(Declared as Category - I University by UGC Under Graded Autonomy Regulations, 2018)

(An ISO 9001:2015, ISO 14001:2015 Certified University)

Vidyapeeth at a Glance

विद्यापीठ गीत

नव्या जाणिव नवीन स्वप्ने ओठी जीवनगान नवे,
उजळाया जनजीवन अवघे नवेज्ञान विज्ञान हवे ॥धृ॥

मायबोलीची अक्षरमुद्रा मनामनावर उमटावी,
संतवाणीची अमृतधारा संवादातुन बरसावी,
शुभशक्तीने तरुणाईच्या विश्व नव्याने घडवावे ॥१॥

परंपरेतील सत्त्वशीलता कृतज्ञतेने जपायची,
दैववाद ग्रहग्रहण धारणा मनामनातुन पुसायची,
श्रमयोगाने, परिश्रमाने विद्यावैभव जोडावे ॥२॥

विनम्रतेसह विज्ञानाचा जीवनात सहभाग हवा,
संघर्षाला, नवरचनेच्या संकल्पाचा ध्यास हवा,
ज्ञान हेच सामर्थ्य आपुल्या सत्कर्मातुन प्रकटावे ॥३॥

DPU

Dr. D. Y. PATIL VIDYAPEETH, PUNE
(Deemed to be University)

VISION

To help build an enlightened, culturally and economically vibrant India, developed through education in diverse disciplines.

MISSION

To contribute to the socio-economic and ethical development of the nation, by providing high-quality education through institutions that have dedicated faculty and state-of-the-art infrastructure and are capable of developing competent professionals and liberal-minded citizens.

VISION 2025

To develop a knowledge centre which will be recognised for its academic pursuit not only in India but also globally

OBJECTIVES

The principal objectives of the Vidyapeeth are to :

- Establish institutions for learning and research.
- Raise academic standards in the constituent units of the Vidyapeeth.
- Develop evaluation methods that raise students' objectives.
- Bring about capacity development of teachers.
- Encourage both teachers and students to undertake research.
- Enter into collaboration with higher educational institutions.
- Undertake extension activities for the development of the community.
- Develop and enter into collaborative programmes with Indian and foreign Universities and other academic institutions, scientific organizations and other agencies.
- Carry out instructions and training, distinguishable from programmes of ordinary nature, for making distinctive contributions in the areas of specializations.
- Provide for special training or coaching for competitive examinations, for recruitment to the Public Services, Public Undertakings and other competitive employment opportunities
- Develop students' personalities as informed and global citizens identify and cultivate their talents, train the right kind of leadership, develop the right kind of attitudes, interests and values.

LOCATION...

Dr. D. Y. Patil Vidyapeeth, Pune was established in 2003 and it is situated in Pimpri, in the city of Pune.

Pune is the ninth largest metropolis in India and the second-largest in the state of Maharashtra after Mumbai. It is situated at the height of 575 meters above sea level, on the Deccan plateau at the confluence of Mula and Mutha rivers. Originally called Punawadi, it is known to have existed as a town since 847 AD. The city is also known as the “Deccan Queen” and is steeped in cultural, educational, and political history. The city is surrounded by verdant hills and pristine lakes. Due to the picturesque setting of the city and its salubrious climate, it has become a home for many after their retirement!

The city is also called the “Oxford of the East”, as it has the highest number of Colleges, Universities and Research Institutes compared to any other city in India. Some of the renowned institutions in the city are Savitribai Phule Pune University, Pune, College of Military Engineering (CME), Armed Forces Medical College (AFMC), Bhandarkar Oriental Research Institute, National Chemical Laboratory (NCL), National Defence Academy (NDA) National Center for Cell Science(NCCS), National Institute of Virology (NIV), National AIDS Research Institute (NARI) and Information Technology Park Hinjewadi, etc. Besides students from different parts of India, foreign students from over 99 countries are pursuing their education in Pune.

Pune is also a manufacturing hub. It has manufacturing units like, glass, sugar, auto, pharmaceutical, forging industries etc. since the 1950-60s. Pune is a blend of old and new. The city still clings to its past architectural glory and on the other hand we have the swanky glass fronted buildings dotting the city's skyline. Puneites still hold on to their cultures and traditions.

The city is well connected to Mumbai and the entire country through rail, air and roads. The city also has an International airport. Dr. D. Y. Patil Vidyapeeth, Pune is located at a distance of 13 km from the Pune Railway Station and the Airport.

OUR INSPIRATION

Dr. D. Y. Patil
Founder

Well-known educationist and philanthropist, Dr. D. Y. Patil is the founder of the Dr. D. Y. Patil Group. As a visionary, Dr. Patil firmly believed that education and healthcare should be easily accessible to the masses. He established Dr. D. Y. Patil Vidyapeeth, Pune as a model institution for providing high-quality academics and holistic education across Maharashtra and the country. For that, he instituted diverse educational and healthcare schemes. His idea spawned and revolutionized the educational scenario across the world. Today, Dr. D. Y. Patil Vidyapeeth is a force to reckon with amongst the educational fraternity.

The deeply religious educationist is known for his indomitable spirit and the penchant to work for the betterment of society. He has fulfilled his vision and dreams. Today, he is known for his noteworthy contributions in the field of social, health, agriculture and industrial sector.

According to him, a proper education system, which reflects Indian ethos, culture and tradition, alone, can resolve the problems facing the country. Education should help build pride among the youth for the country they live in. If the education system is not Indianised, then it will be difficult for the country to resolve its problems. He always believed that we should prepare the young generation for a better tomorrow. So, along with the formal education, professional education is a must for students to become successful in every sphere. Professional Development is very important for academic success because it enhances the personality of the student and helps develop formal and ethical aspects and it can assist to develop various required skills. In the long run, it is seen that professional education not only has a direct impact on the academic performance of the students but also prepares them to face the challenges of the competitive world.

founder 's message

Dear Students,

Our country is blessed with rich culture and heritage. It displays unity in diversity. Since ancient times, our country has occupied a prominent and unique position in the world, spiritually, culturally and historically. The scriptures and historical texts have borne testimony to the fact that we have been pioneers in health sciences, basic sciences, literature, art and architecture. However, over the past few decades, our country is undergoing rapid change due to globalization and liberalization.

It is necessary to bring our country, at par, to international standards by taking appropriate steps in every sector. As an educationist, I have thought deeply and have pondered over the situation and have come to the conclusion that it is only through education that we can bring about socio-economic and ethical transformation. Quality education in all branches of learning from kindergarten onwards should be accessible to everyone. By the grace of Almighty God, Sant Gajanan Maharaj - Shegaon and Shri Satya Sai Baba, I had embarked on this journey and have been successful.

A steady and focused approach to our mission had culminated in the establishment of Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune. Gradually, academic institutions were also established at Pune, Kolhapur and Navi Mumbai. From the very beginning, we had received a great response to our endeavour. Over the past couple of decades, we have established quality institutions for imparting education in Engineering, Medicine, Dentistry, other Health Sciences, Pharmacy, Arts, Science, Commerce, Business Studies, Computer Science and so on.

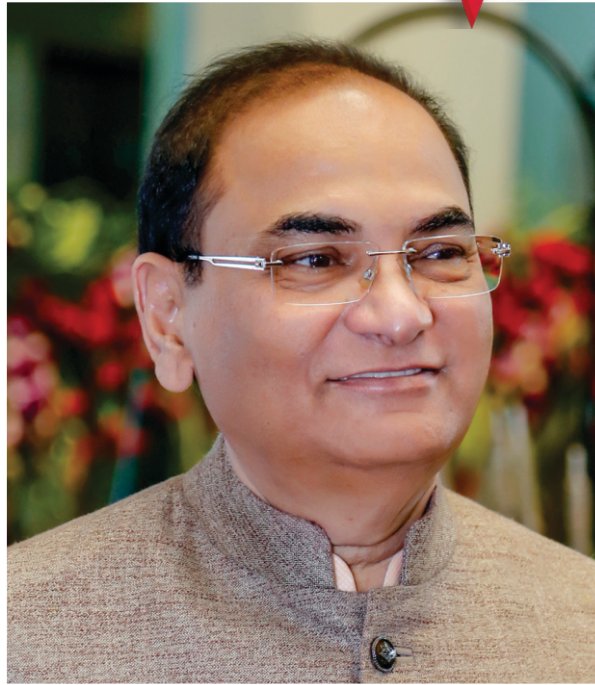

The Vidyapeeth provides unique learning solutions, which is a combination of pedagogically sound and comprehensive courses for a variety of subjects. It also incorporates innovative learning and teaching resources focused on the all-round development of the student. The curricula provide market-driven programs and studies, tested and continuously improved and upgraded by the faculty and other stakeholders. I am sure as a student, you will learn, grow and cherish your stay here.

The Vidyapeeth has been Accredited (3rd Cycle) by NAAC with a CGPA of 3.64 on Four point scale at 'A++' Grade. It is also an 'ISO 9001:2015', 'ISO 14001:2015' and Green Education Campus Certified University. Welcome to DPU. May you have a successful journey ahead.

God bless!

Dr. D. Y. Patil

OUR MOTIVATION

Dr. P. D. Patil
Chancellor

Dr. D. Y. Patil Vidyapeeth, Pune, owes its meteoric rise to the untiring efforts and zeal of Dr. P. D. Patil. An avid traveler, he ensures that he visits educational institutes on his travels across the globe. He studies the various disciplines and made it a point to go through the functioning of various institutes. After weighing up the pros and cons, he implements the best ideas that he culled from his sojourns both in India and abroad. Today, the Vidyapeeth is considered one of the topmost brands in the education field, not only in India but also across the world.

Dr. Patil is a man with a vision and mission. He believes that our country and society can progress only if there is growth in socio-economic-ethical areas. For that, a comprehensive education is a must. This transformation can be achieved through the creation of a comprehensive education facilities in various disciplines at all levels of education. It should percolate to the grass-root levels. The development of rural India is also necessary along with the rest of society.

An educationist par excellence he always believes that only hard work pays off in the long run. He has left no stone unturned to make his vision and mission successful, which can be gauged in the meticulous planning and rigorous execution of his plans. Be it academics, the students or staff, his contributions to each and every segment is commendable. He takes personal interest in the efficient functioning of all the constituent units of Dr. D. Y. Patil Vidyapeeth, Pune. All Institutes under its umbrella have garnered awards and recognition in the national and international arena.

chancellor 's message

Dear Students,

Welcome to Dr. D. Y. Patil Vidyapeeth, Pune...

I am once again very pleased to share our latest Newsletter with you all. The DPU is always on forefront for updating several important events.

We at DPU are committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare the young professionals to confidently and competently face the challenges of intensifying competition by imparting high quality technical and professional education coupled with appropriate training and wide exposure to the state-of-art practices. Helping us achieve this are best practices, picturesque & inspiring setting and devoted team of faculty-members and administrators.

This year we have invited lot of eminent and successful international entrepreneurs and speakers across the world to motivate our students and gear them up with required skills and knowledge matching expectations of new competitive era. We have organized one day spiritual conference on rejuvenating medical minds by inviting BK sister Shivani for all medical professionals to strengthen their mental health.

This Newsletter covers everything of the exciting discoveries and knowledgeable events, Latest publication news, education research news, grants, and more incites generated in the last seven months and that highlights individual faculty's and student's accomplishments and educational training programs going on every day at DPU.

Best wishes to all my colleagues and students!

Happy Reading!

Dr. P. D. Patil

OUR MENTOR

Dr. (Mrs.) Bhagyashree P. Patil
Pro-Chancellor

Dr. Bhagyashree Patil is the Pro-Chancellor of Dr. D. Y. Patil Vidyapeeth, Pune. Since, its inception, Dr. Patil has been the guiding light and a tower of strength for the students as well as the non-teaching staff and faculty.

A lady with strong will-power and determination, Dr. Patil's main mission has been to work for the betterment of the Institutes. She has been extremely successful in all her endeavours to take them to the next higher level. Today, Dr. D. Y. Patil Vidyapeeth is considered to be one of the best in the 'Deemed to be University' category across the country. Along with the Institutes, she wanted to enrich the knowledge and expand the vision of the faculty. She is of the firm belief that teachers are the enlightened ones, who not only teach, but also contribute to the social and emotional development of the students.

She has organized many events for the benefit of the students, out of which 'Teacher's Day Celebration'; 'International Women's Day'; 'World Tuberculosis Day' are worth mentioning. On Teacher's Day, an 'Art of Living' workshop was organized for the teachers. Besides that, a session on 'Emotional Intelligence' was organized in collaboration with the Brahmakumaris from World Spiritual University. She also helped in organizing the 'Basic MET Workshop' recognized by the MCI in the premises of the Dr. D. Y. Patil Medical College, Hospital & Research Center, Pune. She, with the invincible spirit, has been instrumental in introducing and implementing many constructive and socially relevant programs in the various colleges and institutes of the University.

Her most important and innovative contribution, which is worth mentioning, was the starting of the 'Human Milk Bank'. She emphasized the importance and benefits of breast milk. How breast milk plays a preventive role in controlling eczema, asthma and ulcerative colitis amongst the infants. It is the first human milk bank in the Pimpri-Chinchwad Municipal Corporation area and is open to all the communities free of cost.

pro chancellor's message

Dear Students,

Welcome to Dr. D. Y. Patil Vidyapeeth, Pune. I would like to congratulate you for choosing Dr. D. Y. Patil Vidyapeeth for furthering your studies. The Vidyapeeth is a premier education group in Pune, and the country and a leader in providing a superior student-centred, teaching-focused learning experience, preparing students for success in their chosen profession and stimulating economic vitality.

The Vidyapeeth enriches the lives of students by providing opportunities for them to develop and to realize their intellectual, academic, and professional potential, leading to becoming productive and responsible citizens. We are committed to excellence in teaching, scholarly work, quality academic and professional programs, and high levels of faculty-student interaction. We encourage enthusiastic, independent thinkers and learners striving for personal growth. In short, we develop and engage in relationships to enhance educational experiences and our community.

Once you join the Vidyapeeth, you'll find support from us to ensure that you're finding your way as you transition to college. There are dozens of ways to kick back and have a good time. You will find students who have the same interests as you do. Whether you are into dancing, writing, adventuring, community service, music, or film and organizations, there's something for everyone and everywhere you turn. In fact, you'll find a cohort and start building lifelong friendships. There's so much to explore at DPU and many more ways to find your community here. Find your niche in the heart of it all.

Wishing you all the best

Dr. (Mrs.) Bhagyashree P. Patil

AT THE HELM OF AFFAIRS

Dr. N. J. Pawar
Vice Chancellor

Dr. N. J. Pawar is the Vice-Chancellor of Dr. D. Y. Patil Vidyapeeth (DPU), Pune. Before joining DPU, he worked as the Director of Penn State - S. P. Pune University, Joint Centre for collaborative engagements. He has also worked as a Vice-Chancellor of Shivaji University, Kolhapur (2010-15) and Professor and Head, (Geology) at Savitribai Phule Pune University, Pune (1986-2017).

Dr. Pawar is the recipient of 'Young Scientist' Award (ISCA) in 1984 and has received the prestigious 'British Council' Fellowship for two consecutive terms in 1985 and 1987 for carrying out research at the 'University of East Anglia', U.K. Professor Pawar has worked as a teacher, researcher and academic administrator in a professional career spanning 35 years. He has made significant research contributions in the area of Environmental Geology and Geochemistry and guided 18 PhD. students. He has published over 100 research papers; completed 17 research projects; written books for 5th to 12th standard students for Govt. of Maharashtra, edited 4 research volumes and translated 2 books. In recognition of his research work he has been elected as a Fellow of the Maharashtra Academy of Sciences, Fellow of Geological Society of India, Life Member of Association of Hydrologists of India; Indian Geotechnical Society etc.

He has made important contributions to national-level research programs launched by MoES, DST, Govt. of India and brought several research funds through programs like DRS-SAP, DST-FIST, TEQIP, IPLS-DBT, SAIF-DST, DST-PURSE for both Shivaji University and the University of Pune. He has developed research collaborations with the University of East Anglia, U.K., Osaka City University, Japan, Universities from the European Union and South East Asia. Professor Pawar believes that it is of prime importance to share knowledge and information with the local communities so that informed choices and decisions can be taken for social good.

vice chancellor 's message

Dear Students,

Since its inception in 2000, DPU has carved a niche amongst the education fraternity in general and health science education in particular in Maharashtra and across India. Built on a sprawling campus spread over 42.5 acres, DPU has excellent state-of-the-art infrastructure facilities conducive to higher and professional teaching-learning environment, research and outreach programs.

The main aim of DPU is to impart quality education with a quest for excellence, which is at par with international standards. To make it possible the curriculum is designed with professional adroitness fulfilling specific goals of the health sector. Moreover, teams of dedicated and experienced faculty are constantly engaged in the augmentation of a student-centric learning environment through innovative pedagogy. They impart knowledge to the students that have been ingrained in the foundation of ethical and moral values and at the same time assist in boosting their leadership qualities, research culture and innovative skills.

Dr. D. Y. Patil Vidyapeeth, Pune has been Accredited (3rd Cycle) by NAAC with a CGPA of 3.64 on Four point scale at 'A++' Grade. In all India NIRF ranking 2022, Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University) has secured the 17th rank in Medical category, 3rd rank in Dental category and 41st rank in University category. DPU has been declared as Category-I University by UGC under Graded Autonomy Regulations, 2018. It is an ISO 9001:2015, ISO 14001:2015 and Green Education Campus Certified University. All our hospitals viz Medical, Dental, Ayurved and Homeopathy are NABH accredited and laboratories are NABL accredited.

I welcome you all to this Institution of learning and assure you that there is no one way to experience DPU as there will be many choices before you. You may want to start off with the familiar patterns in a new place, but, I want to remind you that your past does not define you. At DPU, you will write your own story and in the process, you will help write the next chapter of DPU's story as well.

Best of luck!

UNDER-GRADUATE COURSE	
A	B. Optom.
POST-GRADUATE COURSES	
A	Master of Optometry (M. Optom.)
1	Cornea & Contact Lenses
2	Low Vision & Rehabilitation
DOCTOR OF PHILOSOPHY (Ph.D.)	

Centre for Online Learning (C.O.L.)

CERTIFICATE COURSES	
1	Certificate Programme in Digital Marketing
2	Certificate Programme in Hospital & Health Care Management (C.P.H.A.H.M.)
UNDER-GRADUATE COURSE	
1	Bachelor of Business Administration (B.B.A.)
POST-GRADUATE COURSE	
1	Master of Business Administration (M.B.A.)

Dr. D. Y. Patil School of Design

UNDER-GRADUATE COURSE- A.I.C.T.E.	
A	Bachelor of Design (B. Des.) with Specializations
1	Interior Design, Styling and Practice
2	Fashion Lifestyle & Boutique Mgmt.
B	Bachelor of Applied Arts & Crafts (B.A.A.C.)
1	Graphics, Animation and Visual Effects (V.F.X.)
C	Bachelor of Science (B.Sc.) in Design with Specializations
1	Interior Design
2	Fashion Lifestyle
3	Graphics, Animation and Visual Effects (V.F.X.)

Dr. D. Y. Patil School of Liberal Arts

UNDER-GRADUATE COURSE	
1	Bachelor of Performing Arts in Kathak dance
2	Bachelor of Performing Arts in Dance & Choreography
3	Bachelor of Performing Arts in Nrityayoga
4	Bachelor of Performing Arts in Bharatnatyam

PG Degree / Diploma / Certificate / Fellowship Programs in the Constituent Colleges / Institutes

Master of Science (M.Sc.) in

- 1 M.Sc. Medical Anatomy
- 2 M.Sc. Medical Physiology
- 3 M.Sc. Medical Biochemistry
- 4 M.Sc. Medical Pharmacology
- 5 M.Sc. Medical Microbiology

Master of Public Health (M.P.H.)

Fellowship Programs in

- 1 Paediatric Anaesthesia
- 2 Pain Management
- 3 Cardiac Anesthesiology
- 4 Minimal Access Surgery (Basic)
- 5 Rheumatology
- 6 Critical Care Medicine
- 7 Geriatric Medicine
- 8 Clinical Embryology
- 9 Gynae Endoscopy
- 10 Reproductive Medicine.
- 11 Immunology
- 12 Post-Doctoral Fellowship in Seizer Disorders
- 13 Sport Injuries
- 14 Spine Surgery
- 15 Neonatology
- 16 Paediatrics Neurology
- 17 Surgical Pathology
- 18 Hand Surgery
- 19 Clinical Psychology
- 20 Musculoskeletal Imaging
- 21 Programme in Gastro-Intestinal Tract Radiology
- 22 Interventional Radiology
- 23 Cross Sectional Imaging
- 24 Interventional Neuro- Radiology
- 25 Diagnostic Neuro-Radiology
- 26 Woman Imaging
- 27 Paediatric Cardiology
- 28 Gynae Endoscopy in IVF Centre

Faculty of Medicine

Certificate Courses after M.B.B.S. (M.D.) D.N.B.

- 1 Clinical Echocardiography
- 2 Certificate Course in Advance Embryology
- 3 Certificate Course in Reproductive Medicine
- 4 Certificate Course in Gynae Endoscopy
- 5 Certificate Course in Adolescent Health

Certificate Courses after 10+2 / Graduation

- 1 Certificate Course in E.E.G. Technician
- 2 Urology Technician Cum O.T. Assistant

Short Term Training Programmes in

- 1 Advanced Micromanipulation
- 2 Basic Andrology
- 3 Advance Andrology
- 4 Embryo Biopsy
- 5 Vittrification

Faculty of Dentistry

Certificate Course

- 1 Digital Dentistry
- 2 Endodontics and Aesthetic Dentistry
- 3 Periodontal Microsurgery

Fellowship

- 1 Contemporary Endodontics
- 2 Short Term Fellowship in Oral Implantology

Faculty of Nursing

Certificate Course After GNM or B.Sc.

- 1 Critical Care Nursing

Faculty of Allied Medical Sciences (Physiotherapy)

Certificate Course

- 1 Physical Fitness Training

PG Diploma Course

- 1 Manual Therapy

Faculty of Optometry

PG Diploma Courses

- 1 Contact Lens and Anterior Segment
- 2 Low Vision Managment and Rehabilitation

Faculty of Ayurved

Certificate Courses

- 1 Garbhasanskar
- 2 Panchakarma Therapist (Technician/Assistant)
- 3 Short Term Course in Yoga
- 4 Entrepreneurship in Ayurveda & Health Sector

Diploma Course

- 1 Yoga

Basic Short Term Courses

- 1 Vadatu Samskrutam Cha Aamhitayaha Avabodhanam (Sanskrit for Samhita)
- 2 Ayurveda
- 3 Marma Sharir
- 4 Ayurved Ahaar (Nutrition)
- 5 Ayurveda Panchakarma

Value Added Programme

- 1 Ayurvedic Dermatology

VIDYAPEETH's PROFILE

Establishment:

Dr. D. Y. Patil Vidyapeeth, Pune was granted Deemed-to-be University status under Section 3 of the University Grants Commission Act, 1956 by the Government of India, Ministry of Human Resource Development on the recommendation of the University Grants Commission, New Delhi comprising of Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pimpri, Pune vide their Notification No. F.9-39/2001-U.3 dated 11th January 2003.

Dr. D. Y. Patil Vidyapeeth, Pune (DPU) had a humble beginning with one institution under its fold. Over the last 20 years it has grown by leaps and bounds with the addition of more professional institutions. Today Dr. D. Y. Patil Vidyapeeth, Pune have created a brand name "DPU" in the field of Medicine, Dentistry, Nursing, Physiotherapy, Optometry, Biotechnology, Management, Ayurved, Homeopathy, Design, Allied Health Sciences, Liberal Arts, Science & Technology and Online Learning. Dr. D. Y. Patil Vidyapeeth, Pune has state-of-the-art infrastructure and dedicated faculty over and above the respective council norms. All the programmes offered in these Constituent Units of the Vidyapeeth are duly recognized by the respective Councils such as NMC / DCI / INC / NCISM / NCH / AICTE / UGC / MSOTPT, etc.

Accreditation / Rankings / Recognitions:

- Achieved the Highest Benchmark in Academic Excellence with a CGPA of 3.64 on four point scale at 'A++' Grade by NAAC.
- Dr. D. Y. Patil Vidyapeeth, Pune is Included in the list of Institutions Deemed to be Universities under section 12B of the UGC Act, 1956 by UGC.
- The Vidyapeeth is declared as Category - I University by UGC Under Graded Autonomy Regulations, 2018.
- In NIRF Rankings 2022 conducted by Ministry of Education, New Delhi, the Vidyapeeth has ranked 41st in University Category, 3rd in Dental Category and 17th in Medical Category.
- The Vidyapeeth is an ISO 9001:2015, ISO 14001:2015 and Green Education Campus Certified University.
- Under Swachh Campus Ranking 2019 of Higher Educational Institutions, conducted by Ministry of Human Resource Development (MHRD), Government of India, the university has achieved 9th rank amongst the Cleanest Higher Educational Institutions in the Country in the category 'Residential Universities – UGC'.

- DPU has received 'One District One Champion 2021-22' Award for Swachata Action plan conducted by MGNCRE under Ministry of Education, Govt. of India.
- Recognised as “Social Entrepreneurship Swachhata & Rural Engagement Cell” (SES REC) Institution, by Mahatma Gandhi National Council of Rural Education, Department of Higher Education, Ministry of Education, Government of India in September, 2020.
- Biotechnology and Bioinformatic Institute recognized as DST-FIST (Level-I).
- Medical College has been recognized as a Regional Centre for conducting revised Basic Course Workshop exclusively for PG teachers (RBCW-PG) in stand-alone PG Institutions by National Medical Commission, New Delhi on 11th February 2021.
- All our hospitals viz Medical, Dental, Ayurved and Homoeopathy are NABH accredited and all laboratories are NABL accredited.
- The Regenerative Medicine Lab in the Dental College and the 'Sudhatatva Pharmacy' of Ayurveda College are FDAApproved and GMP Certified.
- The Vidyapeeth is registered with Foreign Contribution (Regulation) Act (FCRA) in 2013 & re-registered in 2018.
- The Vidyapeeth is recognized as Scientific and Industrial Research Organization (SIRO) by Department of Scientific and Industrial Research (DSIR) since 2017.
- DPU Ethics Committee is re-registered by Drug Controller General of India (DCGI).
- DPU Unit of UNESCO Chair in Bioethics, Haifa was established in May 2015.

Infrastructure & Learning Resources:

- DPU has always endeavored to deliver quality education in a globally benchmarked learning environment through modern amphitheatre-styled air-conditioned classrooms, hi-tech & well-furnished laboratories with avant-garde equipment have been provided for both teaching and research.
- All the institutions have excellent library resources with a large number of books, periodicals and e-journals besides the latest e-resources like SCOPUS, EBSCOHOST, Elsevier Clinical Key, Elsevier Clinical Flex, J-Gate, etc.
- DPU has a strong IT infrastructure with AV studio, dedicated Data Centre and in-house Software Development Cell (SDC). The entire campus and classrooms are Wi-Fi enabled with a bandwidth of >2 GBPS internet connectivity.
- The hostels have all the facilities including TV room, Wi-Fi connectivity, recreation room, well-equipped gym, visitors' room, guest rooms, reading room, 24x7 security service, CCTV surveillance cameras, mess facilities, cafeteria and solar power heaters.

Research / Collaborations:

- The success of DPU in establishing strong research credentials and a vibrant research culture are evidenced by progressive increase in number of publications, enhanced bibliometrics, receipt of external funding, continuing collaborations and development of new collaborations with world class universities.
- DPU established 'DPU Foundation for Innovation Incubation and Entrepreneurship' (DPU FIIE) a non-profit organization registered under section 8 of Companies Act, 2013.
- DPU signed various MoUs and collaborative agreements with many institutions in India and worldwide. The International linkages of DPU have helped it in drawing upon the wisdom built up at the partner institutions of repute. Some of the important ones are with Department of Global Health Education, Johns Hopkins University, USA; Public Health Queen's University, Belfast; University of Skövde, Sweden, Massachusetts Institute of Technology (MIT) and Harvard University, USA, etc.
- DPU offers Ph.D. and Post-Doctoral Scholarships. A scholar can also pursue Ph.D. in Interdisciplinary Sciences.
- The “Medical Journal of Dr. D. Y. Patil Vidyapeeth” has been indexed in SCOPUS and UGC-CARE. Also, “Journal of Dental Research and Review” has been indexed in UGC-CARE.

Memberships – National and International

- Association of Indian Universities (AIU), New Delhi.
- Association of Commonwealth Universities (ACU), UK.
- International Association of University Presidents (IAUP), US.
- All India Management Association (AIMA), New Delhi.
- Institutional Membership of the Current Science Association, Bangalore

VIDYAPEETH'S RESEARCH & DEVELOPMENT CELL

Dr. D. Y. Patil Vidyapeeth has well established Research and Development Cell and offers state-of-the-art facilities for Research. All the research committees and bodies are as per the regulations and are recognized by the respective governing agencies. Along with the recognition by Scientific and Industrial Research Organization, various laboratories are GMP-certified and FDA approved. University also has established John Hopkins Center for collaborative research activities.

There are 95 laboratories for research and student training. Regenerative Medicine Laboratory, Central Research Facility and Microbial Diversity centre are the three main research and development centres. The thrust areas of research include Cancer, Stem Cell, Tuberculosis, Contemporary Medicine, and Microbial Biodiversity.

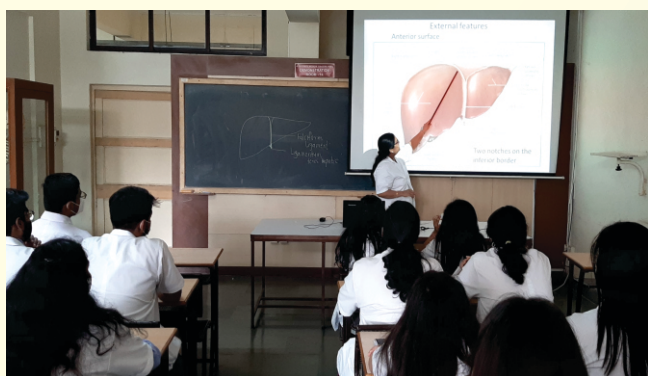

To honor and acknowledge the efforts of the researchers of DPU, four awards are constituted and given to the selected faculty members. These awards are Dr. P. D. Patil Young Researcher award, Consistent Performance award, Innovative teaching award, and Research award.

As a promotion and facilitation of research among the faculty members, DPU has sanctioned a total 1.7 Cr as seed money for the year 2022. In addition, to foster the culture of research among undergraduate students, an amount worth 4.5 lakhs has been sanctioned as a part of the DPU-STs fellowship program. Apart from this, faculty members were awarded cash prizes and commendation certificates for the academic year 2021-22.

One of the measures of the research output is publications and their various matrixes. The legacy of growing trends in the number and quality of publications continued in the year 2021-22. The total number of publications of the DPU jumped to 3,338 with a maximum number of papers in the year 2022 (680). The h index of the DPU has raised to 61 in this academic year which speaks about the continuous improvement in the quality of the research publications. The high-impact journals include Lancet, Lancet Oncology, Lancet Global Health, etc. In additions, three in-house journals of DPU caters to the publications of high quality journals.

Among various extramural grants, the most prestigious grant received this year is a Collaborative project funded by the Central Council for Research in Ayurvedic Sciences, Ministry of AYUSH, Government of India. Project title: A pilot study to assess the effect of intranasal oil instillation on nasal barrier function in healthy individuals Total grant: INR 60,07,629. A notable MoU has been signed with the Central Council for Research in Ayurvedic Sciences for collaborative research activity. In the year 2022, total five Ph.D. fellowships and two post-doctoral fellowships were awarded.

CENTRAL RESEARCH FACILITIES OF THE VIDYAPEETH

The Tissue Culture & Cell Biology Laboratory (TCCB) has been established at the Central Research Facility of Dr. D. Y. Patil Vidyapeeth (DPU), Pimpri, Pune. This laboratory will serve as a nodal centre for research in animal and human cell science. It will mainly focus on initiating cell cultures of human tissues obtained as biological waste and biopsy samples. The lab is well equipped with necessary infrastructure and consumables to carry out cell isolation, propagation and cryopreservation for cell banking. The emphasis will be mainly on primary cell culture from human tissue samples and established cancer cell lines procured from National Centre for Cell Science (NCCS) Pune. These cell cultures will be useful for toxicity testing of various chemicals, pharmaceuticals, Ayurvedic Rasayanas, Homeopathic formulation etc. for assessing their cell proliferative or cell inhibitory activities and anti-senescence ability if any.

MISSION

- To bring together the basic researchers and clinicians on a common platform to understand the disease process for better therapeutic interventions.
- To develop disease model in a dish (In vitro model) employing cell culture approach to understand mechanisms of disease.

OBJECTIVES

- To employ existing systems and develop novel in vitro models for toxicity testing & pharmacological investigations of drugs.
- To develop organ specific models to study cell-drug interaction.
- To explore use of old known drugs in cell proliferation and cell senescence/death.
- To store the human tissues obtained out of biological waste.

VISION

- To serve as a connecting link between medical students, residents, and clinical fellows in performing translational research.
- To facilitate basic, clinical and translational research by bringing together clinicians and scientists in new applied medicine projects.
- To provide both structure and resources to encourage scientific interactions among different departments of medicine divisions, as well as collaborative research among clinical and research faculty, students, residents, and fellows.
- To implement clinical studies by performing analyses of clinical specimens using latest technologies.
- To organize seminar series and annual symposia to enable students, fellows and faculty to present and discuss their findings.
- To conduct tissue culture training/workshops at regular intervals for the internal and external faculty.

DPU FOUNDATION FOR INNOVATION INCUBATION & ENTREPRENEURSHIP

DPU Foundation for Innovation Incubation and Entrepreneurship (DPU FIIE) is a non-profit organization registered under section 8 of Companies Act, 2013 on 10th of December, 2019. The company is established by the founders with entrepreneurial acumen under the leadership of Hon. Dr. P. D. Patil, Chancellor, Dr. D. Y. Patil Vidyapeeth Pune (Deemed to be University) with vision and mission to foster innovation and entrepreneurship culture among the students, faculties and budding entrepreneurs in and around nearby communities.

DPU FIIE aim's to support new ventures in their initial phases in terms of technology and knowledge by providing mentoring, networking, financial and acceleration support. Being a health science university, DPU FIIE's thrust area is to provide best quality health care products and services for urban and rural India. Our clinicians are the source of ideas and to transform these ideas into actual products, we are building a strong network of engineers who will support us at every stage of the product development - be it technical, or human engineering aspects. As an added advantage, we have at our disposal Dr. D. Y. Patil Vidyapeeth's world class infrastructure, latest equipment and top notch facilities. The institution's vast knowledge base in the field of medical healthcare is another important asset. We are not limiting ourselves to healthcare; our charter is also to address problems related to social causes in the areas of waste management, agricultural, air & soil pollution, renewable energy and food technology. We engage with entrepreneurs in the society at large with our strategic alliance partnership. To assure a good footfall of ideas we conduct hackathons themed around problems faced by the society and gaps in the market.

DPU FIIE has collaborated with Industry driven AIC Pinnacle, which is supported by the Atal Innovation Mission, NITI Aayog, DCMSME, Ministry of MSME, Ministry of Electronics & IT. A MoU is signed between AIC Pinnacle Entrepreneurship Forum and DPU FIIE in June 2020. Apart from this DPU FIIE has collaborated with COEP's Bhau Institute, Supported by Department of Science and Technology (DST) under the scheme of Technology Business Incubators (TBI). We have also extended our network by collaborating with MIT TBI, SIILC, Wavemakers Pvt. Ltd. and Aarthyan Pvt. Ltd. group to serve the purpose of DPU FIIE. Through this collaboration Industries or startups which are incubating at this Government funded Incubators will get easy access to the world class equipment and facilities available at Vidyapeeth and DPU FIIE is offering support to their health care sector startups at a very concessional rates.

DPU FIIE has filed 40 Patent applications at national and international levels, out of them 33 patents are published and 4 patents are granted (1 US, 1 Indian and 2 Australian patents). 49 copyrights and 1 Design application are registered under the name of Dr. D. Y. Patil Vidyapeeth, Pune. DPU FIIE supporting 20 startups at this stage and providing them various types of mentoring, technical, marketing and funding support.

Under Institutions innovation Council Dr. D. Y. Patil Vidyapeeth and DPU FIIE has conducted 78 IPR, Innovation and Entrepreneurship related activities in the IIC4.0 cycle.

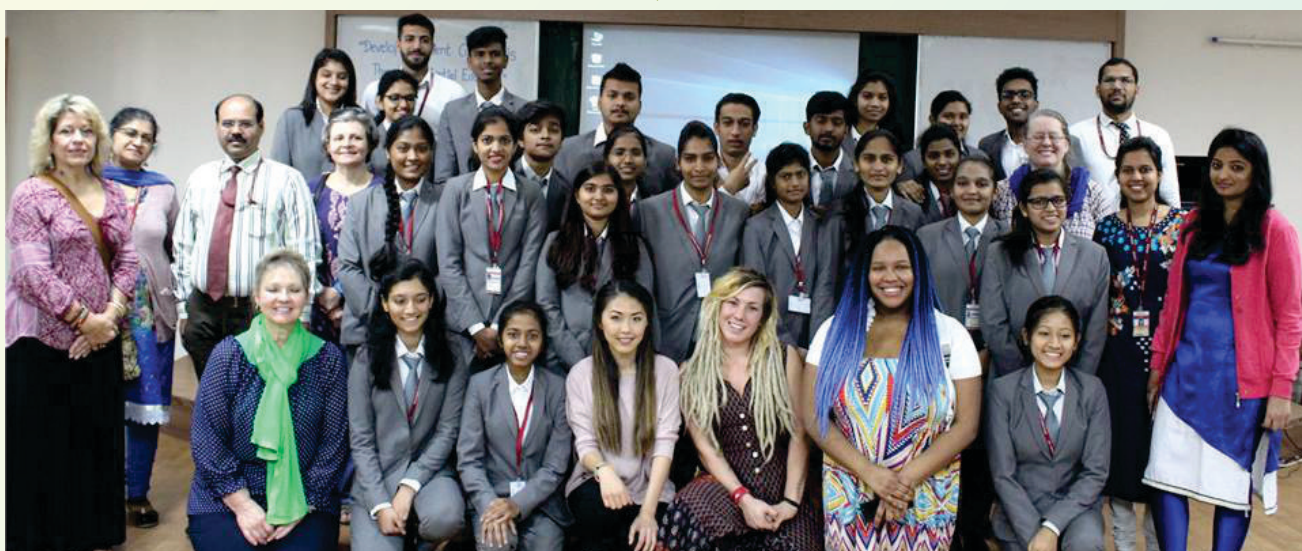

Dr. D. Y. Patil Vidyapeeth and DPU Foundation for Innovation Incubation and Entrepreneurship (DPU FIIE) have jointly conducted one day STATRUP CONCLAVE on 14th of October 2022. The Startup Conclave was planned to promote and highlight the achievement of Dr. D. Y. Patil Vidyapeeth, Pune towards the Innovation and Entrepreneurship and to encourage the startups from the community. More than 850 faculty and students participated for this conclave. During this conclave products and services of startups incubating with DPU FIIE and innovative ideas from the constituent colleges of Dr. D. Y. Patil Vidyapeeth were presented. Apart from this eight startups from the community were also given the opportunity to showcase their products.

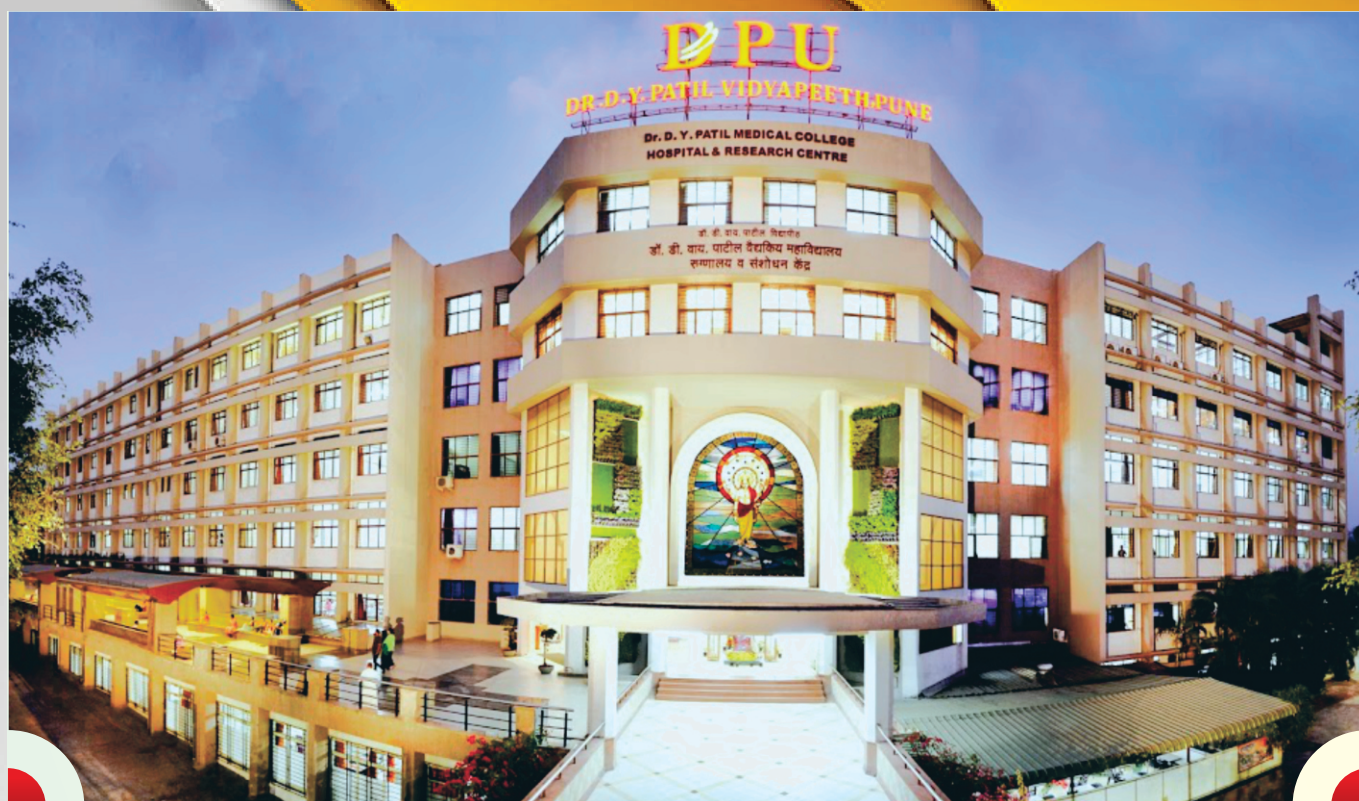

STUDENT WELFARE ACTIVITY

The mission of Dr. D. Y. Patil Vidyapeeth is to encourage the all-round growth and development of its students and make them committed citizens of a new and vibrant India. Towards this goal, apart from the strong curricular focus, all Institutes regularly organize Student Welfare Programs with the goal of promoting the overall professional development and betterment of the students. Activities include orientation programmes, support for a smooth transition to campus life, provide academic counselling, employment placement services and help boost their confidence for overall development. 'Deeksharambha' is conducted for all fresher students of DPU. This orientation programme allows the students to be familiarised with the institute, the academic practices and the Code of Conduct. The Anti-Ragging Cell and Anti-Ragging Squad safeguard students against any ragging activities. Counselling services for academic and non-academic matters are also available to all students as and when required, to help them overcome any challenges. Every student is assigned a personal mentor for discussion and personal help and guidance. The Students' Council also helps in supporting and encouraging newly joined students. Various activities like Cultural Fest, Sports, and Annual Gathering are conducted under the leadership of the Students Council, which enhances the creative and organisational capabilities of the students. All the constituent Colleges have placement cells that organize career guidance workshops, seminars mock campus interviews for the welfare of the passing-out batches of students. Frequent guest lectures, seminars, and workshops on a variety of current issues and the latest developments are organized for the benefit of students. Activities include soft skills development, professional development, stress management, NSS, value-added courses, conferences, and industrial visits. These activities nurture and guide the students throughout their academic journey at our Vidyapeeth and enable them a smooth transition into their professional career and growth beyond campus life.

Dr. D. Y. PATIL MEDICAL COLLEGE, HOSPITAL AND RESEARCH CENTRE

Dr. D. Y. Patil Vidyapeeth's Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pimpri, Pune, was established in the year 1996 with a divine vision and cherished desire of our visionary Chancellor Hon'ble Dr. P. D. Patil Sir with the blessings of Hon'ble Dr. D. Y. Patil Sir, Founder President. The institute is being further nurtured and progressed under the dynamic leadership of Pro Chancellor Hon'ble Dr. (Mrs.) Bhagyashree Patil Madam.

The Institute initially started with MBBS programme (U.G.) with an intake of 100 seats. The Institute has laterally expanded with 250 MBBS seats, 220 MD & MS (PG) seats, 30 M.Ch./D. M. (Superspeciality) seats, MPH Programme in 1 subject, M. Sc. Programme in 6 subjects, B. Sc. Programme in 3 subjects, Fellowship Programme in 37 subjects, Ph. D. programme in all medical subjects, Certificate Courses in 26 subjects and Short-Term Training Programmes (STTP) in 5 subjects in a short span of 25 years.

Following are the few achievements and rankings of the College:

- The Institute is recognized by the National Medical Commission (Erstwhile Medical Council of India), New Delhi and Ministry of Health and Family Welfare, Govt. of India, New Delhi for conducting Undergraduate, Postgraduate and Superspeciality programmes.
- Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pimpri, Pune being a constitute unit of Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune has been accorded the status of University under Section 3 of the UGC Act, 1956.
- The Institute is accredited (3rd cycle) by NAAC with a CGPA of 3.64 on a four-point scale at "A++" Grade and ISO 9001 : 2015 certified Deemed to be University.
- The Institute ranked 17th in medical category in 2022 in NIRF Ranking.
- Innovation and Incubation Centre – Multiple patents for biomedical devices and copyrights.
- Peer reviewed journal namely Medical Journal of Dr. D. Y. Patil Vidyapeeth included in Scopus, also included in the list of UGC Care journals for giving academic credits to faculty.
- Recognized regionally as an independent MEU Centre for PG teaching by National Medical Commission, New Delhi.
- Designated as ICMR regional clinical trial unit.
- Designated by the ICMR for SARS-CoV-2 Omicron Kit Evaluation Programme.
- State-of-the-Art NABL accredited Central Clinical Laboratory facility for various investigations under Pathology, Biochemistry and Microbiology.
- Highly qualified, proficient and committed faculty at the Institute is the basic backbone of the Institute involved in teaching learning process to achieve academic excellence with Man-Machine interaction.
- State-of-the-Art Central Library with best infrastructure and a stack section of more than 32,703 medical books and 211 International and National journals.
- Spacious air-conditioned lecture theatres with all ICT facilities. The classrooms and seminar halls are spacious, ICT enabled with high-speed internet and Wi-fi facility.
- World class hostel facilities are available for boys and girls in the campus.
- World Class Clinical Skills and Simulation Laboratory with latest mannequins and equipment.

Dr. D. Y. PATIL MEDICAL COLLEGE, HOSPITAL AND RESEARCH CENTRE

- State-of-the-art and highly sophisticated Genetics and Molecular diagnostics laboratories.
- The Institute has collaborations with International organizations viz. Harvard Medical School and Centre for Global health Delivery, Dubai, Johns Hopkins University, USA, for research and extension and WHO for Clinical multicentric trials. The Institute has National collaborations with Council for Scientific and Industrial Research (CSIR), Indian Council for Medical Research (ICMR), Scientific and Industrial Research Organization (SIRO), Mahatma Phule Jan Arogya Yojana of Government of India, Revised National Tuberculosis Control programme, Care India, etc.
- The faculty members involved in research and have published research papers in national and international journals with Highest Impact Factor : Cell Metabolism, Lancet, etc.
- The faculty undertake research projects approved and funded by Indian Council for Medical Research (ICMR), DST (Department of Science and Technology) and Dr. D. Y. Patil Vidyapeeth, Pune.
- The faculty also undertake Consultancy Projects viz. Family life education adolescent girls, Five-armed polio study, Phase II/III dengue vaccine, Phase III Hexavalent vaccine, Phase I Measles, Indian EPI Polio Vaccine (WHO) and Evaluation of research projects.
- 31 Clinical trials completed.
- 3 Patent and 3 copyright published/granted.
- Academic Results of our students are the best in the University as many University rankers are being produced by the Institute.
- To accomplish holistic development of the students, the Institute has mentorship system and various student's chapters of professional organizations.
- Placement of good number of eligible students in reputed organizations with attractive pay-package.
- Established MOUs with prestigious international and national Organizations.
- Institute has well maintained lawns, trees and handy plantations leading to a healthy and pleasant environment.
- Global level video conferencing with Johns Hopkins University, USA conducted monthly.
- Future plans are to start Superspecialization in Surgical Gastroenterology, Medical Oncology, Radiation Oncology, Endocrinology, Neonatology, Cardiac Anaesthesia, etc. and in addition, Bone marrow transplant and therapeutic oncology services are being planned.

Dr. D. Y. PATIL MEDICAL COLLEGE, HOSPITAL AND RESEARCH CENTRE

Dr. D. Y. PATIL HI-TECH HOSPITAL

- India's one of the biggest Superspecialty hospital with ultra-modern, State-of-the-Art infrastructure, consisting of more than 2011 beds dedicated to various specialties.
- NABH accredited Hospital.
- NABL accredited Molecular Testing Laboratory.
- ISO 9001: 2015 certified Hospital.
- The Hospital is enrolled in Guinness Book of World Records for most BP readings taken in an hour (11416).
- First among 653 private hospitals in the Country in "Swaccha Bharat Initiative-Kayakalp" by Ministry of Health and Family Welfare, Government of India in October 2019. The College scored 100/100 in large-scale hospital category.
- The Hospital stood First in Maharashtra State under the programme of "Charity Hospital at poor patient's doorstep" being implemented by the Charity Commissioner, Maharashtra State.
- Empaneled by CGHS, PCMC Dhanvantari Yojana, Mahatma Jyotiba Phule Jeevandai Arogya Yojana, ECHS empanelment and MJFY Maharashtra Social Security Insurance Schemes.
- The Hospital ranked 8th in Western Region and 3rd in Pune Region in the "Health Times all India Multispecialty Hospital Ranking Survey 2021"
- National Award in Green Hospital Category by Association of Health Care Providers, New Delhi in February 2020.
- EFOT : Environment friendly Operation Theatres with 100% score by Bureau Veritas.
- Reaccreditation as Baby Friendly Hospital.
- Received "Golden Aim Award" in three categories viz. Quality healthcare services, Quality healthcare institute and Best healthcare infrastructure in 2022.

Facilities available: Healthcare of international standards:-

- Centre of Excellence for Robotic Surgery: 4th Generation Advanced Robotic System - Da Vinci Xi.
- Ambulatory services through 12 Basic OPDs, 13 Super speciality OPDs, ICUs with 150 Beds and 72 private rooms.
- 30 Modular Operation Theatres (Maquet and Dragger) supported by High-end CSSD machinery.
- Two well equipped Cardiac Cathlabs with EP laboratory
- Asia's first high end CT 128 Slice, 16 Slice CT Scan, 3Tesla MRI Scanner (Vida), 1.5Tesla MRI, CT Digital Radiographs (Emergency Radiology), Conventional radiology (24 x7)-CR, Special investigations (for GIT, GUT).
- Multi Organ transplant Centre : More than 144 Renal transplant, 42 Liver transplant, 1 Heart transplant, 2 Heart and lung transplant and 50 corneal transplant performed in the hospital.
- Minimally invasive navigation guided for stereotactic brain and spine surgery.
- Advanced Yashoda Human Milk Bank facility – our best practice.
- Advanced State-of-the-Art IVF and Endoscopy Centre.

Dr. D. Y. PATIL DENTAL COLLEGE AND HOSPITAL

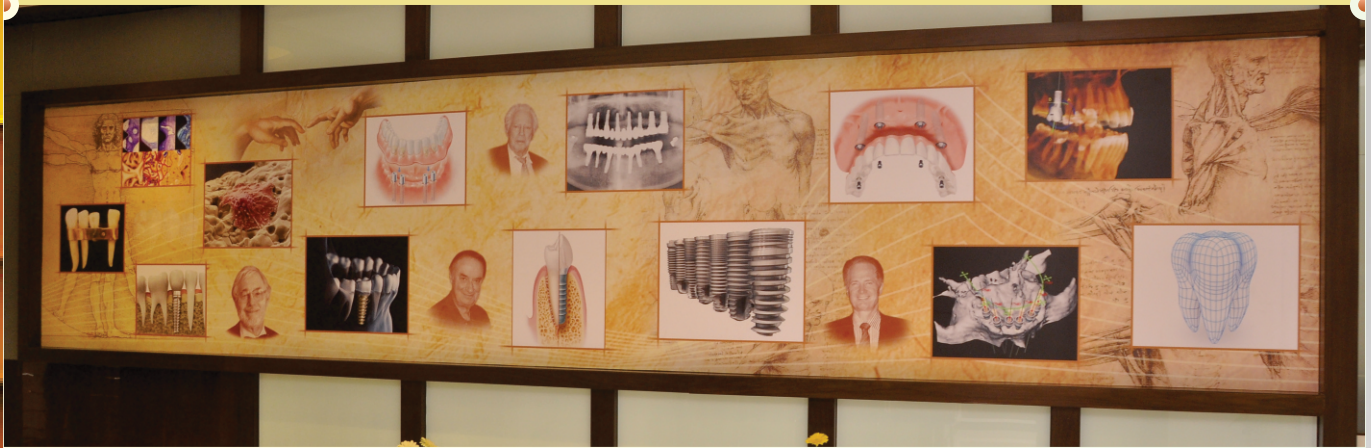

Since its inception in 2000, Dr. D. Y. Patil Dental College and Hospital has maintained its quality and excellence. Recognized by the Ministry of Health and Family Welfare, Government of India, Dental Council of India, the College has grown to become one of the best equipped and comprehensive academics set up in dentistry in the country. Infact, the growth of the College and Hospital lies in the 360 degree outlook, which covers all four areas of deliverables-Education, Technological advances, Research and patient care and this has lead to overall 3rd rank in national level NIRF Ranking in dental category as announced by Education Ministry Government of India.

Since, 2020 our Institute has been consistently ranked in one of the Top 3 Colleges in the Dental

category by the National Institutional Ranking framework (NIRF) as announced by Ministry of Education, Government of India.

The College imparts high skilled training on various disciplines of dentistry, making it one-of-its-kind institute, that offers the widest range of choices to the students who desire to make their name in this particular field. Every year, Dental College trains about 100 students for BDS, 49 students for MDS programs, Ph.D program in 9 specialties, DPU-DACE-UB Short Term Fellowship in Implant Dentistry & Basic Certificate course in Implantology, Periodontal Microsurgery, Endodontics and Aesthetic Dentistry, Fellowship in Contemporary Endodontics and value added course Regenerative Medicine Laboratory.

The specialties offered are...

- Oral and Maxillofacial Surgery
- Oral Medicine and Radiology
- Paediatric and Preventive Dentistry
- Prosthodontics and Crown and Bridge
- Periodontology
- Orthodontics and Dentofacial Orthopedics
- Conservative Dentistry and Endodontics
- Oral Pathology and Microbiology
- Public Health Dentistry

What sets this College apart are the well-equipped laboratories and infrastructural facilities that help in imparting quality education to the students. For instance, the 'state-of-the-art,' Dental Implant Centre is worth mentioning! It has six operatories.

Another accomplishment was the setting up an integrated state-of-the-art 'Regenerative Medicine Laboratory' established in March, 2018, which is GMP certified by CDSCO, Govt of India. The idea behind setting up this laboratory was to offer the best stem cell therapy in India.

Incubation centre inaugurated on 13th June, 2019 in Dental College. The idea behind incubation centre is to provide a platform for interaction and innovative idea exchanges.

Special Features-

- State of Art Dental Implant Centre
- ICAT CBCT machine
- 3Shape TRIOS Intra Oral Scanner
- Decahead Microscope
- Hard & Soft Tissue Lasers
- Choukrons PRF Centrifuge Machine
- 3D printer - SprintRay
- Carl Zeiss Microscope (PROergo & Extaro).
- Smart Classrooms- Equipped with Smart board

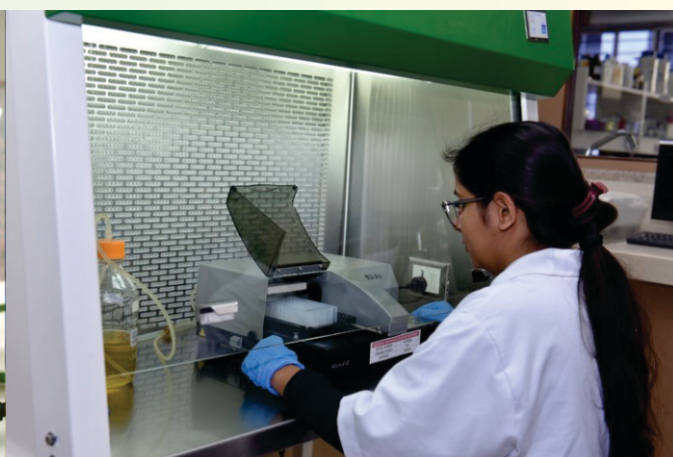

DR. D. Y. PATIL BIOTECHNOLOGY AND BIOINFORMATICS INSTITUTE

Dr. D. Y. Patil Biotechnology & Bioinformatics Institute (DYPBBI) located at Tathawade campus in Pune (established in 2004) is a constituent institute of Dr. D Y. Patil Vidyapeeth, Pune. This institute is recognized as one of the finest institutes awarding various degree programs in Biotechnology, namely B.Tech. Biotechnology, B.Tech. Medical Biotechnology, M.Tech. (Integrated) Biotechnology, M.Sc. Biotechnology and Ph.D. in both Biotechnology and Bioinformatics, owing to its excellent faculty and infrastructure. All the Engineering programs of DYPBBI are duly approved by All India Council for Technical Education (AICTE), and DYPBBI is supported by DST-FIST (Infrastructure Support for Teaching &

Research) awarded by The Department of Science & Technology under the Ministry of Science & Technology, GoI.

The academic ambiance, competence and excellence at DYPBBI are driven by competent faculty members having national and international research and teaching experience, which enables the creation of well-trained human resources in Biotechnology and Bioinformatics. The core competence of the institute in teaching and research lies in the fields of Microbiology, Environmental Biotechnology, Cancer Biology, Plant Biotechnology, Genetics, Molecular Biology, Protein Biochemistry and Bioinformatics.

The teaching and research laboratories and class rooms are equipped with smart boards, computers and audio visual presentation facilities. The campus is fully Wi-Fi enabled. The institute library has latest editions of a large number of reference and text books in Biotechnology and Bioinformatics, and a number of research journals of national and international repute in hard copy and vast e-resources. Research oriented laboratories including Microbial Diversity Research Centre and Cancer research laboratories are with sophisticated, advanced instruments with additional support from DST-FIST and dedicated research staff. Institute has a facility of Optimized Supercomputer, sponsored by DST-SERB, New Delhi, in the Bioinformatics Research Laboratory.

The institute has developed international academic and research collaborations with University of Skövde, Sweden, Örebro University, Sweden and Wayne State University, Michigan, USA. Under the Linnaeus-Palme exchange program supported by The Council of Higher Education in Sweden, faculty and students from these institutions visit the other institutions on a regular basis. Institute has also developed collaborations with industries and national research institutes which also provide industry/ research oriented experience to students.

Dr. D. Y. PATIL COLLEGE OF AYURVED AND RESEARCH CENTRE

Dr. D. Y. Patil College of Ayurved and Research Centre, Pimpri, Pune is a constituent unit of Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University) and recognized by NCISM and Ministry of AYUSH, New Delhi.

Due to its excellent Academic and Clinical Services in the field of Ayurveda, Dr. D. Y. Patil College of Ayurved & Research Centre, Pimpri, Pune has made its presence felt across the country. It is the first individual Ayurveda College in India to be accredited 'A' grade by NAAC in 2016 and later accredited A++ under the ambit of Dr. D. Y. Patil Vidyapeeth, Pune.

Dr. D. Y. Patil Ayurved Hospital & Research Centre is a NABH Accredited 325 bedded Hospital and is the first of its kind in the state of Maharashtra.

This ISO certified Institute has been crafted with the best of infrastructure which includes state-of-the-art Museums, Laboratories, ICT/Smart Board enabled classrooms, spacious and well equipped Central Library, Skill Labs and a serene Herbal Garden with rare species of plants.

The College imparts a wide range of programs from UG to PhD and also offers Short Term Certificate Courses,

Diploma Courses as well as Basic Courses in Ayurved for students in the country as well as abroad. Additional Value added Courses are also a part of the UG and PG curriculum. The Undergraduate Program (BAMS) has an intake of 100 students per year. The Postgraduate programs have a total intake of 100 students per year in all 14 disciplines. Similarly, PhD program is also available in all 14 subjects, namely - Samhita Siddhant, Kriya Sharir, Rachana Sharir, Agadtantra, Rasashastra Bhaishajyakalpana, Dravyaguna, Kayachikitsa, Panchakarma, Stri-roga Prasutitantra, Shalyatantra, Shalakyatantra, Swasthavritta, Rognidan Avum Vikriti Vigyan and Kaumarbhritya.

The Institute is also involved in collaborative activities with International Institutes / bodies like International Academy of Ayurved, Maharishi Ayurveda Institute, Netherlands and Ayurved Institute of Canada. International students from several countries like USA, Brazil, Portugal etc visit the Institute every year for undergoing Short Term/Long term Courses in Ayurved through these collaborations. International Conferences, Academic/Research Activities and Value added Extra-Curricular activities are also part of these collaborations.

The 325 bedded NABH Accredited Hospital of the Institute has 9 OPD's and 10 spacious IPD wards and providing wide variety of Ayurvedic treatments for acute and chronic medical conditions. It is well equipped with ICU/NICU facilities, Central Clinical Laboratory, Radio-diagnosis Section (Digital X-ray, Ultrasonography) and State –of- the- art Operation Theaters with C-Arm facility for delivering all the health care services under one roof.

Chronic conditions like Joint & Spine Diseases, Paralysis, Diabetes etc. are treated by Kayachikitsa and Panchakarma departments. The Department of Stirog-Prasuti Tantra and Balroga offer Garbha Sanskar (Ayurvedic Antenatal Regime) and Suvarna Prashan (immunity booster drops for children) respectively. The Institute also houses a special OPD for Tobacco de-addiction by the department of Agadtantra. The Shalakya (ENT & Ophthal) department provides specialized Ayurveda treatment known as Kriyakalpa for Ophthal and ENT conditions.

The Hospital has a specialized 16 bedded Paralysis Unit which is successfully treating Acute as well as Chronic Paralysis patients with integrated approach by Ayurved, Yoga, Allopathy and Physiotherapy.

The beautifully designed Panchakarma Section is well equipped to perform 48 types of Panchakarma treatments with spacious and separate rooms for male and female patients. It also boasts of an Executive Panchakarma Section which offers premium packages for VIP patients!

The GMP Certified and FDA Approved 'Sudhatatva Pharmacy' of the College manufactures a variety of quality oriented classical as well as proprietary Ayurvedic medicines. The cosmetic range manufactured by the Pharmacy is its USP and very much appreciated by all users.

Dr. D. Y. PATIL HOMOEOPATHIC MEDICAL COLLEGE AND RESEARCH CENTRE

Dr. D. Y. Patil Homoeopathic Medical College and Research Centre, Pune was established in 2000. It is a constituent college of Dr. D. Y. Patil Vidyapeeth (Deemed to be University) Pimpri, Pune since 2018. The college is recognized by the Ministry of AYUSH, Government of India and National Commission for Homoeopathy, New Delhi. The Homoeopathic Hospital is accredited by NABH. The college is also an ISO 9001 : 2015 and ISO 14001 : 2015 as well as Green Campus Certified Institute.

The vision behind setting up this College was to develop the best human resource in the field of Homoeopathy and to provide the best Homoeopathic healthcare facilities. Homoeopathic Medical Education in this college aims at maintaining a balance between humanistic medicines and technology. Dr. D. Y. Patil Homoeopathic Medical College, Pune offers BHMS (Undergraduate), M.D. (Hom.) (Postgraduate) and Ph.D. (Homoeopathy) Programs.

All the faculty of Dr. D. Y. Patil Homoeopathic Medical College & Research Centre strive very hard to accomplish the institute's goal of producing Homoeopaths who consider patients holistically, by enlightening them about Homoeopathy and by maintaining a balance between humanistic medicine and technology.

The institute provides a state of art infrastructure which fosters a cohesive healthy atmosphere for students and advocates comprehensive and an integrated approach towards curative, preventive and rehabilitative aspects of Homoeopathic Medicine by ensuring quality, all-inclusive, continuous and personalized care to patients and community thereby contributing to the nation and society at large.

The education provided in the institute not only aims at producing trained professional Homoeopaths but also imbibing in them a sense of research and higher purpose.

The College has a fully equipped 43 bedded Homoeopathic Hospital as per the norms of National Commission for Homoeopathy for providing clinical training and research facilities. It is well equipped with IPD and OPD.

Research has always been an integral part of our curriculum. The college management encourages all the faculty as well as students to take up good quality research projects that can contribute to establish homoeopathy as an evidence-based medicine at large. The college as well as Dr. D. Y. Patil Vidyapeeth provides research grant/ seed money to support good quality research. Dr. D. Y. Patil Vidyapeeth has established state of art research facilities for all faculty as well as students all under one roof. The college also encourages interdisciplinary research which is the need of the hour and inculcates in the staff and students the high spirit of research. 8 of the UG students were selected for the CCRH Short term Studentship in Homoeopathy Program 2021-2022.

The College has signed a MOU with the Central Council for Research in Homoeopathy (CCRH, New Delhi) for training and research. The college has also signed a MoU with Dr. Willmar Schwabe India Pvt. Ltd. one of leading homoeopathic pharmaceutical industries in the world for collaborative research and consultancy. Under the MoU, 3 collaborative industrial projects have been completed. The college has also signed a MoU with Mind Technologies, Chairman of which is Dr. Jawahar Shah, world's leading homoeopathic repertorization software developer for homoeopathic softwares and collaborative research.

It is not just the research but also the research output that the college management stresses upon. College management gives utmost importance and encourages faculty to publish their research in quality journals of repute indexed under SCOPUS, Web of Science and PUBMED.

The college has established a start-up and innovation cell to encourage faculty and students towards IPR, start-ups and innovations. Under this cell, the college has registered 2 copyrights and 6 more have been filed.

The College takes the pride in the Mission statement "Aude Sapere" meaning "Dare to be wise" which exhorts all Homoeopaths associated with the College to carry on the mission of curing the sick dedicatedly.

Dr. D. Y. PATIL COLLEGE OF PHYSIOTHERAPY

Since the institution's founding in 2000, We are using advanced Scientific knowledge for teaching and research, placing a focus on interdisciplinary research and collaboration with a larger research community. The college is recognized by the Indian Association of Physiotherapists and Maharashtra State Council of Occupational Therapy and Physiotherapy and also NAAC has reaccredited it with "A++" grade and CGPA of 3.64 on a scale of four. It is also an ISO 9001:2015 and 14001:2015 certified.

As a Premium Academic Institution, we have a cutting-edge infrastructure with well-designed and well-equipped lecture halls and departments, ultra-modern lecture rooms with LCD and multimedia facilities, and other features that create the ideal environment for providing students with a high-quality education. An ergonomically design library has latest edition of books, physiotherapy newsletters, national and international journals. All of our students, researchers and faculty members have online access to a huge variety of material, including electronic journal titles and a good number of e-books. Students and instructors can conduct various research projects and demonstrations in a well-equipped computer lab. We have seven copyrights and five patents through the institute's dedicated startup and incubation unit. The institute's dedication to teaching excellence and giving its students the finest quality education has once again received accolades. For our outstanding performance in the physiotherapy area, the Indian Association of Physiotherapists has awarded us a "Five Star Rating" for the Best College Award 2020 and Higher Education has honored us "College of the Year - 2019 & 2020." DYP Physio Alum - Alumni Association set an "Assist

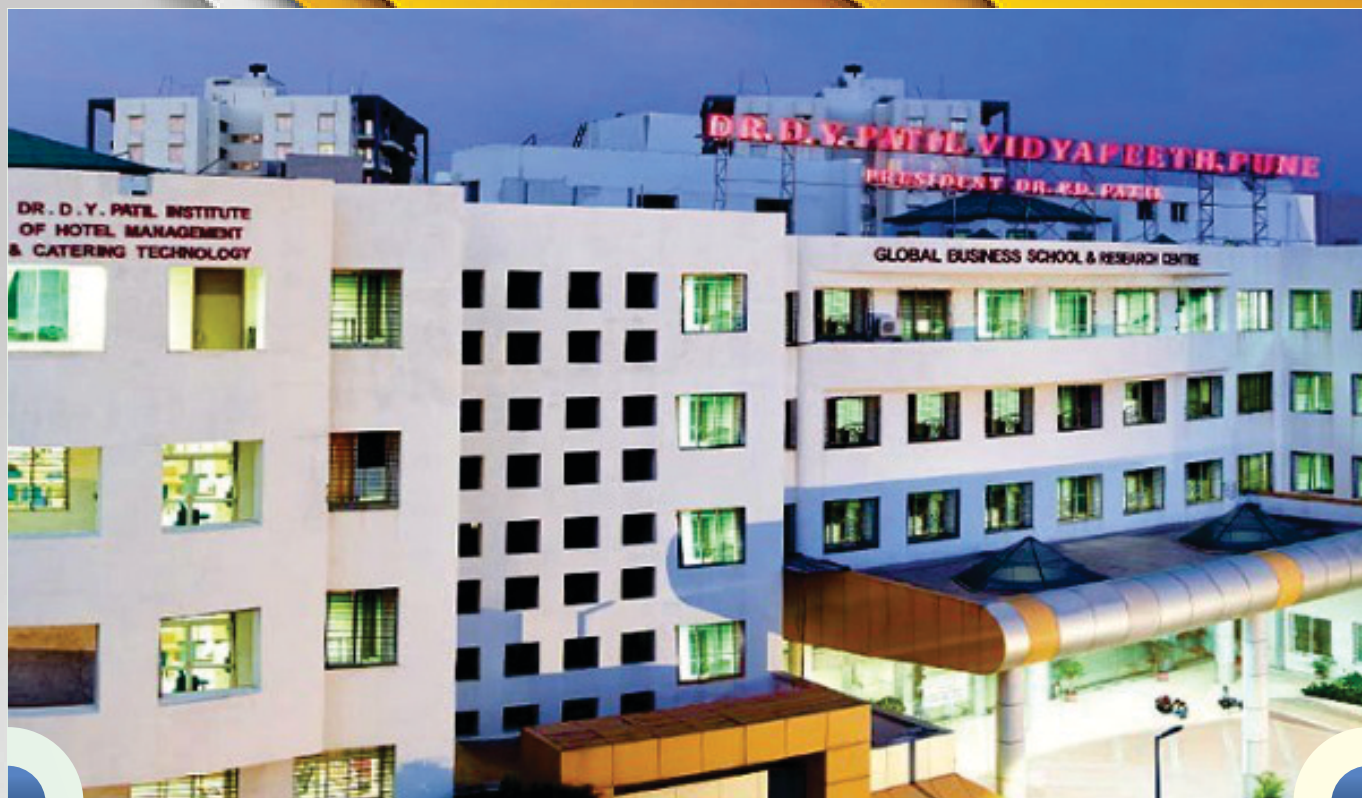

World Record" for hosting the most alumni-organized webinars.

The institute provides 10 programs, including a BPT program, 8 MPT program, and a PhD. The BPT program lasts 4.5 years, including a 6-month internship, and has 8 semesters with a 100-student annual intake limit. The MPT program is for two years and intake is 37 students per year. Our institute offers a Choice Based Credit System for the BPT and MPT programs. Postgraduate programs are available in Pediatrics, Musculoskeletal Sciences, Neurosciences, Cardiorespiratory Sciences, Musculoskeletal Sciences and Hand Conditions, Musculoskeletal Sciences and Manual Therapy, Musculoskeletal Sciences and Sports, General and Community-Based Rehabilitation.

The outpatient department is equipped with advance tools for teaching, learning, and research that include Aquaciser, Balance Master, LASER, Matrix Rhythm Therapy, and Lymphastim. There are eight specialty clinics (Hand, Obesity, Spasticity, Pain, Knee, Spine, Endurance, and Cerebral Palsy) to provide students with a wealth of practical experience and patients with the greatest care. The students, under the direction of devoted faculty, develop their clinical skills by providing bedside care to a variety of patients of the Inpatient Department through their postings in various wards of the Dr. D. Y. Patil Medical Hospital and Research Centre, including Orthopedic, Surgery, Gynecology, Medicine, TB Chest, and ICU, to name a few. Students also pursue interdisciplinary clinical training at the Homoeopathy and Ayurveda hospital of DPU.

GLOBAL BUSINESS SCHOOL AND RESEARCH CENTRE

Established in 2006, Global Business School and Research Centre located at Tathawade, Pune is a flagship institute of Dr. D. Y. Patil Vidyapeeth, Pune. Three programs namely B.B.A., B.Com., M.B.A. and Ph.D. are offered at GBSRC. The M.B.A. programme is approved by AICTE, Govt. of India, New Delhi. We at GBSRC offer single and dual specialization. Students can choose from a basket of 11 specializations offered at GBSRC with Choice Based Credit System students have the flexibility to choose courses from their area of interest.

Dr. D. Y. Patil Vidyapeeth, Global Business School and Research Centre comes as a ray of hope for students who aspire to make a mark in the business world. We at Global Business School and Research Centre, believe that quality learning is the key to unlocking a student's full potential and decoding him for a technology-driven corporate world. To achieve this we have smart classrooms, experienced faculties, state of the art facilities and cutting-edge resources.

An MBA degree has several advantages for both personal and professional reasons. MBA degree from Dr. D. Y. Patil Vidyapeeth helps students to develop management and technological skills to meet the challenges of the new era. Focusing more on practical exposure makes students Excel at the hands-on application of thoughts rather than theory only. The curriculum is revised and upgraded every year by the advisory board comprising renowned

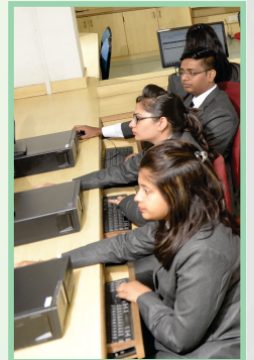

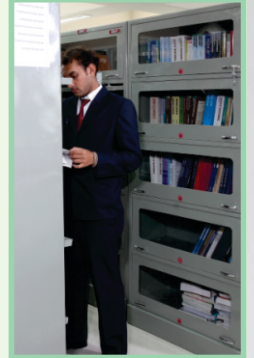

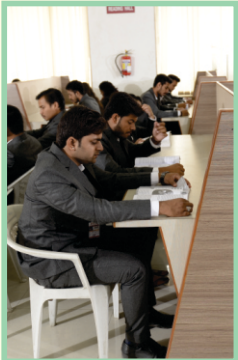

academicians and industry experts to ensure the industry standards are catered to by the best suitable professionals.

We at GBSRC take special efforts to inculcate new skills into future managers. Students are trained not only in management skills but also in new skills required to face the challenges of digital era. This includes Digital Marketing, Advance Excel, Design Thinking etc. We invite eminent speakers from all over India to share expertise in respective domains which helps our students to become Leaders of the digital era.

GBSRC has a full-fledged placement cell with an excellent track record. A dedicated team is devoted to grooming students through intensive classroom demonstrations, mock group discussions & personal interviews to make them industry-ready. Students have enormous scope for comprehensive development as the institute endeavors to effectively blend academics and co-curricular activities. Holistic development of students is the hallmark of GBSRC.

In the recent past, we have received many awards for our academic excellence which includes the Best B-School Award 2020 by Asian Education Summit, New Delhi, and GBSRC received Prominent B-School award by CSR 2022. We were also featured in the Top B-School of India list 2023 by Dalal Street.

Dr. D. Y. PATIL COLLEGE OF NURSING

Dr. D. Y. Patil College of Nursing, Pune was established in 2000. The College was established with the objective of imparting high-quality education to students, so that they have in-depth practical knowledge and develop skills in the field of Nursing. The College is internationally recognized as a center of excellence in education and research.

The mission of the College is to take Dr. D. Y. Patil College of Nursing, Pune to newer heights. The College has set a goal for itself to excel in nursing care in the field of Education and in-service through Research. It does that by preparing and enlightening the students of this Course with quality education at par with the best standards in the country. After the completion of the course, they can provide comprehensive nursing care and assume responsibilities as specialists, consultants, educators, and administrators and become future leaders in the health care sector.

The College is approved by Maharashtra Nursing Council, Mumbai & Indian Nursing Council, New Delhi.

Programs on offer

On offer are Programs like Basic B.Sc. in Nursing, Post Basic B.Sc. Nursing and M.Sc. Nursing in 4 specialization (Medical Surgical Nursing, Child Health Nursing, Obstetric and Gynaecological Nursing, Community Health Nursing) After completing the required course, one can also go for a PhD in Nursing. Students can also opt for the Certificate Course in Critical Care Nursing. The duration of Basic B.Sc. in Nursing is 4 years, Post Basic B.Sc. is 2 years, M.Sc. in Nursing is 2 years, Nurse Practitioner in Clinical Care is 2 years, Ph.D. and Certificate Course in

Critical Care Nursing is 6 months.

Various research activities are carried out by B.Sc. and M.Sc. students of nursing jointly with the faculty of the College. They are also involved in various activities like framing statements, objectives and review of literature, Journal Presentation / Journal clubs, Synopsis and Research Proposal, which is approved by the Scientific Committee, Research and Recognition Committee and Ethics Committee. The College has International collaboration with MoU with MKSSS (Maharshi Karve Street Shikshan Sanstha), MoU with NORD University- (Norway), MoU with Cipla Palliative Foundation & MRA (Mutual Recognition Agreement) with Govt. of India and Govt. of Singapore for placement of students.

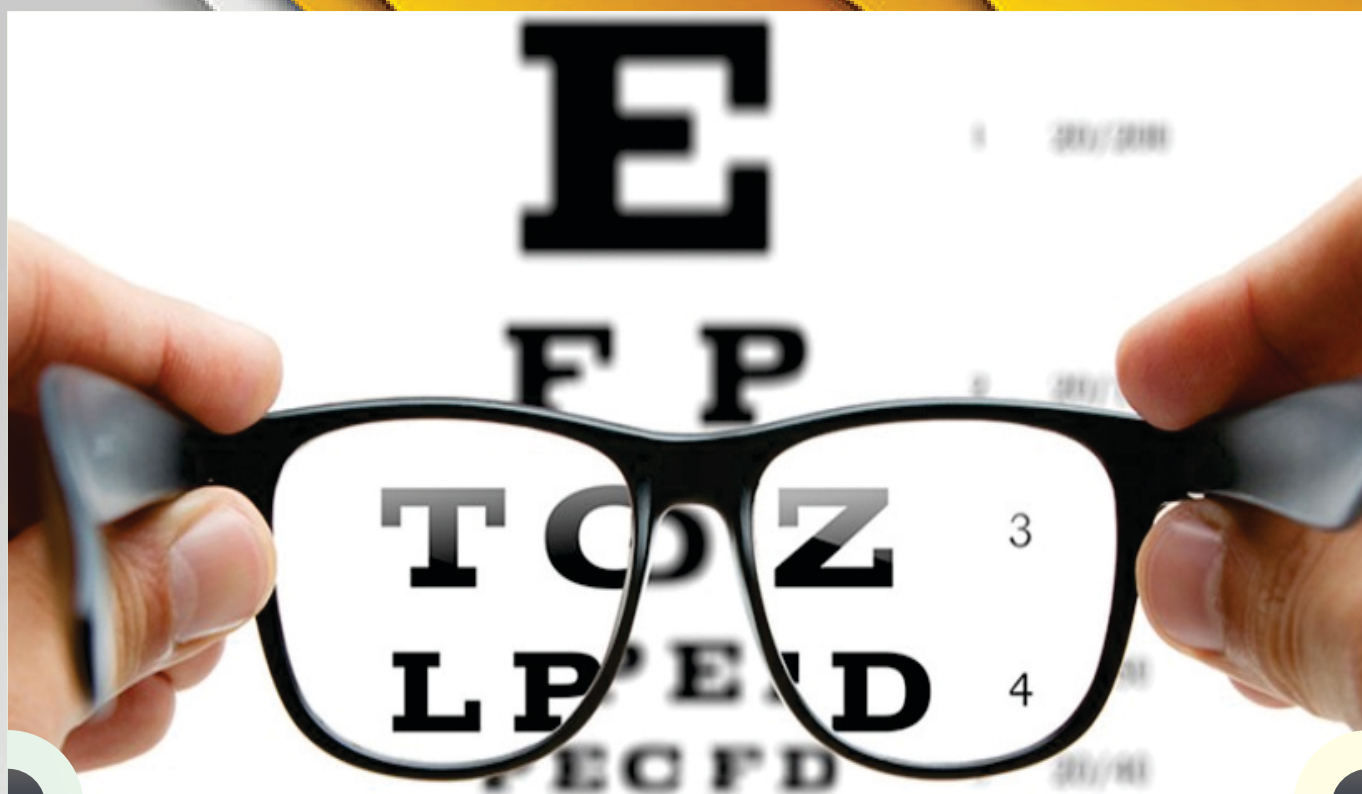

Extracurricular activities such as Pulse polio, Blood Donation, and National Health Day celebration are observed annually to make society aware of the benefits of living a positive life.

State-of-the-art Infrastructure

What separates the College from other Institutes is its infrastructure, qualified faculty, excellent educational and co-curricular facilities. Spacious Campus, with fully equipped laboratories, lectures halls and auditorium. It boasts of an excellent Central Library with the latest reference books and journals. The College also has an air-conditioned seminar hall and hostel facility. It is also Wi-Fi enabled. The college has highly experienced and qualified faculty as per the stipulation of Indian Nursing Council, New Delhi.

Dr. D. Y. PATIL INSTITUTE OF OPTOMETRY AND VISUAL SCIENCES

Optometry is a health care profession which involves examining the eyes and applicable visual systems for defects or abnormalities as well as the diagnosis and management of eye disease. Traditionally, the field of optometry began with the primary focus of correcting refractive error through the use of spectacles. Modern day optometry, however, has evolved through time so that the educational curriculum additionally includes intensive medical training in the diagnosis and management of ocular disease in countries where the profession is established and regulated.

Dr. D.Y. Patil Institute of Optometry and Visual Sciences was established in the year 2005. It offers Bachelors (B. Optom) and Masters (M.Optom) courses in Optometry and provides the best academic environment to students who can later practice their skills in a number of ways. The Institute has well equipped classrooms, library and laboratory with state-of-the art instrumentation imparting Optometric skills.

The strength of the Institution lies in a team of highly qualified and experienced faculty, supported by an equally dedicated staff. The faculty actively attends National and International Conferences to update their knowledge. The

Optometry program provides our students with all-round development through excellent course instructions via clinical scientific knowledge and extensive patient care experience. A solid background in basic sciences and a thorough understanding of the principles of visual science is the foundation of Dr. D.Y. Patil Institute of Optometry and Visual Sciences.

Our in-house clinical services offer primary vision care, contact lens, vision rehabilitation, binocular vision, treatment and management of ocular diseases, pediatric vision care and ophthalmic prescription services and contact lens dispensing. Our students gain valuable direct patient eye care experience in all aspects of Optometric practice and industry by working and learning in these clinics.

The practice of Optometric Sciences is evolving as research produces new information and better ways of providing Optometric care. Thus a primary approach of the Institute is to foster the desire in the students to not only seek but critically analyses new information and to use it more effectively to serve patients.

Our clinical program covers the area of general eye and vision care and Optometric specialties

It provides our students the opportunity to work with patients in primary vision care and a variety of specialty services. The concluding part of the course also includes in-house specialty clinics and external experiences in the neighboring region as well as other parts of the country. Clinical work is done under the close supervision of our faculty, experienced licensed optometrists, eye care specialist hospitals.

We are proud to say that 80% of our alumni are clinical practitioners, retail, professional services of MNC's while 20% are in academia and research, thus taking forward the eye and vision care advances forward in Optometry.

Dr. D. Y. PATIL VIDYAPEETH'S CENTRE FOR ONLINE LEARNING (COL)

Dr. D. Y. Patil Vidyapeeth's Centre for Online Learning (COL) has been established keeping in mind the needs of the modern learning community and at the same time, equipping them with the requisite knowledge and skills that are demanded by the industry. While the other institutes of Dr. D.Y. Patil Vidyapeeth are engaged in face-to-face education, the Centre for Online Learning is solely dedicated for imparting high-quality education through the Online learning blending traditional and modern teaching methodologies.

The Online Programs are carefully designed, in order to impart the necessary basic managerial and leadership skills and bridge the gap between the expectations of the industry and the actual attainment by the student. The curriculum has been designed by a selected panel of business professionals and prominent academicians and focuses extensively on business case studies and examples from the real world. The Online Programs helps the students to explore their job opportunities while creating an 'edge' over other graduates who compete with them in the placement arena. As per market survey and industrial demand we have introduced some additional specializations in the online programs to fulfil the requirements.

Dr. D.Y. Patil Vidyapeeth Centre for online learning is recognised by the UGC and AICTE. These certifications endorse our academic standard pedagogy and quality of education establish academic credibility and certify a graduate's credentials to employers.

Highlights of DPU COL:

- Equips students with necessary basic managerial and leadership skills
- Bridges the gap between industry expectations and student skills
- The curriculum is designed by a select panel of business professionals and academicians
- Courses focus extensively on business case studies and real-world examples
- Helps students explore job opportunities
- Gives students an edge over other graduates during placement.

1. Master of Business Administration (MBA Two Years)

Specializations Offered:

Marketing Management, HR Management, Finance Management, IT Management, Project Management, Operations Management, Hospital and Healthcare Management, International Business Management, FinTech Management, Business Analytics Management, Artificial Intelligence & Machine Learning, Logistics, Materials and Supply Chain Management, Block Chain Management, Digital Marketing Management.

2. Bachelor of Business Administration (BBA Three Years)

Marketing Management, HR Management, Finance Management, IT Management, International Business Management.

3. Certificate Programmes (Six months)

- Certificate Programme in Digital Marketing (CPDM)
- Certificate Programme in Hospital and HealthCare Management (CPHAHM)

Dr. D. Y. PATIL SCHOOL OF DESIGN

DPU envisions to be one of the largest learning education universities in India providing quality education to aspiring students in the creative field. To provide students with a wholesome learning environment, a well-developed infrastructure has been facilitated at the DPU Tathwade Campus. Dr. D. Y. Patil School of Design is established in the year 2022 and awarded with the "Best Emerging Institute of Design in Pune Times Education Excellence Survey 2022" conducted by Pune Mirror.

In order to ensure the best quality education, DPU SOD has on board a team of the best academic resources for teaching, webinar, workshops, and other academic activities from the industry. Students will get a chance to be mentored by leading academicians and industry experts.

The research experts and domain heads strive to make sure that the curriculum offered is industry competent and relevant.

All the programs ensure that student's career will get the right impetus to grab better opportunities. The year-round activities are planned in such a way that support the holistic development of students and help them transform from aspirants to professionals. These activities include workshops on communication skills,

presentation skills, portfolio development, grooming, makeover, etc.

At DPU SOD, students get an opportunity to explore their potential, identify their weaknesses, work on them, and build on their strengths. To enable students to recall tricky techniques at their convenience, DPU SOD provides LMS access to pre-recorded videos and resources (PDFs). Thus, learners can study at their own pace and get the best quality education for a remarkable professional career.

School of Design (SOD) at Dr. D. Y. Patil Vidyapeeth (DPU) offers undergraduate (B. Design, B. AAC. and B. Sc.) programs in Fashion Design, Interior Design and Animation VFX. DPU School of Design is recognised by the UGC and AICTE. These certifications endorse the academic standards and quality education which establish academic credibility and a student's credentials to employers.

1. B. Design

Specialisation in Fashion Lifestyle & Boutique Management

The 4-year undergraduate course offers specialisation in fashion lifestyle & boutique management.

2. B. Design

Specialisation in Interior Design, Styling & Practice

The 4-year undergraduate course offers specialisation in Interior design, styling & practice.

3. Bachelors of Applied Arts & Craft

The 4-year undergraduate course extensively focuses on traditional and present-day aspects of Graphics, Animation & VFX.

4. B. Sc. with Honours in Fashion Design

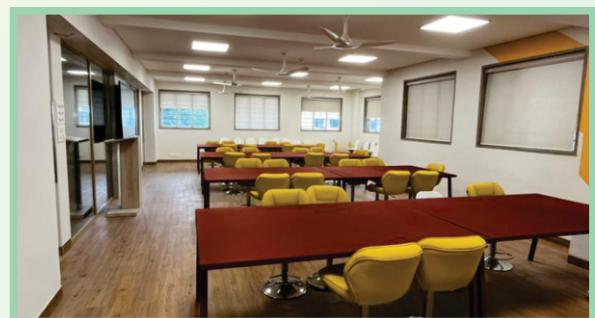

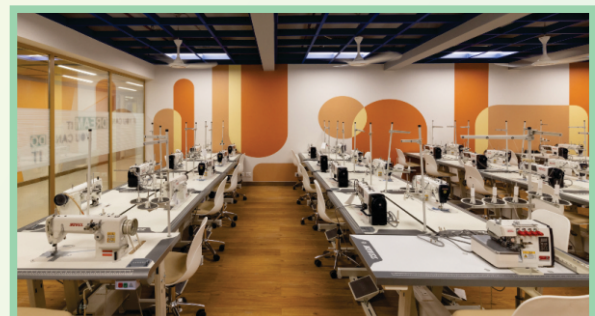

The 4-year undergraduate program focuses on technical and creative aspects of Fashion Designing to help you transform your passion into a profession.

5. B. Sc. with Honours in Interior Design

Understand the essentials of transforming four walls into a space of people will spend their time through this dynamic 4-year undergraduate program in Interior Design.

6. B. Sc. with Honours in Graphics & Animation/VFX

Buckle up to work in one of the most impactful industries in the World-Advertising and Entertainment through this 4-year extensive undergraduate program in Graphics and Animation Design.

Dr. D. Y. PATIL SCHOOL OF LIBERAL ARTS

Established in 2022. Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University) is coming up with a new glorious feather in the crown and seek pleasure to announce the new artistic Venture, i.e. Liberal Arts, which will incorporate the degree training to the deserving students in the fields of Kathak Dance, Dance & Choreography Nrityayoga and Bharatnatyam. It will be open globally for the students to explore, experience and experiment the ecstasy of rich cultural heritage of India through Classical Dance.

a) Kathak Dance: Kathak is one of the important Classical dances of India as old as 200 B.C. with its reference in Natyashastra compiled by Bharat Muni. Kathak has its origins in the traditionally travelling bards of Northern India. The emphasis was given on the storytelling and also justifies famous adage 'Katha kahe so Kathak Kahalave'. Kathak dance is characterized by both abhinaya (gestures) as well as strong rhythmic techniques. Kathak dance underwent a series of development down the ages. Today Kathak is presented on the proscenium stage with variety of styles and techniques. This course brings to the students the required discipline and acumen with which they will become professional Kathak Dancers.

b) Dance & Choreography: Dance is an ancient performing art. One can express feelings beautifully through dance and entertain the spectators. Dance is the body's movements with music in different postures. Adancer can give expression to different feelings like sorrow, joy, anger, laughter, etc. But a particular dance expresses the emotions and the incidents accurately when it is appropriately choreographed. Choreography gives shape in a dance performance. Dance Choreography is used in different television shows, fashion shows, theatres, movies, etc.

c) Nrityayoga: Dance is the expression of soul through body. It is the manifestation and visual translation of poet's words through body as a main vehicle which is, synchronised to mind and soul. In the Indian approach, it is nothing else but surrendering oneself to God or ultimate reality. Yoga is the age-old Indian principle of complete harmony of body, mind and soul. Yoga is a mystic journey from form to formlessness, as it is a physical way to reach towards metaphysics. Nrityayoga is a thoughtful combination of aesthetics and kinetics of dance, especially Bharatnatyam and principles of yoga for the upliftment of inner and outer capacities of human being, based on 'Ashtanga Yoga' (8 limbs) of saint Patanjali, exploring all 195 sutras parallel to dance.

d) Bharatnatyam: All art everywhere is representative of the form that the artist impresses on life. But, at the same time in India, creating a work of art itself is a ritual which is drawn from the religio-philosophical thought backing his ethos. Bharatanatyam, the classical dance style originated in Tamil Nādu, is the harmonious blending of Bhaava (emotion), Raaga (Melody) and Taala (Rhythm), Natyam (Dramatisation). It is

popularly known as Temple Dance by the Devdasis (Temple Dancers).

Summary : If Students are interested in Dance & want to pursue it as a profession, this can be an excellent programmes. Professionals are in huge demand nowadays, this profession can earn them Respect, Money and Fame.

Dr. D. Y. PATIL SCHOOL OF ALLIED HEALTH SCIENCES

Dr. D. Y. Patil School of Allied Health Sciences is a constituent of Dr. D. Y. Patil Vidyapeeth (Deemed to be University) established in the Academic year 2022-23. The college has conceptualized and launched allied health sciences programs in various disciplines, which are meant to equip the health care professionals with the advanced tools needed to survive in this era of fierce competition and specialization. As there is an increasing demand for competent allied health professionals, the institute aims to raise a cadre of these professionals who would apply scientific principles and evidence-based practice to optimize patient outcomes.

To ensure the best quality education, DPU has onboarded highly qualified, experienced, and competent teaching faculty and the best academic resources for teaching, including webinars, workshops, innovative teaching methods, e-learning facilities, and other academic activities involving the industry as well. Students will get a chance to be mentored by leading academicians and industry experts. They are also encouraged to take up research activities.

Programs on Offer

Dr. D. Y. Patil School of Allied Health Sciences offers Undergraduate and Postgraduate programs. The annual intake for these courses for Academic year 2022-23 was 50.

State-of-the-art Infrastructure

Well-equipped laboratories to provide hands-on practical experience and infrastructural facilities such as a skill lab, computer lab, museum, and classroom with audio visual aids that help in imparting quality education to the students are available. Faculty members and students are also provided with access to the institute's central library, which has a vast collection of books, magazines, national and international journals along with numerous online resources.

Special features

- Highly qualified and experienced faculty.
- Judicious mix of educational and clinical visits.
- Active support and encouragement for research.
- Focus on employment opportunities in field of Allied Health Sciences.

Future Plans

Dr. D. Y. Patil School of Allied Health Sciences is exploring the launch of undergraduate programmes in domains such as Physician Assistant, Emergency and Critical Care Technology, Medical Laboratory Technology, Respiratory Care Technology, and postgraduate programmes namely, Clinical Research, Radiology and Imaging Technology, and Emergency and Critical Care Technology, Applied Child Health and Maternal nutrition, and Immunisation. The institute also plans to announce Ph.D. in five subjects namely Radiology and Imaging Technology, Dialysis Technology, Critical Care Technology, Operation Theatre and Anaesthesia Technology and Respiratory Care Technology.

Postgraduate (2 Years)

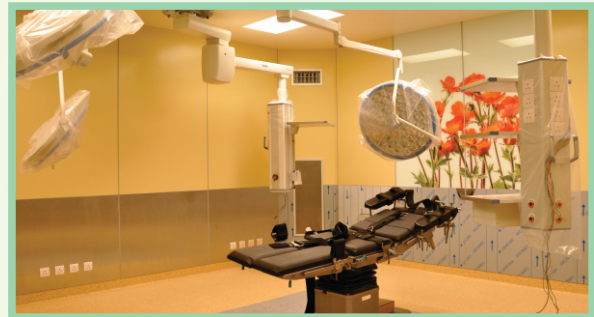

- M.Sc. in Clinical Embryology
- M.Sc. in Clinical Research
- M.Sc. in Radiology Imaging Technology
- M.Sc. in Emergency & Critical Care Technology

COURSES OFFERED

Undergraduate (4 Years)

- B.Sc. in Dialysis Technology
- B.Sc. in Operation Theatre and Anaesthesia Technology
- B.Sc. in Radiology and Imaging Technology
- B.Sc. in Medical Laboratory Technology
- B.Sc. in Respiratory Care Technology
- B.Sc. in Physician Assistant
- B.Sc. in Emergency & Critical Care Technology

Dr. D. Y. PATIL SCHOOL OF SCIENCE & TECHNOLOGY

About Institute

Dr. D. Y. Patil School of Science & Technology is a premier institute. It is a constituent of Dr D. Y. Patil Vidyapeeth, Pune (Deemed-to-be-University). The fully-equipped world-class campus is strategically located at Tathawade on Pune-Mumbai Highway. The Institute has created cutting-edge classrooms equipped with LCD and overhead projectors, as well as a public address (PA) system. It has a well-stocked library with books by both foreign and Indian authors. The institutional library has a large collection of textbooks, reference books, and national and international journals, as well as e-books and e-journals. There are well-equipped laboratories for efficient teaching and research. The institute has computer laboratories with highly configured computers to meet the demands of the innovative era of recent technologies.

To ensure the highest quality education, DPU has onboarded the best academic resources for teaching, such as webinars, seminars, cutting-edge teaching techniques, e-learning facilities, and other academic activities involving industry. Students will have the opportunity to be mentored by renowned academics and industry professionals. They are also encouraged to get involved in research. Students can also benefit from an industry-ready curriculum, professional teachers, and a thriving

campus culture.

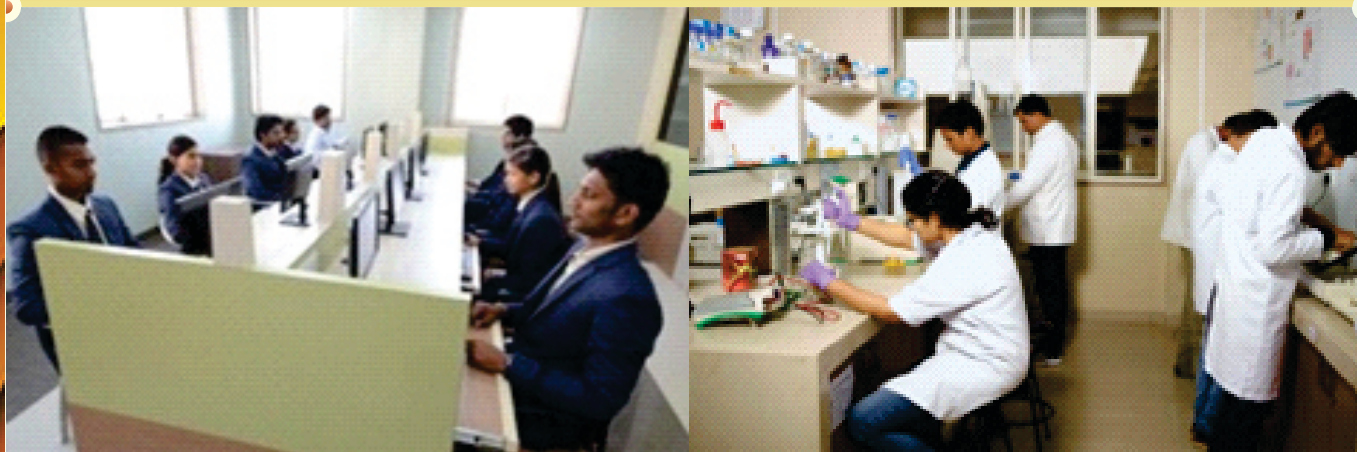

Programs Offered

● B. Tech Artificial Intelligence & Data Science

It is a four-year degree course will help students to expand their problem-solving skills and will prepare them to work in a diverse range of industries. They will use and build on technologies including big data, machine learning, artificial intelligence and the internet of things. One of the great opportunities that student will benefit from as part of this degree course is the work integrated learning (WIL) program, in which students undertake a hands-on, project based learning experience that can be implemented immediately in industries.

● B. Tech. Computer Science & Design

It is a four-year Undergraduate degree programme, designed to produce graduates who are not just familiar with computing techniques, tools, and technologies, but also with design approaches and new technologies. Computer Science and Design is a subset of Computer Science and Engineering, which includes not only computing technologies, software, programming, and tools, but also design methods and interaction approaches. The course seeks to provide students with an interdisciplinary skill set that will enable them to work in a variety of

industries, including the IT industry, animation, virtual reality, augmented reality, multimedia, robotics, game development, entertainment, and digital analytics. The B.Tech. in Computer Science and Design (CSD) aims to develop graduates that are not only well versed with computing approaches, tools, and technologies, but are also experienced with Design approaches. The program has a small set of core courses in Computer Science (CS) and in Design disciplines, followed by electives from CS as well as Design disciplines.

- **Bachelor of Science (B.Sc.) in Computer Science**

The B.Sc. In Computer Science course is a full time Four years (Eight semesters) Bachelor's Degree in Computer Science. This Programme offered is in line with NEP (National Education Policy) 2020. Students will gain comprehensive knowledge of system architecture, software methodologies and technologies, and application technologies from both the theoretical and practical perspectives with a bachelor's degree in computer science. Additionally, this degree will give students a foundational understanding of all facets of computer technology, including hardware, software, networks, operating systems, database systems, data structures, and algorithms.

- **Bachelor in Computer Applications (BCA)**

This course is a full time four years (eight semesters) Bachelor's Degree in Computer Application. This Programme offered is in line with NEP (National Education Policy) 2020. The institution's hands-on experience with real-world projects, industrial trainings, demanding industry-focused course content, interaction with business/industry leaders through industrial visits, guest lectures, workshops, seminars, hackathons, and mentorship programmes all help students prepare for next-generation careers.

- **Master in Computer Application (M.C.A.)**

Salient Features

- International Exchange Program
- Industry Collaboration Activities
- Internship Opportunities
- State of Art Infrastructure
- Smart class rooms and modern laboratories.
- Project Based Learning
- Skill development Programmes
- Value Added Courses
- Interpersonal and Communication skill development
- Programmes in line with NEP (National Education Policy) 2020
- Co-curricular & Extra Curricular Activities

The logo for Dr. D. Y. Patil Vidyapeeth, Pune, featuring the letters 'DPU' in a bold, serif font. A stylized, golden-colored symbol, resembling a flame or a stylized 'P', is positioned between the 'D' and 'P'.

Dr. D. Y. PATIL VIDYAPEETH, PUNE
(Deemed to be University)

Sant Tukaram Nagar, Pimpri, Pune - 411 018, Maharashtra, India.
Ph. 91-20-27805000 / 27805001.
