, and excellence. I eagerly anticipate what we will achieve in the months ahead..

Warm regards,

Dr. (Mrs.) Bhagyashree P. Patil

Pro Chancellor

Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune

Vice Chancellor's Message Prof. (Dr.) N. J. Pawar

Dear Esteemed Members of the D. Y. Patil Vidyapeeth Community,

As we embark on a new academic year at Dr. D. Y. Patil Vidyapeeth, I want to emphasize the crucial role this newsletter plays in connecting our community. It serves as an important platform for sharing insights into our dynamic cultural activities, which significantly enrich our students' experiences. These initiatives are far more than extracurricular; they are fundamental to a well-rounded education. At DPU, we strive to create an environment where cultural and societal events align with our educational goals, celebrating the diverse interests of our students.

Our offerings span a vibrant array of sports, arts, music, and science, each designed to nurture talent and promote holistic development. These experiences equip students with essential life skills—leadership, public speaking, and teamwork—while also fostering their emotional and social growth.

In our commitment to fostering national unity and cultural awareness, I take great pride in sharing that all our hospitals, including Medical, Dental, Ayurvedic, and Homeopathy, have achieved NABH accreditation. Our laboratories also hold NABL accreditation, showcasing our steadfast dedication to excellence.

Moreover, our enthusiasm for research and innovation continues to thrive. We encourage collaboration across departments, enhancing interdisciplinary learning that is vital in today's rapidly changing landscape.

I would like to extend my heartfelt congratulations to the Editorial Team for their outstanding work in bringing this newsletter to fruition.

As we move forward, let us embrace the wisdom of Maya Angelou: "You can't use up creativity. The more you use, the more you have." Together, let's spark creativity and shape a bright future for our university.

Warm regards,

Prof. (Dr.) N. J. Pawar

Vice Chancellor

Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune

Pro Vice Chancellor's Message

Dr. Smita Jadhav

Esteemed Members of the University Community,

As we progress through this academic year, I am delighted to reflect on the remarkable strides we have achieved together. Our journey showcases the extraordinary accomplishments and unwavering commitment of every member of our vibrant institution.

Our emphasis on innovation, excellence, and collaboration forms the bedrock of our success. This past quarter has been marked by significant milestones, from groundbreaking research to inspiring student-led initiatives and impactful community outreach. The faculty's relentless pursuit of knowledge, paired with our students' passion for learning, has ignited transformative ideas.

In the words of Winston Churchill, "To improve is to change; to be perfect is to change often." By embracing this philosophy, we exemplify adaptability, continuously evolving to meet the challenges of our dynamic environment through innovative teaching, pioneering research, and vibrant extracurricular activities.

In this newsletter, we proudly spotlight the remarkable achievements of our community. From trailblazing research breakthroughs to student-led initiatives that tackle critical societal issues, we have much to celebrate. Whether organizing workshops, spearheading community service projects, or presenting their findings at conferences, our students are actively shaping the world around them.

The invaluable contributions of our staff deserve special recognition. Their steadfast commitment to excellence and innovative spirit has profoundly enriched our academic environment, enhancing the quality of education we provide. Likewise, our students have demonstrated exceptional drive and creativity, making significant impacts through their projects, research initiatives, and community engagement.

As we look forward to the rest of the year, let us remain steadfast in our ambitions, drawing inspiration from our shared successes and the vast potential that lies ahead. Together, we shall continue to excel and shape the future with unwavering determination and passion.

Warmest regards,

Dr. Smita Jadhav

Pro Vice Chancellor

Dr. D Y Patil Vidyapeeth, Pimpri, Pune.

Dr. D. Y. Patil Research and Development Cell

PUBLICATIONS:

- Total publications of the Vidyapeeth by the end of December 2023 has reached up to 4732.
- From July 2023 to December 2023, Vidyapeeth has published 497 publications. The total number of publications for 2023 has now jumped to 968.

Month-wise publications of DPU from July 2023 to December 2023.

Year-wise increase in the number of publications of DPU. (Source: Scopus Database)

Quality Publications:

- There are a total of 31 publications with high-impact factor journals such as The Lancet (1), British Medical Journal (1), The Lancet Global Health (3), The Lancet Regional Health-South East Asia (9), etc.

The high impact factor journals with their impact factors and number of publications by the faculty members for the year 2023.

Journal	IF	Number
Lancet	202.73	1 (Dental)
British Medical Journal	96.21	1 (Medical)
Lancet Infectious Diseases	71.42	1 (Medical)
Lancet Global Health	38.92	3 (2 Dental 1 Medical)
Lancet Hematology	24.7	1 (Medical)
American Journal of Respiratory and Critical Care Medicine	21.4	1
International journal of surgery	15.3	14
Lancet Southeast Asia Regional Health	-	9 (8 Medical and 1 Dental)

Overall publications of DPU in high-impact factor journals with their impact factors

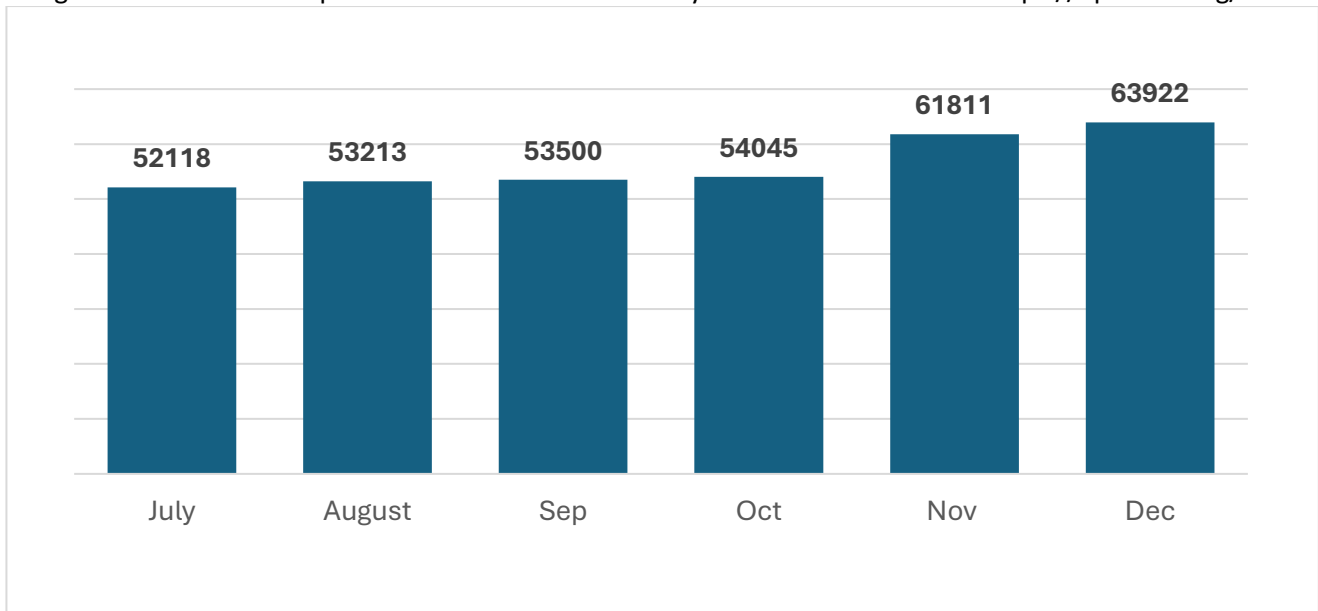

Journal	IF	Overall
Lancet	202.73	27
Lancet Respiratory Medicine	102.64	1
British Medical Journal	96.21	1
Nature Medicine	87.24	1
Lancet Infectious Diseases	71.42	3
Nature	69.50	3
Lancet Global Health	38.92	8
Lancet Oncology	54.53	3
Lancet Neurology	59.93	2
Lancet Gastroenterology and Hepatology	45.04	1
Nature Human Behavior	24.25	1
American Journal of Respiratory and Critical Care Medicine	21.4	1
Lancet Southeast Asia Regional Health	-	10

Books and Book Chapters:

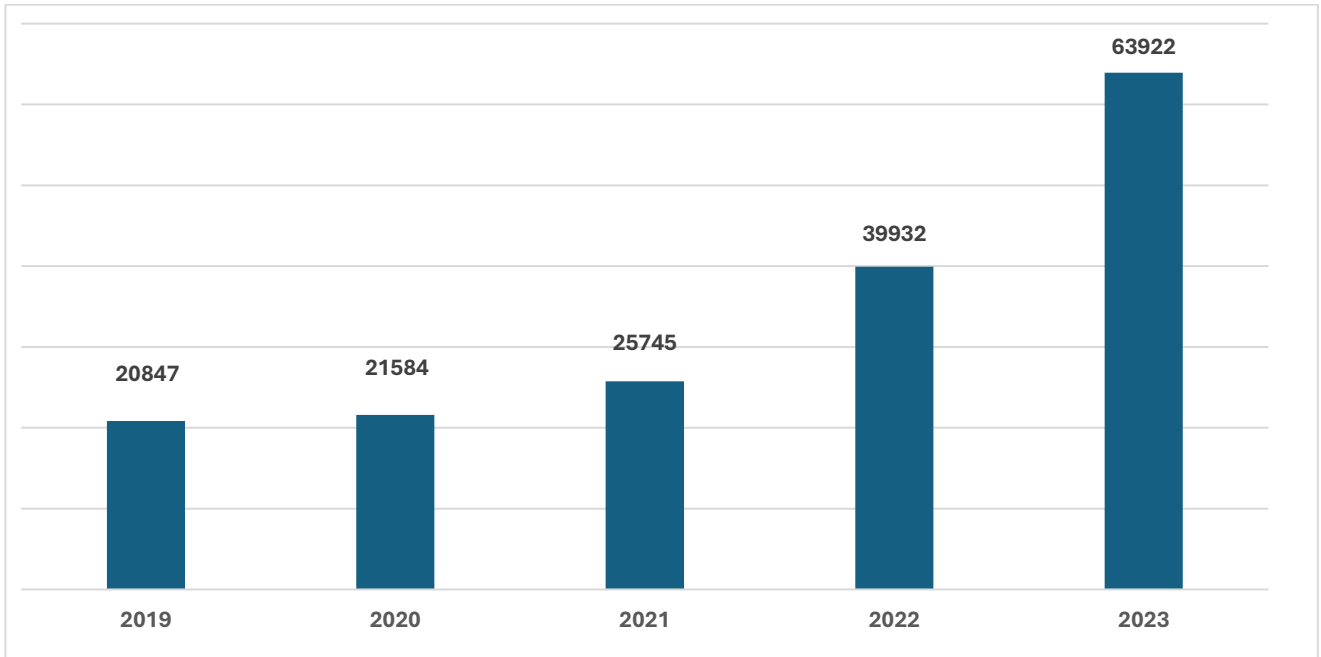

- From July 2023 to December 2023, faculty members have contributed to more than 32 books in the form of book chapters and editors for reputed publishers such as Springer Nature, Elsevier, and WHO. The total number of books for 2023 has now jumped to 57.

Citations index:

- From July 2023 to December 2023, 8,804 new citations were added, making the overall citations of 63,922. This is a testimony to the quality of research publications.
- During the last 6 months the h index of the DPU jumped from 64 to 69 suggesting the consistency and focused approach of the researchers.
- With its establishment in 2003, DPU is one of the youngest universities with the fastest citations and h index growth rate. The DPU profile on IRINS is the testimony of these achievements <https://dpu.irins.org/>

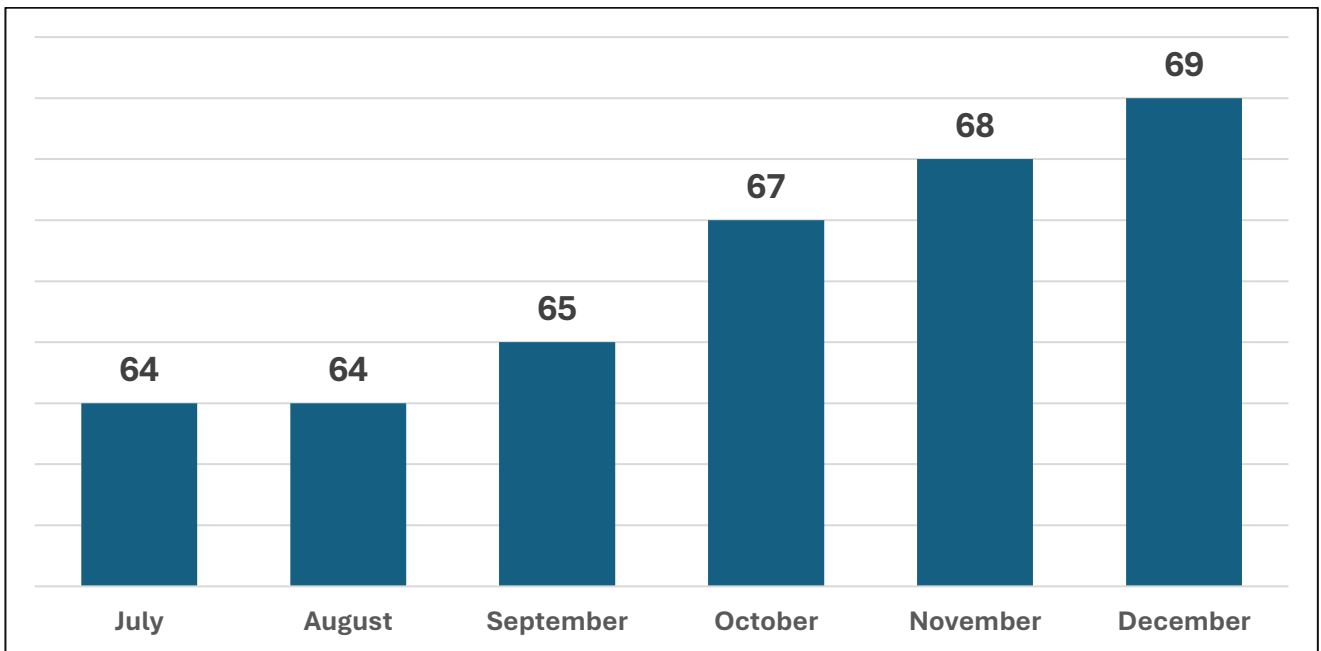

Month-wise citation index of DPU publications from July to December 2023

Year-wise rise in the citation index of DPU publications.

H Index

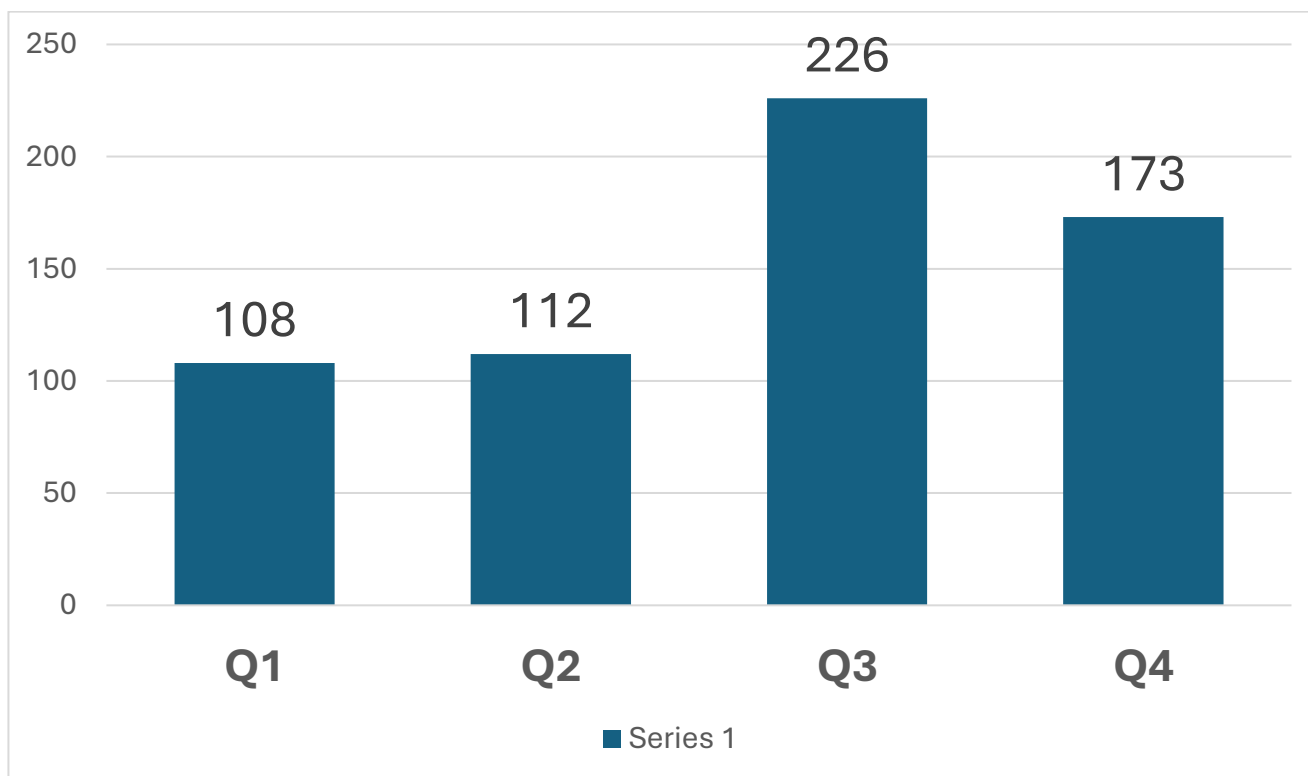

- During the last 6 months the h index of the DPU jumped from 64 to 69 suggesting the consistency and focused approach of the researchers.

Rise of h index of DPU over the period of last six months (July 2023 to December 2023)

Quartile analysis of publications

For the year 2023, DPU has analyzed publications based on quartiles of journals. There were a significant number of publications in the Q1 journals (108) and Q2 journals (112).

Journal Quartile status-wise distribution of the papers for the year 2023.

Overall, the research and development cell of Dr. D. Y. Patil Vidyapeeth has been active and productive in the first half of 2023, and its achievements are a testament to the university's commitment to research and innovation.

4. E-Content
5. Students Enrollment ERP Training Session
6. Process for Leave Application

They also gave guidance regarding the new tabs added to the ERP Software. In the end, few queries of the participants were addressed

• National Education Day Event

Introduction: National Education Day is celebrated on November 11th every year to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first Education Minister of independent India. This day serves as a reminder of the crucial role education plays in the development of a nation. To mark this occasion, a series of engaging activities were organized at the Optometry Institute to celebrate the spirit of education and honour the vision of Maulana Abul Kalam Azad.

Rally: The day commenced with a vibrant rally that brought together students, and teachers. Participants marched through the streets, carrying banners and placards that highlighted the importance of education in shaping a progressive society. The energetic atmosphere was filled with chants and slogans emphasizing the transformative power of knowledge. The rally not only served as a symbolic gesture but also as a powerful means to raise awareness about the significance of education in our community. Rally went on to the nearby slum area and delivered a speech on the significance of the day and distributed pencils to the children who listened to the speech over there.

Poster Competition: Following the rally, a poster competition was organized, providing students with a platform to express their creativity and showcase their understanding of the value of education. The participants unleashed their artistic talents, creating visually stunning posters that depicted the various facets of education, including access, equality, and innovation. The competition not only encouraged artistic expression but also sparked meaningful conversations about the role of education in fostering a more inclusive and knowledgeable society.

Speech Session: The highlight of the event was the speech session, where distinguished speakers shared their insights on the importance of education and its impact on societal progress. Students and teachers took turns expressing their thoughts and experiences, underlining the need for continuous efforts to enhance educational opportunities for all. The speeches emphasized the role of education in shaping not only individual destinies but also the destiny of the nation.

Prize Distribution: To recognize and appreciate the efforts of participants in the poster competition, prizes were distributed to the winners. The competition was judged based on creativity, relevance to the theme, and the overall impact of the message conveyed. The winners received certificates and trophies as tokens of appreciation for their outstanding contributions.

Conclusion: The National Education Day event at Optometry Institute was a resounding success, bringing together the community to celebrate the legacy of Maulana Abul Kalam Azad and reiterate the importance of education in nation-building. The rally, poster competition, and speech session collectively contributed to fostering a sense of unity and commitment towards promoting education as a fundamental right for all. The event concluded with a renewed sense of purpose and dedication to advancing the cause of education in our community and beyond.

- **National Pollution Control Day Celebration :**

Date: 2nd December 2023

Location: Dr. D. Y. Patil Institute of Optometry and Visual Sciences

Introduction: National Pollution Control Day is observed annually on December 2nd to commemorate the tragic incident of the Bhopal Gas Tragedy in 1984 and to raise awareness about the importance of pollution control. This year, our Institute organized a comprehensive event at Dr. D. Y. Patil Institute of Optometry and Visual Sciences to mark the occasion.

Objectives: Educate the students about the causes, effects, and preventive measures of pollution. Promote sustainable development practices for a clean and healthy planet. Inspire individuals and communities to take proactive steps towards pollution control and environmental conservation.

Event Highlights:, Inaugural Session: The event commenced with an inaugural session featuring speeches by environmental experts. She emphasized the significance of pollution control in safeguarding public health and preserving the environment.

Keynote Lecture on Sustainable Development: Ms. Manjusha Behere, Asst. Prof., HOD, Dept of Environmental Sciences, Dr. D. Y. Patil ACS College, Pimpri, Pune delivered a keynote lecture on the theme of "Sustainable Development for a Clean and Healthy Planet." She highlighted the interconnectedness of environmental, social, and economic factors and underscored the need for holistic approaches to development.

Workshop on Bird Feeder Making: Concurrently, a workshop on bird feeder making was conducted in collaboration with local conservation groups. Participants learned how to repurpose recyclable materials to create bird feeders, promoting biodiversity and ecological balance in urban areas.

Conclusion: The National Pollution Control Day event served as a platform for stakeholders to collaborate, learn, and exchange ideas towards building a cleaner and healthier planet. Through a combination of educational sessions, practical workshops, and creative competitions, participants were empowered to become agents of positive change in their communities.

Recommendations: Organize similar awareness events and workshops at the grassroots level to reach a wider audience. Strengthen partnerships between government agencies, NGOs, and corporate entities to implement pollution control initiatives. Incorporate environmental education into school curricula to instill values of sustainability and stewardship from a young age. By fostering a culture of environmental consciousness and collective action, we can strive towards a future where pollution is minimized, and the natural world thrives in harmony with human civilization.

- **National Innovation and Startup Policy: Igniting the Future**

Date: 22nd December 2023 **Introduction:** The lecture on the National Innovation and Startup Policy aimed to enlighten students about the pivotal role innovation and entrepreneurship play in shaping the economic landscape of a nation. Delivered by Mrs. Susmita Banerjee, an IIC coordinator and Innovation Ambassador, the lecture explored key aspects of the policy and its implications for aspiring entrepreneurs and innovators.

Key Takeaways: Policy Overview:

The lecture began with an in-depth overview of the National Innovation and Startup Policy, highlighting its objectives and the government's commitment to fostering a culture of innovation and entrepreneurship. Emphasis was placed on how the policy aims to create a conducive environment for startups to thrive.

Support Mechanisms: Mrs. Susmita Banerjee elaborated on the various support mechanisms provided by the policy, including financial incentives, incubation centres, and mentorship programs. Students gained insights into the specific ways in which the government encourages and supports budding entrepreneurs at different stages of their startup journey.

Research and Development (RandD) Focus: The policy's emphasis on promoting research and development as a cornerstone for innovation was a key focal point. She discussed how the policy encourages collaboration between academic institutions, research organizations, and startups to drive technological advancements.

Funding Opportunities: A significant portion of the lecture was dedicated to understanding the funding opportunities available under the policy. This included government grants, venture capital, and angel investors. Students gained valuable insights into how to access these funding sources and the criteria for eligibility.

Regulatory Reforms: The lecture also shed light on the regulatory reforms introduced by the government to simplify processes for startups. [Speaker's Name] explained how these reforms aim to reduce bureaucratic hurdles, making it easier for startups to navigate legal and regulatory frameworks. **Success Stories:** Real-world success stories of startups that have thrived under the National Innovation and Startup Policy were shared. These case studies served as inspiration for students, showcasing the tangible impact of the policy in fostering innovation and economic growth.

Conclusion: In conclusion, the lecture on the National Innovation and Startup Policy provided students with a comprehensive understanding of the government's initiatives to cultivate a vibrant startup ecosystem. The insights gained from the lecture are expected to empower students to explore entrepreneurial endeavours with confidence, leveraging the support and opportunities provided by the policy. As the nation embarks on a journey of innovation, these informed and inspired students are poised to play a crucial role in shaping the future landscape of entrepreneurship.

Dr. D. Y. Patil School of Design

- Anti-Ragging Awareness Programme: 12th August 2023 :** One important endeavor to create a safe and inclusive atmosphere in educational institutions is the Anti-Ragging Committee. The committee, which is made up of representatives from the faculty, staff, and student body, works hard to stop and deal with instances of ragging to promote an environment where all students are respected and supported. Using awareness campaigns and rigorous adherence to anti-ragging protocols, the committee is instrumental in fostering a constructive and harassment-free environment on campus.

2. **Ek Tareekh, Ek Ghanta: A Nationwide Movement for a Cleaner Tomorrow on October 02, 2023** : "Ek Tareekh, Ek Ghanta" is a remarkable initiative that unites communities across the nation in a collective effort to clean and beautify our beloved country. This event emphasizes the importance of dedicating a mere one hour of our day to tidying up our surroundings, fostering a culture of cleanliness, and contributing to a cleaner and more sustainable India.
3. **Presentation Board" Expert Session by Ms. Huma Ali on October 07, 2023:**The workshop was organized and aimed to enhance the students' knowledge and skills in creating effective presentation boards. Ms. Huma Ali, a renowned expert in the field of visual communication and design, led the workshop. Her extensive experience and expertise in the industry made her an ideal choice to guide the students in developing their presentation board skills. The workshop commenced in the Dr. D. Y. Patil School of Design Auditorium. It was attended by a diverse group of students from various design disciplines, including graphic design, animation, interior design, fashion design, Communication design, product design and more. The participants were eager to learn and explore the art of creating visually captivating and impactful presentation boards.
 
4. **Fluid Painting Workshop" by Ms. Kirti Daryani on October 14, 2023:** The workshop was organized and aimed to introduce the students to the exciting world of fluid painting and its applications in contemporary art and design. Ms. Kirti Daryani, a renowned artist known for her expertise in fluid painting techniques, led the workshop. Her innovative approach to art and her passion for experimenting with colours and textures made her an ideal choice to guide the students in exploring this unique art form. The workshop took place on 15th October at 11.00 AM in the Auditorium of Dr. D. Y. Patil School of Design. It witnessed enthusiastic participation from students across various design disciplines, including fine arts, graphic design, and visual communication. The participants were eager to learn and discover the techniques and possibilities of fluid painting.
5. **"Tie and Dye Techniques" by Ms. Kirti Daryani on 28th October 2023:** With each brushstroke a new path of creativity is nurtured. On the Palette of Souls, students of D. Y Patil School of Design poured their creativity into each design they envisioned. With each colour they used, their hearts were synchronized with "The God of Art APOLLO". Euphony of Colors:Under the wise guidance of seasoned artist Mrs Kirti Daryani, an expert on "Tie and Dye" techniques, students dipped their brushes into their colour of imagination and painted their creativity into reality.
6. **"Basics of Photography" by Mr. Bhavesh Patil on 4th November 2023:** Mr. Bhavesh Patil, Assistant Professor Animation and Multimedia organized a workshop on 'Basics of Photography' to the 1st Year B.Des. students on 4th November 2023. During the workshop, he explained various types of cameras and their features, modes, and infinite amount of ways to take pictures.
7. **"A workshop on 'Exploring the impact of colors in Industry' " by Mr. Debarata Pal on 25th November 2023:** A workshop on 'Exploring the impact of colors in Industry' was organized for the 1st year B. Des. and BAAC students on 25th November 2023. The resource person was Mr. Debarata Pal who is a renowned Visual StoryTeller and an Industry Professional.
8. **A workshop on 'Innovation, Incubation and Entrepreneurship' at 10.30 am by Ar. Nilesh Rahate On 2nd December 2023** : A Master class on 'Innovation, Incubation and Entrepreneurship' was organized by Ar. Nikhil Raut, Head - Department of Interior Design, on 2nd December 2023 at 1.30 pm. The resource person was the Ar. Nilesh Rahate, Founder - Cube Design. The program was organized for 1st and 2nd year B.Des. Foundation Programme students.

9. **A workshop on 'Advanced 2D Animation' by Mr. Nilesh Udmale on 7th and 8th December 2023:** A two days workshop on "Advanced 2D Animation" was organized by Mrs. Smriti Jadhav, Assistant Professor - Department of Animation and multimedia on 7th and 8th December 2023. The resource person was Mr. Nilesh Udmale. The participants were 2nd year B.Sc. (GAV) and BAAC (GAV) students.
10. **Sexual Harassment at Workplace Prevention Week' on 9th December 2023:** The Internal Complaint Committee at the Institute level organized a program during 'Sexual Harassment at Workplace Prevention Week'. The program was organized on 9th December 2023. A pledge on POSH was taken by all the male students and staff. The program aims to ensure strict compliance with each of the provisions of the POSH Act and the spirit of creating a safe and congenial working environment for working women and female students.
11. **"Viksit Bharat@2047: Voice of Youth Consultation" by Hon'ble Prime Minister Shri. Narendra Modi on 11th December 2023 :**The live address "Viksit Bharat@2047: Voice of Youth Consultation" by our Hon'ble Prime Minister Shri. Narendra Modi Ji has been broadcasted on 11th December 2023 at 10.30 am. The impact of our Hon'ble Prime Minister's address was known immediately after his speech from the spontaneous and long-lasting claps of all in general and young students in particular.
12. **'Bharatiya Bhasha Sammelan Celebration' on 11th December 2023 :** Mr. Rizwan Khan, Assistant Professor from Department of Communication organized a full day event on 'Bharatiya Bhasha Utsav'. Our students showcased the rich tapestry of linguistic diversity in India through a captivating presentation. The event served as a platform for the young talents to express their creativity and linguistic prowess. With vibrant performances, eloquent speeches, and thought-provoking presentations, the students celebrated the cultural heritage embedded in various languages of the country. The event not only highlighted the linguistic diversity but also emphasized the importance of preserving and promoting India's myriad languages. The students' enthusiasm and passion for languages were palpable, creating an atmosphere of unity in diversity.
13. **A workshop on 'Mastering the Art of Sculpting' by Mr. Vikash Kamble on 12th December 2023 :** Mr. Sandip Bhokare, Assistant Professor from Department of Animation and Multimedia arranged for a one-day workshop on 'Mastering The Art Of Sculpting' on 12th December 2023. The workshop has been arranged for 1st and 2nd year B.Sc. (GAV) and BAAC (GAV) students. The students learnt how to make variety of pre animation models from clay.
14. **"BRDS Promotional Event for "School of Design" in Patna on 27th December 2023:** Mr. Bhavesh Patil, Assistant Professor - Department of Animation and multimedia was honoured to participate as a Panelist representing Dr. D. Y. Patil School of Design in a thought-provoking discussion titled "Design Software and VFX Technology" as well as imparted knowledge about the application "Artificial Intelligence (AI)." The event brought together experts and professionals from diverse backgrounds to share insights, perspectives, and strategies for addressing key challenges and opportunities in the Design Industry. Mr. Bhavesh Patil accompanied the Marketing Team of DPU SOD at BRDS Promotional Event held at Patna on 27th December 2023. He interacted with the students and clarified their queries about the Design Industry.
15. **'Viksit Bharat @2047' on 29th December 2023 :** An awareness session was conducted by Mr. Rizwan Khan and Mr. Kushal Patil among the students on 29th December 2023. The prime aim was the proactive involvement of students in 'Viksit Bharat@2047' through online enrollment and sharing their ideas / views / opinions.

Dr. D. Y. Patil School of Science and Technology

- FDP on "Research Resources, Journal Selection and Research Productivity" on 07th October 2023.
- Seminar on International Summer Internship Programme-Research/Project Based Learning on 10th October 2023.
- Seminar on "Professional Development and Networking through IEEE" on 13th October 2023.

- Internal Smart India Hackathon 2023 on 21st September 2023.

University Centre for Professional Education and Faculty Development

Workshop on Fundamentals of Teaching-Learning in Health Professions Education No. of Participants trained: 22
A Workshop on Fundamentals of Teaching-Learning in Health Professions Education was organised by the University Centre for Professional Education and Faculty Development from 19th to 21st July 2023 for faculty from constituent colleges of DPU. 22 participants from the constituent units of the Vidyapeeth participated in the training programme. Dr. Mrunal Ketkar: Professor, Bharati Vidyapeeth Medical College, Pune was the external resource faculty for the workshop. Dr. Gaurang Baxi, Additional Director, UCPE and FD, along with other faculty from constituent units also contributed towards the programme. The workshop had multiple sessions on learning principles, curriculum, and interactive teaching-learning methods. To facilitate the online teaching skills of the participants, dedicated sessions on how to use IT and interactive online tools, as well as how to develop a lesson plan for blended learning were specially included as part of the workshop schedule

Workshop participants and Resource Faculty along with Hon'ble Vice-Chancellor

Felicitations of Resource Faculty Dr. Mrunal Ketkar

Workshop on Fundamentals of Assessment in Health Professions Education No. of Participants trained: 22
A Workshop on Fundamentals of Assessment in Health Professions Education was organised by the University Centre for Professional Education and Faculty Development on 24th and 25th July 2023 for faculty from constituent colleges of DPU. 22 participants from the constituent units of the Vidyapeeth participated in the training programme. The workshop was conducted at the Dr. D. Y. Patil College of Physiotherapy, Pune. Dr. Gaurang Baxi, Additional Director, UCPE and FD, along with Dr. Pramila Menon and Dr. S. Kathpalia from Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pune and Dr. Amita Aditya from Dr. D. Y. Patil Dental College, Hospital and Research Centre, Pune were the resource faculty. **Newer Assessment Methods: OSCE and Workplace Based Assessment**
No. of Participants trained: 44
A Workshop on **Newer Assessment Methods: OSCE and Workplace Based Assessment** was organised by the University Centre for Professional Education and Faculty Development on 3rd November 2023 for faculty from constituent colleges of DPU. 44 participants from the constituent units of the Vidyapeeth participated in the training programme. The workshop was conducted at the Medical Education Unit hall of Dr. D. Y. Patil Medical College, Hospital and Research Centre. Dr. Gaurang Baxi,

Additional Director, UCPE and FD, along with Dr. Pramila Menon, Dr. Pallavi Bajpayee, Dr. Rashmi Rajashekhar and Dr. Shilpa Kshirsagar from Dr. D. Y. Patil Medical College was the resource faculty. The workshop aimed to familiarize medical and health sciences teachers with the Objective Structured Clinical Examination (OSCE) format, its implementation, and its role in assessing students' clinical skills. Through hands-on activities and live OSCE stations, participants got a comprehensive understanding of OSCE and equipped them with practical skills for designing and implementing effective assessment strategies. Participants left with valuable insights and resources to enhance their teaching practices and improve student learning outcomes. (1. Participants and Faculty of OSCE Workshop) (2. OSCE Station Role Plays by Participants)

Global (National and International) Visits

Dr. D. Y. Patil Medical College, Hospital and Research Centre

- **Department of Physiology**

Dr. M. S. Karandikar undertook an international visit for research in Sydney, Australia, from 25th November 2023 to 9th December 2023. Dr. Mahesh Karandikar, Professor of Physiology at Dr. D. Y. Patil Medical College, Pimpri, Pune, was appointed as an Honorary Visiting Fellow at the School of Medicine at Western Sydney University starting November 2023 for 1 year. He conducted collaborative research with Prof. Anandwardhan Hardikar on "Identifying early biomarkers of future health."

- **Department of Community Medicine**

1. Dr. R. Praveen Kumar and Dr. Ram Prakash B U from Medical College attended the International Qualitative Research Conference, IQRC 2023 at Doubletree Hilton, Putrajaya, Kuala Lumpur, Malaysia from 23rd to 25th November 2023.

- **Department of Ophthalmology**

1. Dr. Tushar Agarwal (JR – III) attended the International 41st Congress of The ESCRS Conference Program in Ophthalmology at VIENNA, Austria, from 8th to 12th September 2023. He participated and presented a poster at the 41st ongress of The ESCRS Conference Program in Ophthalmology
2. Dr. Apurva Prabhudesai (JR – III) attended the International APVRS Congress Conference Program at Hong Kong, from 8th to 10th December 2023 Actively participated in the APVRS Congress Conference Program

- **Department of Anaesthesiology**

1. Dr. (Brig.) Vipul Sharma, Professor Participated in an International Charitable mission 'NABADAT' to treat Congenital Heart Disease in Tajikistan and Egypt and was Invited to Mohammed Bin Rashid Al Maktoum Humanitarian and Charity Establishment and Dubai Health Authority, under the auspices of the king of Dubai, Conducts Charitable mission to various underdeveloped nations across the globe. The charitable mission is called "Nabadat" which means heartbeat. In recognition of the exposure in the field of Pediatric Cardiac Anaesthesia, Dr. (Brig.) Vipul Sharma, Professor of Cardiac Anaesthesia, Department of Anaesthesia Dr. D. Y. Patil Medical College, Pimpri Pune was invited to a "Nabadat" mission to treat children suffering from congenital Heart disease at the city of Moukchott Mauritania. Dr. (Brig.) Vipul Sharma has participated in five such missions at Tajikistan and Egypt. Members of the team were from Dubai, Saudi Arabia and Egypt. A total of forty children were separated for over 7 days who were suffering from complex congenital heart surgery. Efforts of the mission were immensely appreciated by the president of Mauritania & Govt. of Dubai.

- **Department of General Medicine**

1. Dr. Madhulika Mahashabde participated in Amanora Fem Club, Pune 20th July 2023 to 24th July 2023.
2. Dr. Ajinkya Devadkar, Dr. Vutukuru Kalyan Reddy, Dr. Mahabir Mishra, Dr. Mohith Kondapalli participated in MAPCON 2023 at Hotel Centre Point, Nagpur 2nd and 5th November 2023
3. Dr. Devansh Khandol participated in Quiz 2023-24 organized by the All India Institute of Medical Sciences (AIIMS) network across India at Delhi on 19th November 2023.
4. Dr. Yash Bhimani participated in Quiz 2023-24 organized by the All India Institute of Medical Sciences (AIIMS) network across India at Delhi on 19th November 2023.
5. Dr. Subhasini Vadival participated in Quiz 2023-24 organized by the All India Institute of Medical Sciences (AIIMS) network across India at Delhi on 19th November 2023.
6. Dr. Sheetal Nandha K, Dr. Yekkaluru Sreevidya, Dr. Kunal Modi, Dr. Sonali Agarwal, Dr. Janani participated in GSI conference at Mangalore from 15th to 17th December 2023

- **Department of Paediatrics**

1. Dr. Shailaja Mane Professor and Head represented our institute at an Oral Paper on "Study of stem Cells in transition of Lactation" in the 7th International Congress of the European Milk Bank Association (EMBA). It was organized at the University Hospital Madrid, Spain on 26th October 2023.

- **Department of Emergency Medicine**

1. "On 26th August 2023 Jonathan Jones, President of the American Academy of Emergency Medicine (AAEM), visited us as an international guest to EM INDIA 2023 and remarked, 'Your Emergency Department is tremendous and incredibly maintained. You should be proud.
2. "On 26th August 2023, Dr. Sanjeev Bhoi, Vice-President of The ACEE WHO Collaborating Centre for EM and Trauma and Professor at AIIMS, New Delhi, visited EM INDIA 2023 and remarked, 'I have visited the department, it has an excellent team and processes. I wish the team to take it to the next level in emergency care with care, compassion, and commitment to acute care.
3. "On 26th August 2023, Dr. Vimal Pillai from Karnataka, KMC, India, visited EM INDIA 2023 and commented, 'Excellence is a habit! It is with great pleasure that I write about the Department of Emergency Medicine at DPU Pune. The vision, passionate mentorship of the HOD, and the faculty from EM are a testament to the remarkable scenes I witnessed on the ED floor. Keep inspiring and shining like a beacon.

- 4 "On 26th August 2023, Dr. Krishan Kumar, Program Lead NPPMTandBI and Deputy to the Director General of Health Services, MOH and FW, Government of India, visited EM INDIA 2023 and remarked, 'This department has a bright future. I can see the motivated faculty and the very enthusiastic postgraduates. I wish all of you the very best.'
 - 5 On 26th August 2023, Dr. Moji Joni, Director of TRIHMS Medical College and Hospital, Arunachal Pradesh, visited EM INDIA 2023 and stated, 'This is an excellent institution in every aspect. The model emergency department is truly worth emulating.'
 - 6 On 26th August 2023, Dr. Praveen Aggarwal, Vice-President of the ACEE and Professor and Head at AIIMS India, visited the department during EM INDIA 2023 and observed, 'The Emergency Department is well-equipped, and the patient load is substantial.'
 - 7 "On 26th August 2023, Dr. Chandni R., HOD of Emergency Medicine Government Medical College, Kozhikode, Kerala, visited EM INDIA 2023 and was impressed with the facility, academic programs, and research output."
 - 8 "During EM INDIA 2023, Dr. Prasad Rajhans, Chief Intensivist of Deenanath Mangeshkar Hospital, Pune, noted that the Emergency Department is well-designed and managed effectively under the leadership of the competent HOD, Dr. Varsha Shinde. He emphasized that a good ED is essential for every hospital and wished the team all the best in managing each patient well and saving more lives."
 - 9 "During EM INDIA 2023, Dr. Shreyas Patel, HOD of Emergency Medicine PIMSR, Parul University, Baroda, Gujarat, praised the Emergency Department, highlighting it as state-of-the-art with well-planned infrastructure and adequate human resources. He also noted its cleanliness, stating that it is truly impressive."
 - 10 During EM INDIA 2023, Dr. K. Ananthnag from Sankalp Super Specialty Hospital, Tirupati, described the 40-bedded Emergency Room as massive with a good layout, being spacious, clean, and tidy. He noted that the beds are well-spaced, the equipment appears adequate, and the processes and operations seem streamlined. He encouraged the team to 'keep it up.'
 - 11 "On 26th August 2023, Dr. Sagar Galwankar from the United States visited EM INDIA 2023 and praised DYP for creating a fantastic Emergency Medicine Department. He noted that this could serve as the foundation for establishing a world-class trauma, cardiac, and stroke center, emphasizing that the department is crucial for good patient care in the hospital. He extended his congratulations to the DPU team."
 - 12 "On 26th August 2023, Dr. Sandeep Sahu from SGPGIMS, India, visited EM INDIA 2023 and expressed his appreciation for the Emergency Medicine Department at DYPMC, Pune. He noted that it is one of the best in terms of clinical services, teaching, training, and research in comparison to other institutions in India and is comparable to those in the developed world. He wished the team all the best for further advancements in clinical pathways in Emergency Medicine and Trauma."
- **Department of Dermatology**
 - 1 Dr. Aayush Gupta participated in the International 25th World Congress of Dermatology Conference at Singapore from 3rd to 8th July 2023.
 - 2 Dr. Nishtha Malik participated in the International 25th World Congress of Dermatology Conference at Singapore from 3rd to 8th July 2023.

- 3 Dr. Priya Garg participated in the International 25th World Congress of Dermatology Conference at Singapore from 3rd to 8th July 2023.
 - 4 Dr. Shrishti Singh participated in the International 25th World Congress of Dermatology Conference at Singapore from 3rd to 8th July 2023.
 - 5 Dr. Sarthak Bansal participated in the International 25th World Congress of Dermatology Conference at Singapore from 3rd to 8th July 2023.
 - 6 Dr. Reshma Gupte participated in the International 25th World Congress of Dermatology Conference at Singapore from 3rd to 8th July 2023.
 - 7 Dr. Priyanma Kumari participated in the International 25th World Congress of Dermatology Conference at Singapore from 3rd to 8th July 2023.
 - 8 Dr. Rohan Manoj from Medical College attended the 32nd Congress of the European academic of Dermatology, Venereology and Leprosy and Venereology, at Berlin, Germany from 11th to 14th October 2023.
- **Department of Critical Care Medicine**
On 8th September 2023 Dr. Prashant Sakhavalkar was attended the conference of Faculty in World Critical Care and Anesthesia 2023 at Singapore.

Dr. D. Y. Patil Dental College and Hospital

1. Dr. D Gopalakrishnan, Dean, Prof. and HoD (Periodontology) was invited to attend the International Society of Periodontal Plastic Surgeons at the 35th ISPPS meeting held in Austin, USA in November 2023. In addition, Dr. Gopalakrishnan also made a poster presentation at the 109th American Academy of Periodontology Annual Meeting in Austin, USA in November 2023.
2. International Society of Periodontal Plastic Surgeons at the 35th ISPPS Meeting held at Austin, USA in November 2023. Orthodontics-
3. International Paper Presentation at the 16th WMIA Congress, Daegu, South Korea on 15th- 16th October 2023 by Dr. Rajaganesh Gautam on "Strategies in complex cases - Exploring possibilities with TADs."

Orthodontics-Dr. Jayesh Rahalkar taking over as the President of the Indian Orthodontic Society for the year 2023-24 -

- The Indian Orthodontic Society, the first Speciality organisation of Dentistry in India, started as a Study Group in Bombay, now Mumbai, in 1963. It was formally established as the Indian Orthodontic Society on Friday the 5th October 1965 by seven founder members. Orthodontics is a specialized branch of dentistry that focuses on diagnosing, preventing, and correcting dental and facial irregularities, primarily concerning the alignment of teeth and jaws. The Indian Orthodontic Society serves several key purposes: Professional Development, Education and Training, Patient Care, Research and Innovation and Public Awareness. Dr. Jayesh Rahalkar, Professor at the Department of Orthodontics and Dentofacial Orthopaedics Dr. D. Y. Patil, Dental College and Hospital, Pimpri Pune took over as the President of the Indian Orthodontic Society for the year 2023-24 at 57th Indian Orthodontic Conference held at Meerut from 15th September 2023 to 17th September 2023. The Program started with the jewels of the newly elected President Dr. Jayesh Rahalkar followed by his address at the Valedictory function. The program commenced with an innovative tradition of taking the Pledge by the Principal Office Bearers and Executive Committee Members to heighten the sanctity of the installation. The program concluded with the National Anthem. (Photograph - IOS President Dr. Jayesh Rahalkar at Indian Orthodontic Conference, Meerut)

J Rajaganesh Gautam is taking over as the Chairman of the Indian Board of Orthodontics for the years 2023-24 -

- The Indian Board of Orthodontics (IBO) is a certifying board in India that assesses and recognizes orthodontists who have achieved a high level of clinical and academic excellence in the field of orthodontics. It is an independent and autonomous body that evaluates and certifies orthodontists based on established standards and criteria. The primary objectives of the Indian Board of Orthodontics include Certification,

Standardization, Continuous Education and Public Confidence. Certification by the Indian Board of Orthodontics typically involves a rigorous evaluation process that includes written and clinical examinations. Orthodontists who complete this process are granted Diplomate status and are recognized as Board Certified Orthodontists. Dr. J Rajaganesh Gautam, Professor and Head of Department of Orthodontics and Dentofacial Orthopaedics Dr. D. Y. Patil, Dental College and Hospital, Pimpri Pune took over as the Chairman of the Indian Board of Orthodontics for the year 2023-24 at IBO Convocation held at 57th Indian Orthodontic Conference held at Meerut on 15th September 2023. The Convocation ceremony was presided over by the Imm. Past Chairman Dr. Ashwin Mathew George. The chief guest for the function was Dr. Lee Graber. The orthodontists who cleared the Phase III examination of IBO were conferred the Degrees of Diplomates of the Indian Board of Orthodontics. The newly anointed Chairman of IBO – Dr. J. Rajaganesh Gautam, motivating the young budding orthodontists for IBO certification.

Dr. D. Y. Patil College of Nursing

- **NORD University Student Exchange Programme, 02nd November 2023 to 18th December 2023** - Three students from Department of Nursing and Health science, NORD University, Norway. Visited Dr. D. Y. Patil College of Nursing and hospital Pimpri, Pune-18 on 02nd November 2023 from 10.00 am onwards. Dr. Sadhana Adhyapak and Dr. Kavita Kelkar faculty had given orientation about nursing and hospital. From 07/11/2023 to 18/12/2023 students were posted as per their clinical rotation in various area such as Maternity Unit, Pediatric Unit, IVF Centre. During this posting student as attended international workshop on challenges and opportunity for sustainable geriatric health and conducted health camp at Savli Nivara Kendra, old age Home.
- **Visit by Australia Tasmania University, 04th to 05th December 2023** - On 04th December 2023, 15 Nursing students of Tasmania university Australia visited Dr. D. Y. Patil College of Nursing, Pimpri and Hospital along with 2 faculty, Dr. Khurshid Jamadar Principal and Dr. Kavita Kelkar Asso. Professor, had given brief orientation about nursing college and hospital, students visited areas in hospital such as Milk Bank, IVF Centre, ICU, Central Library, Simulation Lab. On 05th December 2023 student had conducted health camp at Savli Nivara Kendra old age home, Pimpri, total 65 old age people examined by them.
- **UNICEF Internship Program, Dated on: 31st August 2023 to 06th October 2023** - College of Nursing had collaboration with IEC bureau, Pune region for SBC (Social Behavior Change) UNICEF Maharashtra branch, Internship program. Total 38 students were enrolling from M.Sc Program along with 3 Teacher. Duration was 6 week. Activity – To conduct Sanitization and awareness program related to Anemia and Mental Health among community people and school children. Students conducted individually 2 sessions in community and in school setup and uploaded photo on SBC facebook page.

Dr. D. Y. Patil College of Physiotherapy

- Guest Lecture on Career Advancement in Physiotherapy was conducted on 31st July, 2023.
- Institution Innovation cell conducted a Guest Lecture on "Entrepreneurship and Skill building" by Dr. Prasanna Pathak, MSc. Sports Physiotherapy, MSST (UK) on 8th November, 2023.
- A Guest Lecture on the "Basics in Chiropractic" by Mr. Aurilian Dumitru, Faculty, Ackermann College, Stockholm, Sweden was organized on 14th October, 2023 for the faculties and students.

Dr. D. Y. Patil Institute of Optometry and Visual Science

- **Rose-K Hands-on Workshop :**

The Rose K Lenses Hands-on workshop was held at Dr. D Y Patil Institute of Optometry and Visual Sciences on **28th July 2023**. It was an insightful and informative event. The Guest Speaker was Mr. Mahadev Shegunashi, a representative of Menicon India, and the Vice Principal of PBMA's H. V. Desai College of Optometry. The Workshop began at 10:00 am with introductory lectures on Rose K lenses.

The workshop was designed to give participants an in-depth understanding of the Rose K Lenses, their fitting principles, and how to assess patients for suitability. Different Types of Rose K2 Contact Lenses with different base curves, diameters, and refractive power of the eye were introduced to the students.

1. Irregular Corneal Lens 2. Post Graph lenses 3. Keratoconus 4. Rose K2 5. Rose NC Lens

Attendees were treated to an excellent demonstration of fitting principles, and assessment and provided detailed explanations and hands-on guidance.

Students were also given the opportunity to practice fitting the lenses themselves, with the guidance of the instructor which was held in Contact Lens Clinic 1 and 2 in Dr. D. Y. Patil Institute of Optometry and Visual Sciences. This hands-on experience was invaluable, allowing participants to apply the knowledge they had gained in a real-world setting.

Overall, the Rose K Lenses Hands-on workshop was a highly informative and engaging event, providing students with the knowledge and skills necessary to effectively fit and assess patients for these lenses. The workshop concluded with felicitation of Mahadev. Sir's expertise and guidance made the workshop informative and engaging.

- **Low Vision Orientation Program -**

On **3rd August 2023 Thursday**, Dr. D. Y. Patil Institute of Optometry and Visual Sciences, organized a special lecture on the "**Low Vision Orientation Program**" by Optom. **Apoorva Shitole** in the institute. She is one of the core team members of Dr. Gogate's Eye clinic.

The lecture was attended by B. Optom and M. Optom students. She delivered information about patients with low vision, what defines them, and the challenges faced by them. She also highlighted the spectrum of low vision care and management.

All the students were introduced to all the low-vision devices available and advancements in technology to help these patients in recent years.

In the session rehabilitation procedures of low vision patients were described, and how to improve their daily day-to-day activities by making small changes and giving attention to details.

Various low-vision optical devices like hand magnifiers, telescopes, spectacle magnifiers, stand magnifiers, digital video magnifiers, etc. were demonstrated. The session also highlighted the fact about how mobile phones can be one of the easiest to use and beneficial devices for low vision patients. A simple mobile phone can be turned into a low-vision device by using the camera of the phone as a magnifier, and talk-to-speech features, and they further the software that can be used for low-vision patient rehabilitation.

The lecture concluded by describing the role an optometrist plays and their importance in low-vision rehabilitation centers all over India in conducting low vision rehabilitation programs. Optom Apoorva was felicitated by Dr. Neeta Mishra and Dr. Veshal Madan for the impressive session.

- **What After B. OPTOM and M. OPTOM' Get Unstuck – Take A Step Towards Career Enlightenment -**

On the 4th of August 2023, an alumni guest lecture was organized by Dr. D. Y. Patil Institute of Optometry and Visual Sciences. Guest lecturer, **Dr. Kiran Kumar Gulve** {M. Optom, FSCEM, M.Sc. Psy (Ph.D.), Orthoptist and Vision Therapist, Keratoconus Specialist, Child Psychologist; Director of Ashoka Rehab Pvt. Ltd.} was invited for the lecture on 4th August 2023.

He shared with us information about career opportunities after the Bachelor of Optometry and other related marketing, business, and management aspects. It started at 11 am in lecture hall number 2 of Dr. D. Y. Patil Institute of Optometry and Visual Sciences for 2nd year, 3rd year Bachelor of Optometry, and Master students.

Future job prospects in the field of optometry were introduced to the students as follows:

- 1) Optical Shops
- 2) Hospital Services
- 3) Rehabilitation Centers
- 4) Clinic Set-up
- 5) Vision therapy
- 6) Orthoptist
- 7) Diagnostic Centers.

Overall, the program has served as a steppingstone toward career enlightenment for the students, thanks to the valuable knowledge shared by Dr. Kiran Gulve. Dr. Neeta Mishra in the presence of all the faculties, felicitated him at the conclusion of the program.

Dr. D. Y Patil School of Design

- **Expert Session by inviting Mr. Giuseppe Abela from NABA, Italy on 10th August 2023**

The Italian Academy of Fine Arts - NABA extended an Invitation to Dr. D. Y. Patil School of Design, Department of Fashion Design for the Art, Fashion, and Design Seminar/Workshop in association with ENVISION, India. Dr. Kumar V., Director, Dr. D. Y. Patil School of Design welcomed Mr. Giuseppe Abela from NABA, Italy, and other guests. Mr. Giuseppe Abela conducted a session about portfolio preparation.

- **“The Concept of Design” Expert Session by Mr. Rechab Londhe, 30th September 2023**

The seminar covered a comprehensive range of topics related to design principles and elements, which are fundamental in various design disciplines.

The session was conducted by Mr. Rechab Londhe who is an experienced professional and an educator who shared valuable insights and practical knowledge.

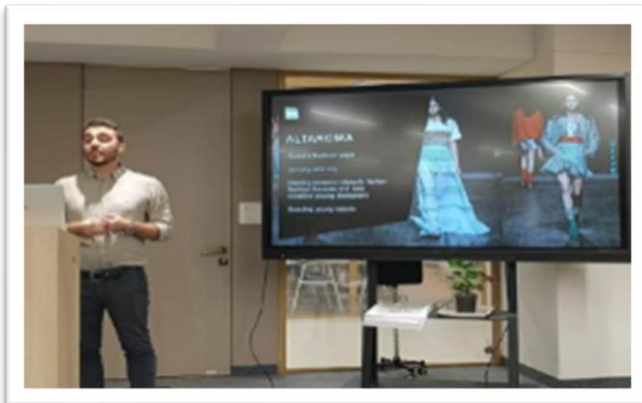

The workshop encompassed discussions on the significance of design elements such as lines, shapes, colors, texture, space, and form, as well as the application of design principles like balance, contrast, unity, proportion, emphasis, and rhythm.

- **A workshop on ‘Know and Rewire Your Brain’ at 1.30pm by Mr. Narendra Barhate on 2nd December 2023**

A Master class on ‘Know and Rewire Your Brain’ was organized by Mr. Kushal Patil, Assistant Professor Fashion Design, On 2nd December 2023 at 10.00 am.

The resource person was Mr. Narendra Barhate who is the founder of Seed InfoTech.

The participants were 1st and 2nd year B.Des. And B.AAC. students

Courses / Specialization

Dr. D. Y. Patil Medical College and Hospital

Sr. No.	Level	Name of the Course added
1	Other - 2	
	Anatomy	Value added course-Body Donation and Embalming
	Gen. Medicine	Value added course POCUS
2	Fellowship Course - 5	
	Gen. Surgery	Fellowship in Diabetic Foot Surgery
	Paediatrics	Fellowship in Pediatric Cardiology
		Fellowship in Pediatric Endocrinology
	Surgical Oncology	Head and neck Oncology
Orthopaedics	Fellowship in Arthroplasty	
3	Certificate Course – 2	
	Paediatrics	Paediatric Emergency Management
	Orthopaedics	Certificate Course in Arthroplasty

Any other information related to Activities / Achievement of the College / Institute

Dr. D. Y. Patil Medical College and Hospital

Participation of faculty in the conferences/seminars/workshops, etc.

A) Department of Anatomy -

- Dr. Pallavi Bajpayee ,Asso. Professor, Department of Anatomy ,Received Award for the Research and Academics Excellence in '**Anatomy, Medicine**' from ASIA RESEARCH AWARDS at the Asia's Science, Technology and Research Awards Congress 2023 ,on 1st July 2023 at Tiruchirapally, Tamilnadu.
- Dr. Preeti Sonje, Professor and Head, Department of Anatomy, has attended "Fetal Autopsy, Hands on Workshop "Organized by Department of Anatomy, Mamata Academy of Medical Sciences, Bachupally, Hyderabad, held on 6th July 2023.
- Dr. Amol Shinde , Professor, Department of Anatomy, has been received 2 MMC Credit Points for participation as delegate in online conference in PITUITARY SYMPOSIUM organized by IMA Nashik on 23rd July 2023.
- Dr. Preeti Sonje, Professor and Head, Department of Anatomy, has attended National CME "Abdominal Wall: The Flat Fortress "Organized by Department of Anatomy, AIIMS, Kalyani, West Bengal held on 28th July 2023.

- Dr. Amol Shinde , Professor, Department of Anatomy, has attended Hybrid Conference in MAHAMONEYCON 2023 as delegate, Organized by IMA Nashik on 29th and 30th July 2023.
- Dr. Amol Shinde , Professor, Department of Anatomy, has attended Virtual International Webinar “ Erase - 2023” on the theme “ Educational Research in Anatomical Sciences Education” organized by Department of Anatomy , Sri Ramachandra Medical College and Research Institute , Chennai held on 3rd August 2023.
- Following staff members from department of Anatomy, have attended SEOCON 2023 International Conference, on 1st to 3rd September 2023, was organized by Department of ENT at Dr. D. Y. Patil Medical College, Pimpri, Pune.

Dr. Preeti Sonje- Professor and Head

Dr. Neelesh Kanaskar-Professor.

- Dr. Neelesh Kanasker, Professor, Department of Anatomy, Certificate of Excellence in Peer-Reviewing Award to “in recognition of an outstanding contribution to the quality of the book” on 11th September at West Bengal.
- Dr. Amol Shinde, Professor, Department of Anatomy, participated in the NJCA Cover Page Competition on the World Anatomy Day 2023 Program on the Theme “Biomedical Visualisation” held on 15th October 2023.
- Dr. Neelesh Kanasker, Professor, Department of Anatomy, Participated in the NJCA International Webinar on the World Anatomy Day 2023 the Theme “Biomedical Visualisation” held on 15th October 2023.
- Dr. Pallavi Bajpayee, Associate Professor, Department of Anatomy has attended as delegate in National Hybrid CME on Clinical Embryology “TUBE TO WOMB” conducted by the Department of Anatomy, Government Kilpauk Medical College, Chennai on 17th October 2023.
- Dr. Pallavi Bajpayee, Asso. Professor, Department of Anatomy, has attended and presented a poster on the topic Titled “Robertsonian Translocation offspring of a balanced translocation carrier parent an unfortunate scenario A case study” in Anatomical Society 70th National Conference, Tomo Riba Institute of Health and Medical Sciences in NATCON-70 at TRIHMS, Naharlagun (Arunachal Pradesh) held from 29th November to 2nd December 2023.
- Dr. Amol Shinde, Professor, Department of Anatomy has attended 4th International E -Conference on “Beyond Boundaries: Exploring Excellence in Basic Medical Sciences” and participated as a Judge for Oral Presentation for Faculty Category and delegate in BMSseCON 2023, organized by the Departments of Anatomy, Biochemistry, Physiology and Center for Biomedical Research, AVMCH, Puducherry, India held from 13th to 15th December, 2023.

B) Department of Physiology

1) Conference / Seminar / Workshop/CME attended by Faculty:

- On 18th July 2023, Professors Dr. M. S. Karandikar, Dr. R. S. Sood, Dr. N. U. Prasad, Dr. S. T. Methre, Associate Professors Dr. B. N. Pande, and Dr. N. N. Sirdesai attended a one-day development workshop titled “What do Editors Look for in a Manuscript” as delegates. The workshop was conducted by Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University), and Dr. D. Y. Patil Medical College Hospital and Research Centre, in collaboration with Elsevier (RELX India Pvt. Ltd.).
- On 1st September 2023, Dr. B. N. Pande (Professor), Dr. Ramya Jayakumar (Associate Professor), and Dr. Nivedita Sirdesai (Assistant Professor) attended a CME titled "Insights into Pain: Physiology and Principles of Management" at St. John's National Academy of Health Science.

- On 1st October 2023, Dr. R. S. Sood, HOD and Professor, participated in the IMA Pune Dr. Asmita Gupte Oration and CME on "Genetics in Clinical Practice" held at IMA Pune.
- On 29th October 2023, Dr. S. T. Methre, Professor, attended the "New Paradigms for Organ Donation and Transplantation Program" at Dr. D. Y. Patil Medical College Hospital and Research Center, Pimpri, Pune.
- Dr. R. S. Sood, HOD and Professor, was participated in the following events:
- **Pre-Conference Workshop (Cardiology Update and Critical Care Workshop)** at IMA Pune on 3rd December 2023.
- **MULTICON 4D 2023, 33rd Annual Conference of IMA Pune** at IMA Pune on 9th and 10th December 2023.
- On 16th December 2023, Dr. R. S. Sood (HOD and Professor), Dr. S. T. Methre (Professor), Dr. Bageshree Pande (Prof.), and Dr. Nivedita Sirdesai (Assistant Professor) will attend the Regional Meet organized by the Institution's Innovation Council and MoE's Innovation Cell at Dr. D. Y. Patil Medical College Hospital and Research Center, Pimpri, Pune.

2) Faculty Achievement:

- Dr. Seema Methre, Professor and Dr. Ramya Jayakumar, Associate Professor Participated and got consolation prize in National Nutrition week celebration conducted on 4th and 6th September 2023 organized by department of community medicine Dr. D. Y. Patil Medical college, Hospital and Research Center, Pimpri Pune.
- Dr. Bageshree Pande, Professor and Dr. Anushka Verma Senior Resident Participation in National Nutrition week celebration conducted on 4th and 6th September 2023 organized by department of community medicine Dr. D. Y. Patil Medical college, Hospital and Research Center, Pimpri Pune.

C) Department of Pathology

- Dr. C. R. Gore (Prof and HOD, valuable contribution as a reviewer for the Text Book of Pathology 9th edition by Dr. Harsh Mohan.
- Dr. C. R. Gore (Prof and HOD) got the patent from government of India for design of dustbin .
- Dr. Charusheela Gore - Judged the Oral paper Presentation at 11th Annual research Conference, MIMER Talegaon on 22nd December 2023
- Dr. Neha Kamble (Assistant Prof) "Someone is there who feels that doctor also needs to be taken care of." Rejuvenating Medical Minds Event Rajyoga Prajapita Brahmakumari ishvari Vishwa Vidyalaya, Meditation Chinchwad, Pune 11th July 2023.
- Dr. Neha Kamble (Assistant Prof) 03 guest lecturers For PG students in Hematology YCM Hospital, Pimpri Pune 10th October 2023.
- Dr. C. R. Gore (Prof and HOD chaired two sessions on breast lesions.
- Dr. C. R. Gore (Prof and HOD) Judged the prestigious B. S Raichur award and prize paper presentation.
- Dr. Archana Buch Professor in Pathology appointed as NBE inspector at BARC Mumbai on 26th July 2023 for approval of DNB pathology.
- Dr. C. R. Gore Fluorescence in situ hybridization - (FISH) Hands on Training workshop Organized by Central Research Facility Pathology, Anatomy DYPMC- Pimpri Pune 7th -9th November 2023

D) Department of Microbiology

Microbiology department achieved 99.2% accuracy in 113th IAMM EQAS Evaluation Report conducted by Department of Clinical Microbiology, Christian Medical College,Vellore-632004,Tamil Nadu and obtained **65.5/66** Marks in Bacteriology and Serolog by.

- Microbiology department achieved **98.7%** accuracy in **114th IAMM EQAS** Evaluation Report conducted by **Department of Clinical Microbiology, Christian Medical College,Vellore-632004,Tamil Nadu** and obtained **75/76 Marks** in Bacteriology and Serology.
- Department of Microbiology had participated in the **Indian Academy of Tropical Parasitology (IATP)** External Quality Assurance Scheme (EQAS) for the Microscopy in the year 2023 and scored **Grade A**.
- The department of Microbiology participated in the External Quality Assurance Program (**EQAS July-2023**) for **Medical Mycology** at Mycology Division, Postgraduate Institute of Medical Education and Research, Chandigarh; (PGI). The department scored **80% with "Good"** performance for the same.
- **Dr. Shahzad Mirza, Associate Professor** in the Department of Microbiology presented award of appreciation for outstanding and stellar efforts to make the patient safety week a success.
- **Dr. Preethy Edavaloth**, working as Assistant Professor in the department of Microbiology who was SR for the last one year has cleared **DNB Microbiology Exams** Part I (Theory) and Part II (Practical) which was conducted in **April 2023 and August 2023** respectively.
- **Dr. Deepali Desai**, Assistant Professor in the department of Microbiology successfully completed basic course in biomedical research as mandatory by the National Medical Commission (NMC). With score of 67 % in Proctored Examination. (**July 2023**).
- Research Achievements Add this submission of 52 partial sequences for MDR Klebsiella pnunoniae to the NCBI, USA and 52 accession numbers received for the same.
- Dr. Deepali Desai got Research Achievement for submission of 52 partial sequences for MDR Klebsiella pnunoniae to the NCBI,USA and 52 accession numbers received for the same on date of accession for June –December 2022.
- **Dr. Shital Algule, JR** in the department of Microbiology successfully completed basic course in biomedical research as mandatory by the National Medical Commission (NMC). With score of 58% in Proctored Examination.(**July 2023**).
- **Dr. Rajashri Patil, Associate Professor** delivered guest lecture on Revisiting of Emerging And Re-emerging Infections in CME on Revisiting Emerging And Re-emerging Infections, Recent advances In Diagnosis at MIMER Medical College, Talegaon Dabhade, Pune on 18th September 2023.
- Third year UG student Ellora Pandey presented titled Urinary tract infection caused by an emerging multi drug resistant Myroides species- A case report in the 12th International Conference for Healthcare and Medical Students (ICHAMS) was published in BMC,2023, (Suppl 17):29,2.
- Dr. Shahzad Mirza, Associate Professor , in the department of Microbiology contributed as a judge for the "Innovation Stall Competition' at the regional meet , held at Dr. D. Y. Patil Vidyapeeth ,Pune on 16th December, 2023.

E) Department of FMT

- **Dr. Rahul M. Band** has successfully completed the course of Post Graduate Certificate in Medical Management of CBRNE (Chemical, Biological, Radiological, Nuclear and high yield Explosives) Disaster.

F) Department of Community Medicine

- The Department of Community Medicine and Dietetics department organized a Recipe Competition as part of the Nutrition Week celebrations at Pharmacology practical lab on 6th September 2023. Participants were asked to bring their cooked food items and were evaluated on the basis of their taste and flavor, presentation and creativity, nutritional value and balance, use of locally available ingredients, and overall appeal. Dr. S. L. Jadhav (Prof., Dept. of Community Medicine), Dr. Vinita Pandey (Professor, Dept of Paediatrics), Dr. Renuka Jadhav (Professor, Dept of Paediatrics), Dhyaneswari Barve (charge of nutrition and dietetics department) were the judges. Dr. Preeti Sonje from Dept of Anatomy was the winner of the competition followed by Dr. Akshi Raj, Dr. Madhuri Singh from dept of Pathology as 1st runner-up, and Dr. Kanchan Ingale from dept of PSM as 2nd runner up. Dr. J. S Bawalkar and Dr. Vatsalaswamy emphasized the need for such activities.
- Department of Community Medicine organized a Nutrition Week Quiz undergraduate MBBS third year students at Lecture Hall 3 on 4th September 2023 to enhance their understanding of nutrition and its significance in the medical field. The quiz had 4 rounds with the first round including image-based questions, rangoli designing with millets, and dumb charades. The audience was involved in the competition with various activities. Team Idli Sambhar (Hanshita Nandigem, Upasana Sarkar, Varun Raj Gupta) were the winners of the competition. The participants with the highest scores were recognized and awarded prizes by Dr. J. S Bhawalkar (Dean) and Dr. Vatsalaswamy (Director of Academics).
- Dr. Amitav Banerjee (Professor.) of Community Medicine and Chief Editor of the Medical Journal and Dr. Sachin Atre, Research Consultant and adjunct faculty at the department of Community Medicine have been recognized among the top 2% scientists around the world in the Stanford University rankings 2023 for their exceptional contributions to global research.
- Department of Community Medicine was awarded 1st prize for Decoration held as a part of Navratri celebration 2023.

G) Department of Orthopaedics

- Dr. Swaroop Solunke, Associate Professor, attended the 9th Ganga Operative Arthroplasty Course 2023, held from 4th August to 6th August 2023 at Ganga Hospital, Coimbatore, India.
- Dr. Abhishek Nair, Assistant Professor, attended the 9th Ganga Operative Arthroplasty Course 2023, held from 4th August to 6th August 2023 at Ganga Hospital, Coimbatore, India.
- Dr. Rahul Salunkhe, Professor and Head of Department, has been appointed as a Faculty member for the 3rd State Level Ortho PG Quiz and CME, which was held on 16th September 2023 at MIMER Medical College, Talegaon.
- Dr. Mohammed Talha (JR II) and Dr. Shubhankar Chopra (JR II) have been appointed as faculty members for the 3rd State Level Ortho PG Quiz and CME, which was held on 16th September 2023 at MIMER Medical College, Talegaon.
- Dr. Rahul Salunkhe, Professor and Head of Department, was presenting an exclusive expert talk on Robotic Joint Replacement technology in Hip and Knee Surgery on TV9 Marathi, airing on 2nd October 2023 at 1:15 pm.
- Dr. Ashwin Deshmukh, Professor and Head of Unit (HOU) has been invited to the IMC-Indian Master Class, Maharashtra-Tamil Nadu chapter, on 8th October 2023 at the Sheraton Hotel, Pune. He was a Faculty speaker for a video demonstration of the surgical technique of Peroneus Longus Graft harvest and its review of literature, Chairperson for a session on Meniscus repair and techniques, and Faculty for a hands-on workshop on ACL reconstruction using T-Button.

- Dr. Ishan Shevate, Associate Professor, has been invited to the IMC-Indian Master Class, Maharashtra-Tamil Nadu chapter, on 8th October 2023 at the Sheraton Hotel, Pune. He was a Faculty speaker for a video demonstration of the surgical technique of ACL Anatomical Tunnel Drilling Techniques.
- Dr. Ashwinkumar Khandge, Associate Professor, was appointed as National Faculty for the Spine Boot Camp, taking place from 17th to 19th November 2023 at Hotel Green Park, Chennai, Tamil Nadu.
